PREFACE

"When the prayer was ended, the priest said with a loud voice: `Stay, Jesus, for we need to know who thou art, for the quieting of our nation.'

Jesus answered: `I am Jesus, son of Mary, of the seed of David, a man that is mortal and feareth God, and I seek that to God be given honour and glory.'

The priest answered: `In the book of Moses it is written that our God must send us the Messiah, who shall come to announce to us that which God willeth, and shall bring to the world the mercy of God. Therefore I pray thee tell us the truth, art thou the Messiah of God whom we expect?'

Jesus answered: `It is true that God hath so promised, but indeed I am not he, for he is made before me, and shall come after me.'

The priest answered `By thy words and signs at any rate we believe thee to be a prophet and an holy one of God, wherefore I pray thee in the name of all Judaea and Israel that thou for love of God shouldst tell us in what wise the Messiah will come.'

Jesus answered: `As God liveth, in whose presence my soul standeth, I am not the Messiah whom all the tribes of the earth expect, even as God promised to our father Abraham, saying: "In thy seed will I bless all the tribes of the earth." But when God shall take me away from the world, Satan will raise again this accursed sedition, by making the impious believe that I am God and son of God, whence my words and my doctrine shall be contaminated, insomuch that scarcely shall there remain thirty faithful ones: whereupon God will have mercy upon the world, and will send his messenger for whom he hath made all things; **who shall come from the south with power, and shall destroy the idols with the idolaters; who shall take away the dominion from Satan which he hath over men. He shall bring with him the mercy of God for salvation of them that shall believe in him, and blessed is he who shall believe his words.**

Unworthy though I am to untie his hosen, I have received grace and mercy from God to see him.'

Then answered the priest, with the governor and the king, saying: `Distress not thyself, O Jesus, holy one of God, because in our time shall not this sedition be any more, seeing that we will write to the sacred Roman senate in such wise that by imperial decree none shall any more call thee God or son of God.'

Then said Jesus: `With your words I am not consoled, because where ye hope for light darkness shall come; but my consolation is in the coming of the messenger, who shall destroy every false opinion of me, and his faith shall spread and shall take hold of the whole world, for so hath God promised to Abraham our father. And that which giveth me consolation is that his faith shall have no end, but shall be kept inviolate by God.'

The priest answered: `After the coming of the messenger of God shall other prophets come?'

Jesus answered: `There shall not come after him true prophets sent by God, but there shall come a great number of false prophets, whereat I sorrow. For Satan shall raise them up by the just judgement of God, and they shall hide themselves under the pretext of my gospel.'

Herod answered: `How is it a just judgement of God that such impious men should come?'

Jesus answered: `It is just that he who will not believe in the truth to his salvation should believe in a lie to his damnation. Wherefore I say unto you, that the world hath ever despise the true prophets and loved the false, as can be seen in the time of Michaiah and Jeremiah. For every like loveth his like.'

Then said the priest: `How shall the Messiah be called, and what sign shall reveal his coming?'

Jesus answered: `The name of the Messiah is admirable, for God himself gave him the name when he had created his soul, and placed it in a celestial splendour. God said: "Wait Mohammed; for thy sake I will to create paradise, the world, and a great multitude of creatures, whereof I make thee a present, insomuch that whoso bless thee shall be blessed, and whoso shall curse thee shall be accursed. When I shall send thee into the world I shall send thee as my messenger of salvation, and thy word shall be true, insomuch that heaven and earth shall fail, but thy faith shall never fail." Mohammed is his blessed name.'

Then the crowd lifted up their voices, saying: `**O God, send us thy messenger: O Mohammed, come quickly for the salvation of the world!**'
(And so let come the kingdom of God) (GB 97)

PROLOGUE

Jesus answered: "Believe me when God chose me to send me to the House of Israel, he gave me a book like to a clear mirror; which came down into my heart in such wise that all that I speak comes forth from that book. And when that book shall have finished coming forth from my mouth, I shall be taken up from the world." Peter answered: "O master, is that which you now speak written in that book?" Jesus replied: "All that I say for the knowledge of God and the service of God, for the knowledge of man and for the salvation of mankind all this comes forth from that book, which is my gospel (GB 168)

The high priest answered: "This I ask of you, and I do not seek to slay you, wherefore tell us: Who was this son of Abraham?" Jesus answered: "The zeal of your honour, O God, inflames me, and I cannot hold my peace. Truly I say, the son of Abraham was Ishmael, from whom must be descended the Messiah promised to Abraham, that in him should all the tribes of the earth be blessed." Then was the high priest wroth, hearing this, and cried out: "Let us stone this impious fellow, for he is an Ishmaelite, and has spoken blasphemy against Moses and against the Law of God." (GB 108)

Thereupon said the disciples: 'O master, it is thus written in the book of Moses, that in Isaac was the promise made.'

Jesus answered, with a groan: 'It is so written, but Moses wrote it not, nor Joshua, but rather our rabbis, who fear not God. Verily I say unto you, that if ye consider the words of the angel Gabriel, ye shall discover the malice of our scribes and doctors. For the angel said: "Abraham, all the world shall know how God loveth thee; but how the world shall know the love that thou bearest to God? Assuredly it is necessary that thou do something for love of God." Abraham answered: "Behold the servant of God, ready to do all that which God shall will."

'Then spoke God, saying to Abraham: "Take thy son, thy firstborn Ishmael, and come up the mountain to sacrifice him."

How is Isaac firstborn, if when Isaac was born Ishmael was seven years old?

Then said the disciples: 'Clear is the deception of our doctors: therefore tell us thou the truth, because we know that thou art sent from God.'

Then answered Jesus: 'Verily I say unto you, that Satan ever seeketh to annual the laws of God; and therefore he with his followers, hypocrites and evil-doers, the former with false doctrine, the latter with lewd living, to-day have contaminated almost all things, so that scarcely is the truth found. Woe to the hypocrites! for the praises of this world shall turn for them into insults and torments in hell. (GB 44)

Jesus said: "God pardon you. for against him have you sinned."

Whereupon said the scribe: I have seen an old book; written by the hand of Moses and Joshua ; (he who made the sun stand still; as you have done), servants and prophets of God, which book is the true Book of Moses. Therein is written that Ishmael is the father of Messiah, and Isaac the father of the messenger of the Messiah. And thus says the book, that Moses said: "Lord God of Israel, mighty and merciful, manifest to your servant the splendour of your glory." *Whereupon God showed him his Messenger in the arms of Ishmael, and Ishmael in the arms of Abraham. Near to Ishmael stood Isaac, in whose arms was a child, who with his finger pointed to the Messenger of God,* saying: "This is he for whom God has created all things." Whereupon Moses cried out with joy: "O Ishmael, you have in your arms all the world, and paradise! Be mindful of me, God's servant, that I may find grace in God's sight by means of your son, for whom God has made all." (GB 191)

The disciples answered, "O Master, who shall that man be of whom you speak, who shall come into the world?" Jesus answered with joy of heart: 'He is Muhammad; , Messenger of God, and when he comes into the world, *even as the rain makes the earth to bear fruit when for a long time it has not rained, even so shall he be occasion of good works among men, through the abundant mercy which he shall bring. For he is a white cloud full of the mercy of God, which mercy God shall sprinkle upon the faithful like rain.*' (GB 163)

'Verily I say unto you, that every prophet when he is come hath borne to one nation only the mark of the mercy of God. And so their words were not extended save to that people to which they were sent. But the messenger of God, when he shall come, God shall give to him as it were the seal of his hand, insomuch that he shall carry salvation and mercy to all the nations of the world that shall receive his doctrine. He shall come with power upon the ungodly, and shall destroy idolatry, insomuch that he shall make Satan confounded; for so promised God to Abraham, saying: ***"Behold, in thy seed I will bless all the tribes of the earth; and as thou hast broken in pieces the idols, O Abraham, even so shall thy seed do."***' (GB 43). (It is the greatest link between the prophet Abraham and his descendant the prophet Mohammed. Historically, Abraham broke the idols of the temple of Nimrud and Mohammed broke all the idols in the sanctuary of Makkah as well as all the idols of all the idol worship temple of whole Arabian Peninsula and no Israelite prophet had this honor of achievements found in the whole bible and any historical records.)

“He shall come with truth more clear than that of all the prophets, and shall reprove him who useth the world amiss. **The towers of the city of our father shall greet one another for joy; and so when idolatry shall be seen to fall to the ground and confess me a man like other men, verily I say unto you the messenger of God shall be come.**’ (So the kingdom of God will come) (GB 72) (Virtually Jerusalem was liberated from Roman yoke with smiling face and greeting one another with joy without any fight by 2nd Caliph Omar Ibn Kattab of the Kingdom of God)

Messages from God’s Empire

“Therefore keep watch, because you do not know on what day your Lord will come. ⁴³ But understand this: If the owner of the house had known at what time of night the thief was coming, he would have kept watch and would not have let his house be broken into. ⁴⁴ So you also must be ready, because the Son of Man will come at an hour when you do not expect him. (So the kingdom of God) (Mathew 24-44)

“And then shall appear the sign of the Son of Man in heaven. And then shall all the tribes of the earth mourn, and they shall see the Son of Man coming in the clouds of heaven with power and with great glory.(with the kingdom of God) (Mathew 24-30)

“And they shall come from the east, and from the west, and from the north, and from the south, and shall sit down in the kingdom of God.

First chapter

Dhul- Qarnayn and Semitic- Aryan connection

One of the greatest discoveries of the world history of ancient time was achieved during archeological excavation in the palace of Babylonian capital in 1879. It was a small clay tablet in cylinder shape written in cuneiform Akkadian cuneiform scripts and it revealed very important corner stone of the human civilization. Now it has been preserved in British museum. When it is translated in modern language it proved highly intelligent inscription of politico-religious diplomatic protocol, it is identified as the human right charter of first world Emperor Cyrus the great. In this cylinder he described how he entered into Babylon without any bloodshed and conquered the hearts of the peoples of Babylon and released and freed all the captives as well as all the Jews to their own land. Most of the historians thought he was a patroness to the God Ahura Mazda like his next emperor Darius the great but this cylinder proved that he believed in supreme God Marduk of Babylonian mysterious origin. Cyrus distinguished himself on a special religious-political standpoint of peaceful negotiation of his vast Empire with different nations and cultures and superseded all others ancient Emperors in the world for ever.

Handwritten text in a script, likely representing the cuneiform inscriptions on the cylinder, displayed below the image.

[When ...] ... [... wor]ld quarters [...] ... *a low person was put in charge of his country, but he set [a (...) counter]feit over them. ..., he brought ruin on them all by a yoke without relief. ... extremely angry at their complaints,.... The gods who lived within them left their shrines, angry that he had made them enter into Babylon (Shuanna). Ex[alted Marduk, relented. He changed his mind about all the settlements whose sanctuaries were in ruins and the population of the land of Sumer and Akkad who had become like corpses, and took pity on them. He inspected and checked all the countries, seeking for the upright king of his choice. He took under his hand Cyrus, king of the city of Anshan, and called him by his name, proclaiming him aloud for the kingship over all of everything. He made the land of the Qutu and all the Medean troops prostrate themselves at his feet. Marduk, the great lord, who nurtures his people, saw with pleasure his fine deeds and true heart and ordered that he should go to his city, Babylon. He had him take the road to Tintir, and, like a friend and companion, he walked at his side. His vast troops whose number, like the water in a river, He had him enter without fighting or battle right into Shuanna; he saved his city Babylon from hardship. He handed over to him Nabonidus, the king who did not fear him. All the people of Tintir, of all Sumer and Akkad, nobles and governors, bowed down before him and kissed his feet, rejoicing over his kingship and their faces shone. The lord through whose trust all were rescued from death and who saved them all from distress and hardship, they blessed him sweetly and praised his name.*

I am Cyrus, king of the universe, the great king, the powerful king, king of Babylon, king of Sumer and Akkad, king of the four quarters of the world, son of Cambyses, the king of the city of Anshan...

When I went as harbinger of peace i[nt]o Babylon I founded my sovereign residence within the royal palace amid celebration and rejoicing. *Marduk, the great lord, bestowed on me as my destiny the great magnanimity of one who loves Babylon, and I every day sought him out in awe. My vast troops marched peaceably in Babylon, and the whole of [Sumer] and Akkad had nothing to fear. I sought the welfare of the city of Babylon and all its sanctuaries. As for the population of Babylon ... I freed them from their bonds(?). Marduk, the great lord, rejoiced at [my good] deeds, and he pronounced a sweet blessing over me,* Cyrus, the king who fears him, and over Cambyses, the son [my] issue, [and over] my all my troops, that we might proceed further at his exalted [command]. . From [Shuanna] I sent back to their places to the city of Ashur and Susa, Akkad, the land of Eshnunna, the city of Zamban, the city of Meturnu.. *I collected together all of their people and returned*

*them to their settlements, and the gods of the land of Sumer and Akkad which Nabonidus – to the fury of the lord of the gods – had brought into Shuanna, at the command of Marduk, the great lord, I returned them unharmed to their cells, in the sanctuaries that make them happy. May all the gods that I returned to their sanctuaries, every day before Marduk, ask for a long life for me, and mention my good deeds, and say to Marduk, my lord, this: “Cyrus, the king who fears you, and Cambyses his son, may their ... [...] [.....].” **The population of Babylon call blessings on my kingship, and I have enabled all the lands to live in peace.** “*

More than half century before Cyrus, Babylonian king Nebuchadnezzar captured Jerusalem and deported all the Jews to Babylon but when Cyrus the great re-captured Babylon he released all the Jews and let them returned to Jerusalem and built the temple of Jerusalem. In the bible the name of Cyrus is directly mentioned 22 times and indirectly mentioned many more times. In the holy bible God mentioned his name directly as anointed or messiah likes Jesus Christ as a messiah.

*“**Thus saith the LORD to his anointed, to Cyrus, whose right hand I have holden, to subdue nations before him; and I will weaken the loins of kings, to open before him the two leaved gates; and the gates shall not be shut;***

*² **I will go before thee, and make the crooked places straight: I will break in pieces the gates of brass, and cut in sunder the bars of iron:***

³ And I will give thee the treasures of darkness, and hidden riches of secret places, that thou mayest know that I, the LORD, which call thee by thy name, am the God of Israel.

⁴ For Jacob my servant’s sake, and Israel mine elect, I have even called thee by thy name: I have surnamed thee, though thou hast not known me.

*⁵ **I am the LORD, and there is none else, there is no God beside me: I girded thee, though thou hast not known me:***

*⁶ **so that from the rising of the sun to the place of its setting people may know there is none besides me. I am the LORD, and there is no other...***

*¹³ **I will raise up Cyrus in my righteousness: I will make all his ways straight. He will rebuild my city and set my exiles free, but not for a price or reward” (Isaiah 45:1-13)***

Linguistic similarities between the bible and the Cyrus Cylinder are very surprising and identical and supplement to each other. Though Cyrus did not know the Jews God, but God himself caught hold the hands of Cyrus and broke all the barricade built of iron and copper and paved the way to enter into Babylon easily. And Cyrus rebuilt the gates of the city of Babylon and fortified

it. Thousand years after this happening an Arabian prophet Mohammed claimed to have final last inheritance of the entire prophet hood series as a seal of prophet in the world. Jews rabies told that if Mohammed's claimed was true than he must know the great story of the bible regarding Cyrus and if he failed to describe the story than he is a lair. On these circumstances in the Holy Quran the story of Dhul-Qarnayn is mentioned in 18 chapters' verse 83-

“83. And they ask you about *Dhul-Qarnain*. Say: “I shall recite to you something of his story.”

84. Verily, We established him in the earth, and We gave him the means of everything. 85. So he followed a way.

86. Until, when he reached the setting place of the sun, he found it setting in a spring of black muddy (or hot) water. And he found near it a people. We (Allah) said (by inspiration): “O Dhul-Qarnain! Either you punish them, or treat them with kindness.”

87. He said: “As for him (a disbeliever in the Oneness of Allah) who does wrong, we shall punish him; and then he will be brought back unto his Lord; Who will punish him with a terrible torment (Hell).

88. “But as for him who believes (in Allah’s Oneness) and works righteousness, he shall have the best reward, (Paradise), and we (Dhul-Qarnain) shall speak unto him mild words (as instructions).”

89. Then he followed another way, 90. Until, when he came to the rising place of the sun, he found it rising on a people for whom We (Allah) had provided no shelter against the sun.

91. So (it was)! And We knew all about him (Dhul-Qarnain). 92. Then he followed (another) way,

93. Until, when he reached between two mountains, he found, before (near) them (those two mountains), a people who scarcely understood a word.

94. They said: “O Dhul-Qarnain! Verily! *Ya’juj and Ma’juj (Gog and Magog)* are doing great mischief in the land. Shall we then pay you a tribute in order that you might erect a barrier between us and them?”

95. He said: “That (wealth, authority and power) in which my Lord had established me is better (than your tribute). So help me with strength (of men), I will erect between you and them a barrier.

96. "Bring me blocks of iron," then, when he had filled up the gap between the two mountain-cliffs, he said: "Blow," till when he had made it fire, he said: "Bring me molten tar to pour over it."

97. So they [Ya'juj and Ma'juj (Gog and Magog)] were made powerless to scale it or dig through it.

98. (Dhul-Qarnain) said: "This is a mercy from my Lord, but when the Promise of my Lord comes, He shall level it down to the ground. And the Promise of my Lord is ever true."  (Al Quran 18, 83-98)

If anybody put forward any question to Mohammed, the answers were always given in the holy Quran with some corrections with additional information which was not known to highest priests like the miraculous ability of Jesus Christ to talk as a new born child in the cradle of mother Mary.

 **"She carried the babe taking him home to her people who exclaimed: "O Mary," they said, "You have committed yourself to an evil line of conduct of grave consequence". "O sister of Aaron, your father was not a bad man, and your mother was never unchaste!" She simply pointed her finger at him -the babe- with an intimation, as it were, that they ask or speak to him. But they exclaimed: "How in Allah's Name can we discourse with a new born babe?" Jesus said: Truly, I am a servant of God. He gave me the Book and He made me a Prophet. "And He hath made me blessed where so ever I may be, and hath enjoined on me Prayer and Charity as long as I live** ...(Al Quran 19, 27-30).

For most arrogant imprudent non-believing people God put forward most non-convincing and impossible sign of miracle of a child to talk about his prophet hood in the cradle according to their own standard assumption and the same token God use to guide by increasing the faith to whom he wishes and to misguide by increasing the doubt to whom he wishes both way till the final day of human existence..

In the bible there are stories about Gog-Magog but it is not connected with Cyrus and there is no biblical text about the dam he constructed between the two mountains. In the Quran it is mentioned that a strong barrier was made between the valleys of two mountains so that Gog and Magog could not climb and penetrate to the settled agricultural peaceful peoples. But there is lot of historical and geographical confusion and controversy about the barrier or the wall that Dhul-Qurnayn constructed. But in Islamic history it is clearly put

forward by the statement of Prophet Mohammed in the book Sahih Bukhari that the barrier was already broken during or before his time as it was symbolized in a dream.

*“Narrated by Zainab bint Jahsh, “That the Prophet once came to her in a state of fear and said, “None has the right to be worshipped but Allah. Woe unto the Arabs from a danger that has come near. An opening has been made in the wall of **Gog and Magog** like this,” making a circle with his thumb and index finger. Zainab bint Jahsh said, “O Allah’s Apostle! Shall we be destroyed even though there are pious persons among us?” He said, “Yes, when the evil person will increase.” Volume 4, Book 55, Number 565.*

*Ibn Jarir **Tabari** and **Ibn Kathir** have recorded the event, and **Yaqut al-Hamawi** has mentioned it in his Mujam-ul-Buldan that: when after the conquest of Azerbaijan, Umar sent Suraqah bin `Amr, in 22 A.H. (643CE) on an expedition to Derbent, the latter appointed `Abdur Rahman bin Rabi`ah as the chief of his vanguard. When `Abdur Rehman entered **Armenia**, the ruler Shehrbaz surrendered without fighting. Then when `Abdur Rehman wanted to advance towards Derbent, Shehrbaz informed him that he had already gathered full information about the wall built by Dhul-Qarnain, through a man, who could supply all the necessary details and then the man was actually presented before `Abdur Rehman. (Tabari, Vol. III, pp. 235–239; Al-Bidayah wan-Nihayah, Vol. VII, pp. 122–125, and Mu`jam-ul-Buldan, under Bab-ul-Abwab: Derbent). Two hundred years later, the Abbasid Caliph **Al-Wathiq** dispatched a party of 50 men under Sallam-ul-Tarjuman to study the wall of Dhul-Qarnain, whose observations have been recorded in great detail by **Yaqut al-Hamawi** in Mu jam-ul-Buldan and by **Ibn Kathir** in Al-Bidayah.*

They write:

*this expedition reached Samarra from where they reached **Tbilisi** and then through As-Sarir and Al-Lan, they reached Filanshah, from where they entered the Caspian territory. From there they arrived at Derbent and saw the wall. (Al-Bidayah Vol. II, p. 111, Vol. VII, pp. 122–125; Mu jam-ul-Buldan: under Bab-ul-Abwab).*

This clearly shows that even up until the tenth century,

Muslim scholars regarded this wall of the Caucasus as the wall of Dhul-Qarnain.

Yaqut in his Mu jam-ul-Buldan has further confirmed the same view at a number of places. For instance, under Khazar (Caspian) he writes:

“This territory adjoins the Wall of Dhul-Qarnain just behind Bab-ul-Abwab, which is also called Derbent.” In the same connection, he records a report by Ahmad bin Fadhlan, the ambassador of Caliph Al-Muqtadir, who has given a full description of the Caspian land, saying that Caspian is the name of a country whose capital is Itil (near the present Astrakhan) right through which flows River Itil, which joins the Caspian front Russia and Bulghar. Regarding Bab-ul-Abwab he says that this city is called both Al-Bab and Derbent, which is a highly difficult passage for the people coming from the northern lands towards the south.

Latter on debris of a barrier was discovered between the two Caucasians Mountains about three kilometers in length which is now called Dariyal pass in Georgia and Azerbaijan boarder which still visible. All the archeological and geographical indications suggest that Dariyal pass is the most probably the place where Dhul-Qurnayn constructed the barrier. Darbent and Dariyal pass are the only two easily passable gates between Middle East in south and modern Russia in north. Thousand years later when Muslim empire tried to expand their boundaries between Sassanid Empire and Byzantine Empire they faced another strong empire in the north named Khazaria which was mostly overlooked by many historians and detail descriptions are not available. The Khazarian territories was the geographical place where gog magog used to live during the time of Dhul- Qurnayn as well as the place from where indo-European people started migrations to east in south Asia and west in Europe earlier periods.

Khazarians were very barbaric nomadic people used to plunder the settled people in Byzantine and Sassanid Empire in pre-Islamic times. When the Abbasid Empire came to close to Khazarian, Muslims invited them to embrace Islam and lead a settled simple divine way of live, a few people heed to them. By the influence of Talmudic Jews rabies and geo-political circumstances the Khazarian king Bulan converted to perverted Babylonian Talmudic Judaism against Islamic or Christian believe. Earlier Talmudic Jews returned from Jerusalem to the nearby lands of Babylon after the destruction of the temple of Jerusalem by the Romans in 70 CE as prophesied by Jesus Christ before his so called crucifixion. When the lands nearby Babylon fall into hand of Muslims these Talmudic Jews migrated to Khazarian Empire. Talmudic Judaism is far more distorted version of Judaism than original Judaism of Moses and David and it is known as Babylonian

Talmud. They don't follow the first 5 books of old testament in the bible which is thought to be the written books of Moses (Torah), rather they follow the oral traditions attributed as the teachings of Harun (Aaron), brother of Moses, which they thought to reveal to him verbally from God. During the time of Moses they were identified as misguided people who committed many crimes and sins like idol worship when Moses was mediating for forty days in Mount Sinai and got revelations from God. They thought Talmud is better than Torah (books of Moses) and they have a new version of Talmud named Zohar which is full of Talmudic mystical kabbalic philosophy. They used to slander Mary, mother of Jesus Christ for insane immoral character and proud to say to kill or crucify Jesus Christ because they thought he was a terrible magician who misguided the youths from Judaism which was described in Talmud and Zohar.

The Holy Quran protested on their false accusations as well as the false doctrine of crucifixion of Jesus Christ that the most of the Christendom popularized to the world without sufficient proves.

“They went in their unbelief to such an extent that they uttered terrible slander against Mary, “and their boastfully saying: Surely we have killed the Messiah, Isa son of Mary, the messenger of Allah; and they did not kill him nor did they crucify him, but it appeared to them so and most surely those who differ therein are only in a doubt about it; they have no knowledge respecting it, but only follow a conjecture, and they killed him not for sure...”

“Yet there is not one of the followers of earlier revelation who does not, at the moment of his death, grasp the truth about Jesus; and on the Day of Resurrection he [himself] shall bear witness to the truth against them.”  (Al Quran 4-156-158)

The prophet Jesus Christ warned the people against them, especially Pharisees and Sadducees –

“those of the synagogue of Satan who say that they are Jews and are not, but lie- (revelation 3-9)

With the expansion of Muslim empire within a few centuries Khazarian empire reduced to a kingdom and by the Mongol territorial expansion to the border of eastern Europe, Khazarian Jews were forced to migrate to eastern Europe in Russia, Germany, Poland in 13th century and are known as Ashkenazi Jews in Eastern Europe. They have basically no relation with the original Jews in Middle East or Palestine. Their language is Yiddish written in Babylonian Talmudic Hebrew form.

In Eastern Europe these Ashkenazi Jews started interest based money lending to general people and as well as to the small businessman and earned money without any risk or loss which was illegal and great sin in Christian ideology up to 13th century. Jews rabbis decreed a verdict that within Goyim gentiles that is the inferior non-Jews no sin applied for money lending on interest. They thought they are the chosen people of God and rest of the world population served them as born slaves. Within in very short times these type of business affected the upper level of the society and the kings and the knights started to borrow money from them for their political ambitions and Jews money lenders opened many centers in all over Europe with hand notes to get money in another place which was the early foundation of interest based banking system. Within a few centuries they become very strong by maintaining interest based marketing-banking world economy in the different commercial cities of Europe Some Jews families have these type of money lending business for centuries and one of these families is Rothchild family who hold almost half of the world wealth having invisible partnership business with the central bank of most of the countries including the world bank and IMF and the Goyim gentiles of world major populations became hand to mouth slaves to them. By the end of 18th century a secrete Zionist manifesto of Talmudic-Zoharic Ashkenazi Jews was exposed in Russia and translated into Germany and English language which is known as " **The protocol of the learned elders of zion**". These are the invisible scenarios of prosperous world economy and developed civilized human existence of modern era.

The Holy Quran warned them,  ***Those who devour interest will not stand except as stand one whom the Saitan by his touch hath driven to madness. That is because they say: "Trade is like usury," but Allah hath permitted trade and forbidden usury.***  (Quran 2 -275)

"O you who have attained to faith! Remain conscious of God.

and give up all outstanding gains from usury, if you are truly believers; for if you do it

not, then know that you are at war with God and His Messenger. (Al Quran 2- 279)

Anyway, Cyrus the great started his kingdom from the city of Anshan located in southern part of province Parsa of present Iran and expanded his empire to west-east and north directions of the civilized people of ancient time. His is entitled as, '**King of Kings of Persia King of Anshan King of Media King of Babylon King of Sumer and Akkad "King of the Four Corners of the World"**'. Some scholars added to him others title and one of them is 'king of Ariavarta'. Ariavarta is derived from Arachosia , an English word derived from Latinized word of old Persian word Harauvatis and if we convert it in Sanskrit language from old Persian it is identified as 'land of Aryans' or 'abode of Aryans'. It is in modern day Kandahar in Afghanistan. So, one part of the Empire of Cyrus the great was a land of Aryans.

After the death of Cyrus the great, his son Cambyses ruled a couple of years and after that Darius the great took control of the empire. It is known in the world history as Achaemenid Empire as claimed by Darius the great himself but Cyrus the great never named it that way. So some controversy still remained about it and some scholars preferred to keep Cyrus the great as a separate distinguished Emperor outside of Achaemenid (Haxâmanishiya) Empire's heritage.

In the bible the name of Darius is mentioned many times who ordered another decree to follow the instructions of Cyrus the great to build the temple of Jerusalem when Cyrus's letter was shown to Darius by the Jews.

³ *"In the first year of Cyrus the king, the same Cyrus the king made a decree concerning the house of God at Jerusalem: Let the house be built, the place where they offered sacrifices, and let the foundations thereof be strongly laid —... and let the expenses be given out of the king's house.*

⁵ *And also let the golden and silver vessels of the house of God, which Nebuchadnezzar took forth out of the temple which is at Jerusalem and brought unto Babylon, be restored and brought again unto the temple which is at Jerusalem, every one to his place, and place them in the house of God....*

⁸ *Moreover I make a decree what ye shall do for the elders of these Jews for the building of this house of God: that of the king's goods,*

¹⁰ *that they may offer sacrifices of sweet savors unto the God of heaven, and pray for the life of the king and of his sons.*

¹¹ *Also I have made a decree, that whosoever shall alter this word, let timber be pulled down from his house, and being set up, let him be hanged thereon; and let his house be made a dunghill for this.*

¹² *And the God who hath caused His name to dwell there, destroy all kings and people who shall put forth their hand to alter and to destroy this house of God which is at Jerusalem. I Darius have made a decree. Let it be done with speed.”...*

¹⁴ *And the elders of the Jews built, and they prospered through the prophesying of Haqqai the prophet and Zechariah the son of Idd. And they built and finished it, according to the commandment of the God of Israel, and according to the commandment of Cyrus and Darius and Artaxerxes king of Persia. (Ezra-6)*

Darius the great constructed many rock-stone of inscriptions on the sides of mountains of his achievements known as Behistun inscriptions written in Akkadian, Aramaic, old Persian language. He clearly claimed to a distant relative of Cyrus the great by fourth generations distance, so he had legitimated right to be king in absence of Cyrus own family.. He claimed to believe in God named Ahura Mazda and a Persian with Aryans lineage.

(70) King Darius says: *By the grace of **Ahuramazda** this is the inscription which I have made. Besides, it was in **Aryan script**, and it was composed on clay tablets and on parchment. Besides, a sculptured figure of myself I made. Besides, I made my lineage. And it was inscribed and was read off before me. Afterwards this inscription I sent off everywhere among the provinces. The people unitedly worked upon it. (Behistun Scripts)...*

Cyrus the great clearly declared he was from the city of Anshan of Persia but Darius the great was silent about his origin of birth place and he showed the linkage his family tree with Cyrus ahead of fourth generations. From the Greek historian Herodotus and Xenophon we came to know his father was Hyhtaspe or Vistaspe from the city of Bactria, governor of that province employed by Cyrus the great. Originally Vistaspe was a local king of Bactria and when Bactria came under the rule of Cyrus the great, he kept vishtaspa in power as a governor of that province. During the time of Vistaspa as a young king of Bactria, a prophet arrived in the city of Bactria name Zarathustra who was preaching of a monotheistic God Ahura Mazda in surrounding areas. But the people and aristocrats of the city refused to accept his message and humiliated and ridiculed him. On these situations Zarathustra prayed to God Ahura Mazda for help as described in Avesta- and the prayer of Zarathustra was answered by God Ahura Mazda as follows-

“1. To what land shall I go to flee, whither to flee? From nobles and from my peers they sever me, nor are the people pleased with me [.....], nor the Liar rulers of the land. How am I to please thee, Mazda Ahura?

2. I know wherefore, O Mazda, I have been unable (to achieve) anything. Only a few herds are mine (and therefore it is so) and because I have got but few people. I cry unto thee, see thou to it, O Ahura, granting me support a friend gives to friend. Teach me through the Right what the acquisition of Good Thought is.

7. Whom, O Mazda, can one appoint as protector for one like me, when the Liar sets himself to injure me, other than Thy Fire and Thy Thought, through actions of which twain the Right will come to maturity, O Ahura? In this lore do thou instruct my very self.....

14. O Zarathushtra, what righteous man is thy friend for the great covenant? Who wills to have good fame? It is the Kava Vishtaspa at the consummation. Those whom thou wilt unite in one house with thee, these will I call with words of Good Thought. (Yasna- 46)

Zarathustra came to the king Vistaspa and preached him as follows-

1. 'I am a pious man, who speaks words of blessing,' thus said Zarathushtra to the young king Vishtaspa. -- - 'O young king Vishtaspa! [I bless thee] with the living of a good life, of an exalted life, of a long life. May thy men live long! May thy women live long! May sons be born unto thee of thy own body!'

**2. 'Mayest thou thyself be holy, like Zarathushtra.
'Mayest thou be rich in cattle, like an Athwyanide!
'Mayest thou be rich in horses, like Pourushaspa!...**

3. 'May ten sons be born of thy own body! Three as Athravans, three as warriors, three as tillers of the ground! May one of them be like Jamaspa, that he may bless thee with great and ever greater happiness! ...

Ancient Indian written history started with Alexander the great when he invaded Indian Territory nearby Indus River around 330 BCE but we can go with clear visible scenario to six century BCE up to Cyrus the great and Vistaspa of Bactria with various written documents of many different sources and decipher some of mysteries of Vedic cultures.

After conquering the whole Persian Empire Alexander settled in Bactria for a couple of years with marrying a Bactrian princess name Roxana and he was blessed with a boy child. Local Greek governor of Bactria tried to introduce the Greek calendar for political purpose but the Zoroastrian priests protested and invented their own calendar counting the years from the times that Zarathustra was alive. They found 258 years different from Alexander to Zarathustra and accordingly his death should be around 588 BCE. This counting was very close to the time of Cyrus the great and king Vistaspa and very compatible with descriptions of Herodotus and Xenophon and Strabo.

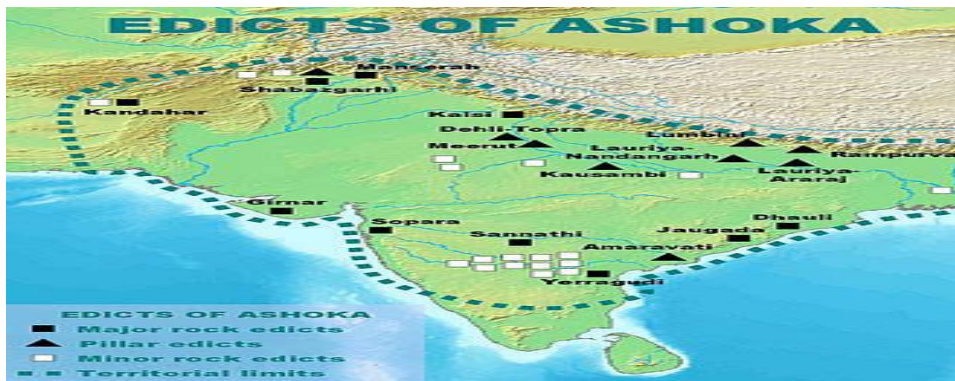

Alexander the great travel routes in Indus valley

For thousand years this time table was acceptable to everybody even to the Persian and Indian scholars but when east India Company started to rule the country, western scholars manipulated many things for their favorable position to gain political control. Max Mullar and the leading oriental western scholars found similarities between Greek and Sanskrit language and tried to favor Sanskrit over Arabic oriented Farsi language which was the official language for the Muslim ruling class of the country. They put forward a theory that Sanskrit is older than most of the languages, at least 10-15 century ahead and their counterpart local Indian scholars went beyond that with more thousand years. As Avestan Persian language is more closely knitted and connected with Vedic Sanskrit language, so the Avestan scholars started to believe that it is also older than usually accepted time-line. So the king Vistashpa mentioned in Avestan could not be the same king Vistashpa of Bactria of six century BCE and at least a couple of centuries distance between them if not thousand years. But historically the existence of Zarathustrian religion is not found before the time of king Vistashpa as proved by the inscriptions of Darius's son Xerxes.

But western scholar's attempt to take Sanskrit language backward to prehistorically level from a historical time line is virtually halted by the edicts of Emperor Asoka which were constructed during 250-232 BCE by the help of Persian and Greek architect experts in all over his empire to instruct Buddhist ideology. Ironically no rock inscription is available before and after him like it all over India and it proved that Indian inner territorial culture was not accustomed with rock inscriptions like Babylon. In 13th century during the time of Sultan Tughluq of Delhi Muslim Sultanate, an edict of Asoka was discovered and brought back to Delhi but nobody was able to read it. Mughal Emperor Akbar the great gathered all the highest scholars of Sanskrit and other languages to read it but everybody failed to decipher it. So, it was not written in Sanskrit and it proved there is no written Sanskrit language during the time of Asoka. During the British India western scholars deciphered the edicts of Asoka and proved it was written on Brahmic alphabet, in someplace on kharosthi alphabet and someplace on Greek-Aramaic bilingual scripts. Brahmic and Kharosthi alphabet derived from Aramaic alphabet which was the official language of Persian Empire and very closed to old Persian alphabets. There were no Persian scripts before the time of Darius and everybody used Aramaic Babylonian scripts for reading and writing. From the Behistun inscriptions we know that Darius the great ordered to invent Persian Aryan alphabets for writing its own mother tone which was very similar to Babylonian cuneiform alphabets in the beginning and latter on it formed as different scripts of its own.

Kharosthi Script , also known as Gandhari scripts

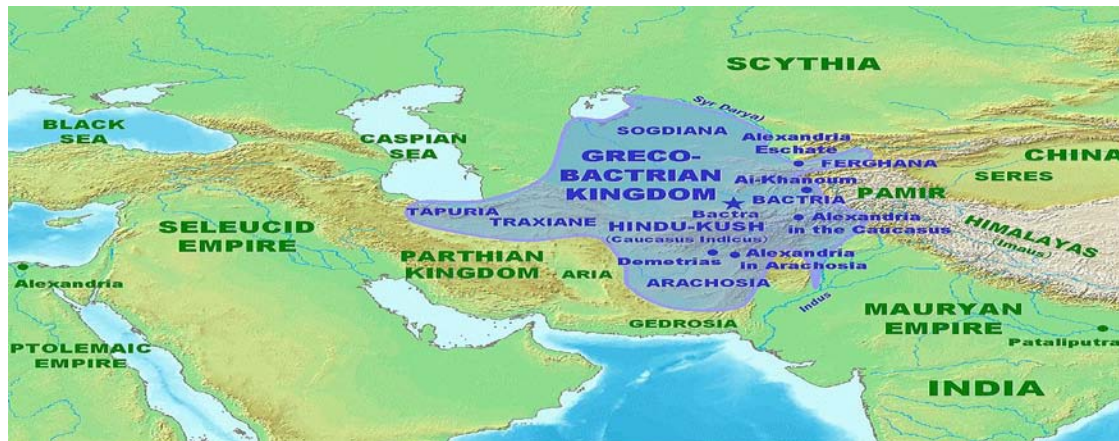

Persian script of Darius the great in Behistun

After the death of Alexander the Greek Empire was splitted into four kingdoms and apart of them there was isolated Greek-Bactrian kingdom located nearby Mouryan Empire. After the collapse of Mouryan empire there formed an Indo-Greek kingdom in Indian inner territory and this two Greek kingdom had great impact on Indian culture especially to develop Sanskrit language. After the collapse of Indo-Greek kingdom, North India falls into Kushan Empire of Central Asia with its capital in Barctria.

Most of South-Eastern scripts were developed from Brahmi Scripts

Bactria was located in modern Balkh province of Afghanistan and historically a very important prosperous city of ancient time connecting China with Babylon by old Silk Road. Many archeological sites are discovered there and still many more remains to be discovered. Historically it was Old Persian city and Gandhara and Sind was old Indian city. From the Behistun inscriptions of Darius the great, we know Gandhara and Sind were provinces of his Empire and the emperors promoted Akkadian, Aramaic, Babylonian, Persian as state languages and so the educational curriculum followed the same. Taxila was an old city probably capital of Gandhara located near Rawalpindi of Punjab province of modern Pakistan and a famous centre for high educations. One of old Indian great scholars Panini got higher education from there and he is thought to write a Sanskrit grammar book. But the edicts of Asoka proved Sanskrit script was non-existence during his time. So, in which language and alphabets Panini wrote a Sanskrit grammar book? Most evident showed that he wrote book in Aramaic or Kharosthi script which is also called Gandhari script and after a few centuries it was converted into early Sanskrit. Even Persian language Pahlavi also was not fully developed and distinguishable from Aramaic script. Kautilya or Chanakya, the teacher of Chandragupta, grandfather of Asoka, both got education from Taxila also but ironically there was no Sanskrit script in Asoka Empire or in the capital Pataliputra. From Aramaic scripts of Babylon, Brahmi script was developed in Bactria and Taxila and from Brahmi script Gupta script developed during Gupta dynasty which led to Dev-nagari script and Sanskrit was written by Dev-nagari script. It is one of greatest peculiarity and irony in the world that Sanskrit is a mother language but for writing a mother language it has to depend on a daughter language script for its own existence and claimed that it is uncorrupted replica of a dead language. Early all these Aryan scripts were written from right to left hand like Semitic languages. So, Sanskrit cannot be as old as Max Muller or other oriental scholars thought as well as the Avestan language and earlier historians were right to identify six century BCE was the timeline of Zarathustra of Bactria and king Vishtaspa of Bactria and they were same personalities that mentioned in Avestan religious scriptures. From Greek historian Herodotus and Xenophon we know Vishtaspa was provincial governor of Bactria employed by Cyrus the great and he was the father of Emperor Darius the great of Achaemenid dynasty.

Now, we try to identify some of the mysterious origin of Vedic literature and their historical timeline. Inscriptions from Naqsh-e Rostam (graveyard of Darius the great and his Achaemenid dynasty), Behistun inscriptions, Persepolis inscriptions and from the Greek historian sources it is proved that Gandhara and Taxila were under Persian rules for almost two century and after the fall of Achaemenid Dynasty by Alexander the great, it was under Greek control for long period of time. So the official languages of that area was Persian and Greek and after the fall of Mauryan Dynasty, Greco-Bactrian and Indo-Greek kingdom and Kushan empire influenced its cultures and languages and religious belief and none of these kingdoms or empire had officially Sanskrit language for educations. It was a minor subject from the political point of view until Gupta Dynasty was formed in Pataliputra in 4th century CE

who patronized Vedic and Sanskrit literatures. So, Vedic literatures were formed under the influence of Babylonian, Persian, Greek and central Asian cultures and all these cultures were also influenced by Semitic cultures and education system of Bactria, Gandara, Taxila was Babylonian-Persian-Greek Curriculum. For example, incarnation of Vishnu as a fish in Matsya Purana was influenced from old Philistine religious belief of a god Dagon who was thought to be a half man and half fish figure and is said to be the father of god Baal who was originated Canaanite-Assyrian cultures, Brahma is derived from corrupted spelling of Abraham to Brahma and his wife Sara to Saraswati, Noah to Manu, etc. Noah's son Japheth was drowning in the flood and Yama became underwater god in Hindu mythology. Virtually, many Babylonian historical and mythological epic stories flooded into border towns of India and with degradation of memory fragmentations those were superimposed on Indian inner geographical territory like sixteen tribes (janapadas) of Vedic cultures in Indian geography and same sixteen tribes in Avestan cultures in Central Asian geography.

There are some Greek historical documentations that during Mauryan king Chandragupta in north India a Jewish community was living from long before and so those stories of Noah, Abraham, Sarah and many biblical stories were flooded into Indian mythologies but with upside down time sequences and interfused and artificially superimposed in Indian geographical location in a deviated form. Even in the Rig-Veda there are ample evidences that in Vedic period a tribe name Pani lived in the vicinity of them and a lot of conflict occurred between them and they are identified as Semitic or Phoenician people. Most probably Phoenician had trading post in Indus Valley like Mohenjo Daro or Harappa. A lot of Semitic seals and coins were discovered during excavation in those places.

*Brhu hath set himself above the **Panis**, o'er their highest head,*

Like the wide bush on Ganga's bank. (RV 6.045.31)

Soma, these pressing-stones have called aloud to win thee for our Friend.

*Destroy the greedy **Pani**, for a wolf is he. (RV 6.051.14)*

The word Pani is mentioned no less than 36 times in the Rig Veda. The expression "Revata Panina" shows that the Panis were rich. The expression "Paner maneeshan" shows that the Panis were wise. "Abasam Panim" would show that the Panis were given to introspection. Further Rig-Veda tells us that the Panis did not perform any Yajnas or sacrifices. It proves that they were non-Aryan people.

So one of the greatest prophets of God, Abraham, patriarch father of Jews, Christianity and Islam, a historical person, was personified as one of supreme godhead Brahma in Indian Mythology by shriti-sruti continuous degradation process of memories, even loss of language itself of real circumstances that happened long before. It was documented by Al Beruni in his book, "Philosophy of India" around ten century CE that he moved to various

Sanskrit Scholars about their shruti-sriti authenticity but he always found same statements varied person to person when they were told to recite again, even the sequences of the statements also varied because as a hafiz (who memorized the holy Quran from A to Z) of the Holy Quran he knew it is almost impossible to have shruti-sruti intact without a authentic inscription of it. Furthermore, there is no continuous list of chain of narrations of shruti-sriti process to verify when it started and after how many generation laps it was finally written down. It is one of the biggest proved a smriti-sruti (which is remembered and heard) series from generations to generations turn into degradation of human intellectual from real history to imaginary utopian mythology and it alone cannot lead to any spiritually enlightenment at any sense unless it is backed by strong evidential inscriptions of preserved tablet from the beginning.

Those scholars who studied the Rig-Veda, we came know from them it was not compiled by a single personality with a single timeline, rather it was composed by many personalities with long period of times, even centuries after centuries. Some of the composers were named as Vishshamitra, Angrirasa, Bhrigu. Bhrigu is mentioned 18 times in Rig-Veda as a praiseworthy personality and priest-

"The Bhrgus established thee among mankind for men, like as a treasure, beautiful, easy to invoke"; (Rigveda 01-58, v-6)-

"Even as they who sang forth hymns, addressed to heaven, the Bhrgus with their prayer and praise invited him, the Bhrgus rubbing, offering gifts." (Rigveda 01-127,v-7)

"Bhrgus who served him in the home of waters set him of old in houses of the living." (Rigveda 02-04 v-2)

Atharvan first by sacrifices made men sure: through skill the Bhrgus were esteemed of all as Gods". (Rigveda 10-92 verse 10)

"The Maruts in the votary's house adorned thee; with lauds the Bhrgus gave thee light and glory." (Rigveda 10-122 v-5)....

One fourth hymns of the Rig-Veda were dedicated to the God Indra which was controversial from the beginning and Bhrgu had some reservations about Indra as a god. Most of the post Vedic literatures treated Indra as a king or godhead king. In ancient literatures all over the world king was treated as godhead king superior to any human being and so there was always a clash of influence between king and priests. Most of the ancient king had opportunity to manipulated public opinions by expressing their own suitable verdict as a verdict of god as they themselves were the representative of god on earth. Even though the Emperor Darius the great declared that he believed in God Ahura Mazda in one hand and also believed in the God of Israel in Jerusalem on the other hand, Median and Persian aristocrats forced him to write a verdict that nobody can bow down to any other god than Darius and even Darius cannot nullify this law because it was the non breakable divine law of Media and Persia. They put forward it to punish the prophet Daniel so that he could not pray to the God of Israel. Darius was forced to put Daniel in lion's Den as a punishment for praying to the God of Israel.

"It pleased Darius to appoint 120 satraps to rule throughout the kingdom,² with three administrators over them, one of whom was Daniel. ..³ Now Daniel so distinguished himself among the administrators and the satraps by his exceptional qualities that the king planned to set him over the whole kingdom. ⁴ At this, the administrators and the satraps tried to find grounds for charges against Daniel in his conduct of government affairs, but they were unable to do so.....

⁶ So these administrators and satraps went as a group to the king and said: "May King Darius live forever! ⁷ The royal administrators, prefects, satraps, advisers and governors have all agreed that the king should issue an edict and enforce the decree that anyone who prays to any god or human being during the next thirty days, except to you, Your Majesty, shall be thrown into the lions' den. ⁸ Now, Your

Majesty, issue the decree and put it in writing so that it cannot be altered—in accordance with the law of the Medes and Persians, which cannot be repealed.”⁹ So King Darius put the decree in writing. (Daniel 6)

Even the meaning of god was not always same in the early civilization as we now understand. So what does it mean by god Indra? From the treaty of Hittite, we found very surprising understanding of god.

“1) Thus (speaks) Sun Mursilis, Great King, King of Hatti, the Valiant, son of Suppiluliumas, Great King, the Valiant.

(3) Even before I sat on my father’s throne, all the enemy lands were hostile to me. When my father became a god (i.e. died), my brother Arnuwandas sat on his father’s throne. Afterwards, he too became ill

(8) When my brother Arnuwandas became a god (i.e. died), the enemy lands who had not been hostile, (now) these enemy lands also were hostile ...I took up (my) hand to the Sungoddess of Arinna, my lady, and I spoke the following: “O Sungoddess of Arinna, my lady, the surrounding enemy lands which have called me a child, and they have made small of me,.....

And the Sun goddess of Arinna, my lady, heard my word, and she stood with me, and while I sat on my father’s throne, I conquered these surrounding enemy lands in ten years, and I destroyed them.”...

Treaty Between Mursilis, the sun, And Duppi-Tessub Of Amurru

From this Hittite treaty we understand that according to their believes, king was by default a sun god and in some case when he died he was also treated as a god.

From the treaty of Hittite and Mitanni (14 century BCE) we found how some minor gods in those cultures became great even supreme gods in another cultures. In that treaty there was a long list of gods of Hittite-Babylonian-Hurrian origin to witness a treaty between Hittite king Suppiluliuma and Mitanni king Shttiwaza and in that long list of gods there were some names phonetically remotely similar to Vedic Aryan gods with minor position which created great controversy about the formation of Indo-Iranian Aryan cultures and oriental scholars are divided into many groups with contradicting theories.

“Shamash, lord of heaven, Teshub, lord of Hati,.....gods of Lullahi, gods of Habiri, male gods, the female gods of Hati,... gods of earth, the river-god Namshara, Minki, Ammuki, Tuhushi, Ammizzadu, Anu, Antum, Enlil, Ninlil, Ninegal.....Teshub, lord of heaven and earth, Sin and Shamash, lords of heaven and earth,....the gods Mitrashshil, the gods uruwanashshil, the god Indar, the gods Nashtianna,.....If thou Mattiuaza, The king’s son, dost

not keep the words of this treaty,.....may these gods who are the lords of the oath, by whom thou hast sworn, destroy you,..You are enemies of the thousand gods....”

This treaty was written on clay tablet by old Akkadian cuniformic scripts and kept before goddess Shamash of Arinna. But accurate translations and interpretations are debatable from the beginning. There are four minor gods out of thousand gods in this treaty remotely resemble major gods of Rig-Veda, that is Mitra, Varuna, Indra, Nasatiya. Pronunciation and transliteration of Akkadian scripts is like as –

“Ila-ni mi-it-ra-as-si-il, ila-ni u-ru-wa-na-as-si-il, ilu-in-dar, ila-ni na-sa-ti-ia-an-na”

It could be as “gods of Mitrashshil (gods of oath and treaty), gods of Uruwanashshil, god of Indar, gods of nasartianna” as the treaty indicate regarding others gods. Translating the ancient inscriptions there is always great difficulty about noun and adjective because most name had a meaning with qualitative form and sometime adjective is translated as noun and it created a big different in meaning of the sentence. Some scholars theorized that Mitanni kingdom itself meant United Kingdom or kingdom of treaties. It was a buffer state between Hittite, Assyria and Egypt and for its survival it needed mutual peace treaties with them. When the treaty was broken, first it was crashed by Hittite, then by Assyria and Egypt remained isolated with them. Shortly, Assyria was crushed by Babylon and the lands of Hittite, Mitanni, Assyria, and Babylon all came under Persian rule under Cyrus the Great and Egypt was included into the empire by his son Cambyses. All the information came out about Mitanni was from those treaties of Egypt, Hittite and Assyria, there is no archaeological sites discovered about their own existence so far.

These are the proto Rig-Vedic gods rather than post Rig-Vedic gods. Some minor gods of Hittite-Mitanni treaty within a few centuries developed into major gods in Rig-Vedic cultures and especially Indra was promoted into supreme god and occupied $\frac{1}{4}^{\text{th}}$ of total (250 hymns out of 1028) hymns individually and $\frac{1}{3}^{\text{th}}$ of total hymns of Rig-Veda jointly partnership with other gods. It was opposed by priestly Atharvan-family of Bhrigus, specially by his son Sukracharya. On this historical background, we came to know suddenly during 6 century BCE a prophet Zarathustra appeared in the city Bactria to preach a monotheistic Supreme God Ahura Mazda. He got revelation from God that all the deavas including the chief of them, deava Indra are demy-gods or

“They had such a sharp disagreement that they parted company. Barnabas took Mark and sailed for Cyprus,⁴⁰ but Paul chose Silas and left, commended by the believers to the grace of the Lord.⁴¹ He went through Syria and Cilicia, strengthening the churches. (Acts 15-39)

“Among whom also Paul hath been deceived, whereof I speak not without grief; for which cause I am writing that truth which I have seen and heard, in the intercourse that I have had with Jesus, in order that ye may be saved, and not be deceived of Satan and perish in the judgment of God” (GB 1)

Main descriptions of Vagharva Samhita were thrown out of the Atharva Veda as the gospel of Barnabas was thrown out of the religious text books in Christianity and rest of the combined books of Vagarva-Angirusa Veda is known as Atharva Veda. Missing part of the Vagharva Samhita is very similar to the descriptions in Avesta of Zarathustrian religion. But there is no historical clue how the Vagharva Samhita is connected with Avesta of Zarathustra Religion. We will try to find the background of mysterious phenomenon and a secret key to unlock it.

Bhrigu had a son name Sukracharya who was very famous and also notorious in Vedic literature well known to oriental scholars and pundits He was entitled as Danavacharya (Demon guru) or Asuracharya (Ashur guru) because he was against the Devraj Indra and the kingdom of Devas. There are many folklore stories about him in Vedic literatures how he devised and plotted against Indra to destroy him and his kingdom. According to Indian sources he left Deva kingdom and reached to a nearby kingdom and a legendary king Vishparva help him to destroy deva kingdom or Indraloke.

From the Behistun inscriptions of Darius the great we know that Gandhar and all the Indus river basin area that is modern Pakistan was under his rules. His son king Xerxes also destroyed the Dava kingdom.

*3. (13-28.) Xerxes the King says: By the favor of Ahuramazda these are the countries of which I was king ... (= Dna 18-22); Media, Elam, **Arachosia**, Armenia, Drangiana, Parthia, **Aria**, **Bactria**, Sogdiana, Chorasmia, Babylonia, Assyria, **Sattagydia**, Sardis, Egypt, Ionians, those who dwell by the sea and those who dwell across the sea, men of Maka, Arabia, **Gandara**, **Sind**, Cappadocia, Dahae, Amyrgian Scythians, Pointed-Cap Scythians, Skudra, men of Akaufaka, Libyans, Carians, Ethiopians.*

4b. (35-41.) And among these countries there was (a place) where previously false gods [[Daevas]] were worshipped. Afterwards, by the favor of Ahuramazda, I destroyed that sanctuary of the demons, and I made proclamation, “The demons shall not be worshipped!” Where previously the

demons were worshipped, there I worshipped Ahuramazda and Arta [[Asha]] reverent(ly).

The 'daiva inscription' of Xerxes, found at Persepolis. [Archaeological Museum, Tehran](#)

"Afterwards, by the favor of Ahuramazda, I destroyed that sanctuary of the demons"
 is English translation of Persian **"pasāva vašnā Auramazdāha adam avam daivadānam viyakanam"**. It can be written as, **"after by the command of Ahuramazda I destroyed that abode of Devas"**

If we put it side by side with Sanskrit, it looks like-

Old Persian	Sanskrit	Meaning
'pasāva	'pasch' (पश्च)	'later'
'vasana	'vasana' (वासना)	'wish', desire
Auramazdāha	Asura-medira' (असुर- मेधिर)	Ahura-mazdā
'Adam	aham' (अहम्)	'I'
'Avam'	'idam' (इदम्)	'this' or 'that'
'Daivadanam'	'devadham' (देवधाम)	'abode of Deva'
'Viyakanam'	'viyam' (वियम्)	'rip apart'

Avesta, religious book of Zarathustra also described same line of thought and protection from deava-

“I profess myself a Mazda-worshipper and a Zoroastrian, opposing the Daevas, accepting the Ahuric doctrine”. (Yasna-1)

23. I would confess myself a Mazda-worshipper, of Zarathushtra’s order, a foe to the Daevas, devoted to the lore of Ahura

1. Let the Demon-gods and Goddesses fly far away from hence, and let the good Sraosha make here his home(Yasna 10-1)

4 I curse the Daevas. I reject the authority of the Daevas, the wicked, no-good, lawless, evil-knowing, the most druj-like of beings, the foulest of beings, the most damaging of beings. I reject the Daevas and their comrades, I reject the demons (yatu) and their comrades; I reject any who harm beings. I reject them with my thoughts, words, and deeds. I reject them publicly.

There is sufficient historical documentations that Darius the great arrived at Taxila, Gandhar to invade India around 515 BCE, and his satrap that is governor of Bactria of that time was Dadarsi . Even Darius Persian name is darayavaus.

“King Darius says: The province called Margiana revolted against me. A certain Margian named Frâda they made their leader. Then sent I against him a Persian named Dâdarši, my servant, who was satrap of Bactria, and I said unto him: “Go, smite that host which does not acknowledge me....”(Persepolis inscriptions)

The Rig Veda itself repeatedly boasts of the destruction of the Dasyus or dasas by Indra. There are great possibilities that it echoes the local satrap of Darius the great who fought with the Indian territorial lords.

“When, Hero, thou, great-souled, with easy conquest didst rend the Dasyus in their distant dwelling (Rig-Veda HYMN LXIII)

“3 Armed with his bolt and trusting in his prowess he wandered shattering the forts of Dasas.

Cast thy dart, knowing, Thunderer, at the Dasyu; increase the Arya’s might and glory, Indra.

4 For him who thus hath taught these human races, Maghavan, bearing a fame-worthy title,

Thunderer, drawing nigh to slay the Dasyus, hath given himself the name of Son for glory” (Rig-Veda HYMN CIII)

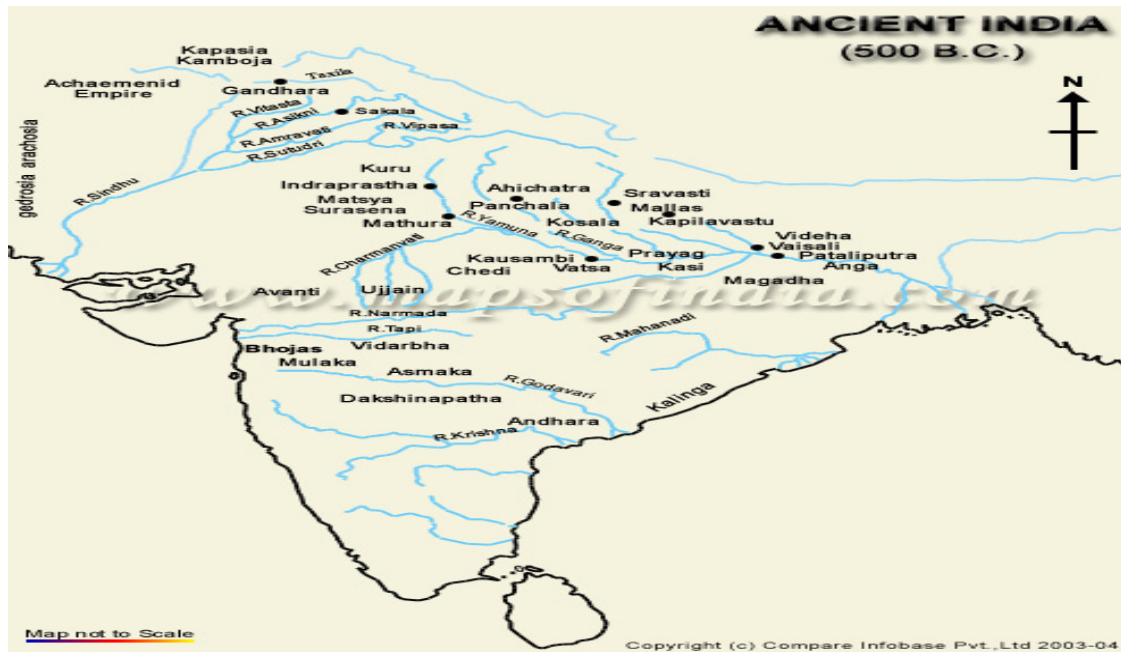

Dasyus or dasayus phonetically very close to dadarsi or darayavaus and old Persian and Sanskrit both had linkage with mother language of Indo-Iranian family as we have definite proves that English word ' paradise' is Latinized form via Greek of Persian word 'Parsargadae', the Capital of Cyrus the Great.

Vindidad is a Zurathustrian religious books solely devoted against the deava , specially against the deva Indra. Two time Rig-Vedic supreme god Indra is mentioned directly in Vindidad, 10-9, 19-41-

*“Angra Mainyu the deadly, the Daeva of the Daevas; **Indra the Daeva**”...*

***“I drive away Indra,** I drive away Sauru, I drive away the daeva Naunghaithya,⁷ from this house, from this borough, from this town, from this land; from the very body of the man defiled by the dead, from the very body of the woman defiled by the dead; from the master of the house, from the lord of the borough, from the lord of the town, from the lord of the land; from the whole of the world of Righteousness. (Vindidad 10-9).*

So, the prophet Zarathustra was against the deavas, specially against the Devraj Indra and the king Vistashpa of Bactria, father of Darius the great, a believer of Zarathustian God Ahura Mazda helped him to destroy Dev kingdom. From the Vedic literatures we know it was Sukracharya who left dev kingdom and went to a nearby king Visparva to get help to destroy Devraj Indra and from Persian side, It was Zarathustra who was preaching against the the deava Indra .If we look at the map of Acheamenid Empire's eastern border and ancient Indian map of six century BCE, we will find Bactria, Kamboja, Gandhara, Taxila all are the border cities between ancient India and Persia. Kamboja was the city named in honors of Cambyses, son of Cyrus the great. If Sukracharya looked for any powerful king for help it should be the king of Bactria or Kamboja and the king of Bactria of that time was Vishtaspa. So, the king of Bactria Vishtaspa was the same king Vishparva described in Indian source as a enemy of Indra. On the other hand, Zarathustra suddenly appeared in Bactria to preach a monotheistic God. So, Zarathustra and Sukracharya was same personality, even the meaning of Zarathustra in Persian language and the meaning of Sukracharya in Sanskrit language in very identical, both means bright planet of Venus in the sky, So, **Sukracharya was a prophet of God as Zarathrusta was a prophet of God and they are both same personality.** Furthermore, **Vistashpa and Vrishparva was also same personality.** This is the missing link between Avesta and Atharvaveda.

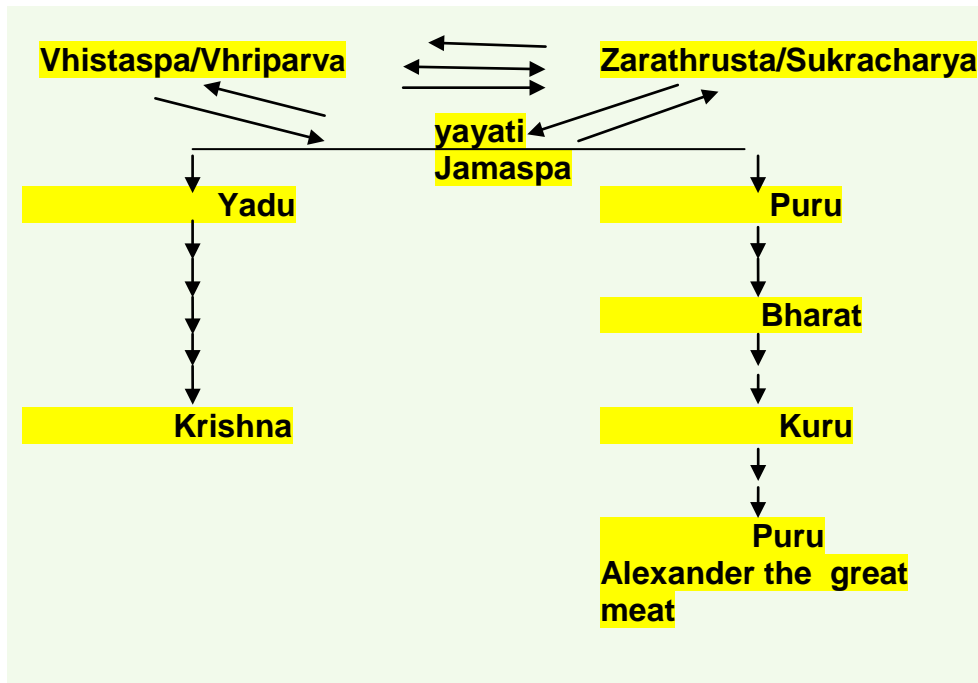

Eastern boarder of Acheamenid Empire and ancient India

From Persian source we know a daughter of Zarathusta was married to a king Jamaspa, probably king of Kamboja, a relative of Vistaspa and from Indian source we know a daughter of Sukracharya Devayani was married to a king Yayati, a relative of Visparva and a son of Yayati name Puru was the founder of puru dynasty, it follows Bharat Dynasty as well as Kuru Dynaty. So, king Jamaspa and Yayati was same personality and most probably was the king of Kamboja.

So, Sukracharya was a historical person of six century BCE and his father Bhrigu, who was one of compiler of Rig-Veda as par Rig-Veda itself.. So,

some portion of Rig-Veda was written on six century BCE and Angiras also wrote major portion of Rig-Veda on same period. After destruction of Deva kingdom of Indra, Puru dynasty took control of north India which followed the epic story of Mahabharata. After overthrow of deva kingdom or Indra kingdom by Sukracharya with the help of Brishparva and Yayati, his son-in law Yayati took control of north India and Vedic influence was halted with Persian cultures and the following few centuries was the ages of cultural revolutionary influx of Greek from the west by Greco-Bactrian, Indo-Greek kingdom and Buddhist influence from the East of Maghadian empire of Pataliputra and Kushan Buddhist empire of central Asia flooded one after another. After a few centuries when everything were settled and cool down a new hybrid religion was emerged in India intermixing and with local natives Dravidians and another non Aryan cultures and during Gupta Dynasty it was consolidated as Hinduism very different from Vedic cultures and between them more than half a millennium gap with great distant memories without any proper documentations. Old Vedic proto indian Gods specially Indra-Varuna- Mithra were replaced by new Indian gods Brahma-Vishnu-Shiva and their consorts Saraswati-Laskmi-Parvati . Indra lost his divinity and reduced to a simple war-lord of kingdom subordinate to Brahma-Vishnu-Shiva and their consorts. Values of Vedas to Hinduism are like the values of old testaments to Christianity without any religious links and obligations to follow and just to keep it in the show case as antiques of the old. Those of the scholars who still think Indra is still the supreme Indian god than they are suffering a great dilemma of identity crisis of their own because Indra was already thrown out of Indian Territory by Sukracharya/Zarathrusta thousands year ahead of time. There is no temple of Indra in India to be worship or anywhere in the world; even no idol of Indra is available as archeological antique any museum. It is a totally lost mythology like Atlantis civilization. In the environment of scholastic discourses they tell Indra is their supreme god of their great heritage and in practice they worship other gods to express hypocrisy of intellectual logic.

From Cyrus the great to Alexander the great we have almost three centuries time-line that is upper limit of the king Yayati, son in law of Sukracharya, to the lower limit of his descendant king Puru who was a descendant of Kuru that Alexander met during his invasion to India in a recorded history. But within next half century puru kingdom was overthrown by Chandragupta of Mouryan dynasty without leaving any clue to follow up. Mahabharata war was if really happened it would be between the descendants of the king Yayati like vey traditional tribal minor natures between revel brothers and cousins and so it happened between this upper and lower time-line. One of the descendants of Yayati was happened to be lord Krisna also as well as poet-Rishi Valmiki

Family tree line of the king Yayati

If we go further backward on time to the homeland of Indo-Europeans people, it was a high land between Caspian and black sea and nearby land there lived a tribe where Prophet Noah was preaching of a monotheistic God. But elites of the society mocked at him for having a single god, on the contrary they have many gods and Noah warned them if they don't follow of a supreme God. A great calamity might fall to destroy them. They mocked more at this and told to bring the calamity if he is truthful to his word. So, Noah people invited themselves the great calamity of flood and Noah saved a few believing people embarking on a boat which is described in the Bible and Quran.

"Nuh said: "My Allah, they –my people- disparaged me and disobeyed me, and they obeyed the voice of those who disbelieved the truth and shall profit nothing by their wealth and progeny except to be lost to ruin".

"With cleverness in circumventing, they had recourse to stratagem".

"They declared in explicit terms never to renounce their gods nor the idols, "And they say (to each other), 'By no means leave your gods, abandon neither Wadd, nor Suwa, nor Yaghut, and Yauq and Nasr (their gods).'"

"And with such idols they misled so many"; "therefore, I beseech You Allah to lead the wicked so astray that they sink deeper and deeper into error

Therefore on account of their countless transgressions of the divine laws and their offenses against Allah, they were drowned in the flood, and their disembodied souls have been imprisoned in Hell, and they found no one to afford them protection from Allah's retributory punishment.  (Al Quran 71: 21-23)

According to some archeologists and experts in Sumerian, Hittite Mitanni cultures, Arabic name of gods Wadd, Suwa., Yaghut, Yauq and Nasr are very closely link with underworld gods Sin, Enlil, Ninlil, Anu, Antum of Assyrian proto gods, also similar to Yama, underworld Indian god. Many underworld underwater gods are linked with the flood stories. Somebody theorized that before Bosphorus strait and Black sea was not connected but a great calamity created cracks which result that enormous flood.

But the consequences of the flood affected the whole area with many tribes and nations nearby and it forced them to start migration to the west, north and east. It was the root causes for migration of the Indo-European people from their homeland and after the flood ceded down Noah and his people landed in the south and mixed up with the local people of surroundings. That's why most of the old Indo-Europeans nations had some sorts of flood stories and from the south we find Sumerian cultures had an epic story of flood where Sumerian king Gilgamesh met a leading leader who survived from the flood by the help of his lord. So the great flood had three types of consequences- some people survived from the flood, some people escaped from the flood and moved far away from their homeland and some people affected heavily by the flood but survived without migrations and latter they had communications with the surviving people embarked on a boat during the flood. These three types of flood stories were flourished in various nations of the ancient world.

Migratory people from Caucasian highland to the central Asia moved to the south and settled in Bactria-Margiana areas before divided as two groups and migrated into Iranian and Indian inner territory.

But what Zarathustra preached to the people were distorted within a few generations and mixed up with old local customs and believes of many gods. From the inscriptions of grandson of Darius we find this distortion- monotheistic believe was replaced by three godhead by the influence of Vedic gods.

3. GREAT, unassailable must be the heavenly favour of Three Gods, Varuna, **Mitra**, Aryaman.—[10-185] HYMN CLXXXV.(Rigveda)

“Common to all mankind, auspicious S'urya, he who beholdeth all, is mounting upward; **The God, the eye of Varuna and Mitra**, who rolled up darkness like a piece of feather (Rigveda 7-63)

. **“Homage to the Eye of Mitra and Varuna**
To the mighty God offer this worship
to the farseeing emblem, born of the Gods.
Sing praise to the Sun, the offspring of Heaven. (Rigveda 10-37)

Homage to Mithra ... Homage to the Sun, the swift-horsed. Homage to these two eyes that are of Ahura Mazda. Homage to the Bull...Homage to the Fravashi of the righteous Spitama Zarathushtra (Khwarshed Niyayesh 5)

But in contrast to the sun godhead or moon godhead of all cultures of Egypt, Sumer, Babylon, Assyria, Hittite, Mitanni, Persia, India, The Prophet Abraham perceived the sun and moon in very different way-

“When the night outspread over Ibrahim, he saw a star; he said, “This is my Lord.” But when the star set [in the morning,] he said, “[This cannot be my Lord because it has passed away,] I do not like the transitory [gods].”

[On the next night,] when he saw the moon rising, he said, “This is my Lord.” But when the moon set he said, “If my Lord had not guided me, then I shall surely be of the people who have gone astray.”

[In the morning,] when Ibrahim saw the sun rising, he said, “This must be my Lord [because] this is greater [than the star and the moon!]” But when the sun set, he said, “O my people, surely I am free from what you associate [with Allah.] I have sincerely turned myself to Him who originated the heavens and the earth, and I am not one of the polytheists.”  (Al quran 6-75)

“He it is who has created the heavens and the earth to fulfill a definite Purpose. He rolls the night over the day, and rolls the day over the night. And He has subjected the sun and the moon under his command, each running along its course for a term appointed.  (Al Quran 39-5)

The God Mithras was brought to Greek culture by Alexander the great and Mithras got a high position in Roman culture and is known as **Sol Invictus Mithras –The Unconquered Sun Mithras**. He had a permanent seat in Catholic Vatican church in Rome and mixed up with Christian believe and still a statue of Mithras is standing firmly inside the Catholic Vatican churches to ridicule monotheistic believe of Jesus Christ.. In fact, Roman Catholic religion is Mithraism mixed up with Saturnalia festival and Santa Claus myth of Scandinavia, superimposed on the Christmas dress of Jesus Christ and it directly contradicts 2nd and 4th commandment of Moses-

2- You shall not make for yourself any carved image, or any likeness of anything that is in heaven above, or that is in the earth beneath, or that is in the water under the earth; you shall not bow down to them nor serve them.

4 –Remember the Sabbath day, to keep it holy. Six days you shall labor and do all your work, but the seventh day is the Sabbath of the Lord your God.

From before the birth of Jesus Christ Sunday was celebrated as Mithras day and 25th December was celebrated as his birthday in Roman culture. The preaching of monotheistic God by Jesus Christ was a threat to the Talmudic Jews of Jerusalem as well as to the Roman Empire. There was great difference of opinion between his real disciples Barnabas and pretended to be disciple, Paul of Tarsus regarding the nature of divinity like as position of Bhrigu and Angirus regarding the divine nature of Indra. What Jesus really preached and what is preached on his name are totally different as we find self-defense of Jesus Christ against the claiming of so called divinity in the gospel of Barnabas-

“Then said the governor and Herod: ‘Sir, it is impossible that man should do that which thou doest; wherefore we understand not that which thou sayest.’

“Jesus answered: ‘That which ye say is true, for God worketh good in man, even as Satan worketh evil. For man is like a shop, wherein whoso entereth with his consent worketh and selleth therein. But tell me, O governor, and thou O king, ye say this because ye are strangers to our law; for if ye read the testament and covenant of our God ye would see that Moses with a rod made the water turn into blood, the dust into fleas, the dew into tempest, and the light into darkness. He made the frogs and mice to come into Egypt, which covered the ground; he slew the first-born, and opened the sea, wherein he drowned Pharaoh. Of these things I have wrought none. And of Moses, every one confesseth that he is a dead man at this

present. Joshua made the sun to stand still, and opened the Jordan, which I have not yet done. And of Joshua every one confesseth that he is a dead man at this present. Elijah made fire to come visibly down from heaven, and rain, which I have not done. And of Elijah every one confesseth that he is a man. And [in like manner] very many other prophets, holy men, friends of God, who in the power of God have wrought things which cannot be grasped by the minds of those who know not our God, almighty and merciful, who is blessed for evermore.'

'It is written in the testament and covenant of the living God that our God hath had no beginning, neither shall he ever have an end.'

The priest answered: 'Even so is it written therein.'

Jesus said: 'It is written there that our God by his word alone hath created all things.'

'Even so it is,' said the priest. Jesus said: 'It is written there that God is invisible and hidden from the mind of man, seeing he is incorporeal and uncomposed, without variableness.'

'So is it, truly,' said the priest. Jesus said: 'It is written there how that the heaven of heavens cannot contain him, seeing that our God is infinite.'

'So said Solomon the prophet,' said the priest, 'O Jesus.'

Said Jesus: 'It is written there that God hath no need, forasmuch as he eateth not, sleepeth not, and suffereth not from any deficiency.'

'So is it,' said the priest. Said Jesus: 'It is written there that our God is everywhere, and that there is not any other god but he, who striketh down and maketh whole, and doeth all that pleaseth him.'

'So is it written,' replied the priest.

Then Jesus, having lifted up his hands, said: 'Lord our God, this is my faith wherewith I shall come to thy judgement; in testimony against every one that shall believe the contrary.' And turning himself towards the people, he said: 'Repent, for from all that of which the priest hath said that it is written in the book of Moses, the covenant of God for ever, ye may perceive your sin; for that I am a visible man and a

morsel of clay that walketh upon the earth, mortal as are other men. And I have had a beginning, and shall have an end, and [am] such that I cannot create a fly over again.'

Thereupon the people raised their voices weeping, and said: 'We have sinned, Lord our God, against thee; have mercy upon us.' And they prayed Jesus, every one that he would pray for the safety of the holy city, that our God in his anger should not give it over to be trodden down of the nations. Thereupon Jesus, having lifted up his hands, prayed for the holy city and for the people of God, every one crying: 'So be it,' Amen.

Most of the Rig-Vedic hymns, dedicated to the God Indra are poetries written by the royal poets or priests and it is human inductive intellectual process to the higher divine entity but there is no deductive process from the higher authority to certify this as acceptable to him and no certainty is guaranteed that he is pleased with this type of workshop. This is the big pitfall of human intellectual process from the early civilization to modern day to future civilization. We have a lot of divinely oriented poetry with very common subject matters to higher entities in most of the old civilizations that is dedicated to Various gods like Canaanite god Baal, equivalent of Indra (God of thunderbolt) of Vedic culture or Teshub (God of thunderbolt) of Hittite culture but these highly imaginative poetries lead us nowhere to have secured knowledge of truth with certainty and nobody have any certified authentic letter from divine godhead's acceptability . If no guaranty is achievable then everything is wrong and in vain.

....And The Bull, His father, El, replies:

"Baal is Thy slave, O Yam!

Baal is Thy slave O Yam!

Dagon's Son is Thy captive!

He will bring Thy tribute like the Gods.

Like the Deities, Thy gift!"...

And there went out Baal,

Verily ashamed is Aliyan Baal

And Prince Yam is, indeed, dead.

So let Baal reign!....

Baal returns to the throne of His kingship,

Dagon's son to the seat of His sovereignty....”

Some of the characteristics of Baal were similar to Indra as described in Rig-Veda as a killer of Vritra the dragon and Baal also was the killer of Dragon and seven headed serpent. The function of Middle Eastern demy-god Baal is very identical that of Indian demy-god Indra and possible route from Hittite minor gods flourished in imaginary mythical Indian supreme god by the hand of non-logical uncontrolled emotional poetry.

‘What enemy rises up against Baal,

What against Him who Mounteth the Clouds?

Have I not slain Sea, beloved of El?

Have I not annihilated River, the great god?

Have I not muzzled the Dragon, holding her in a muzzle?

I have slain the Crooked Serpent,

The Foul-fanged with Seven Heads.

I have slain the Beloved of the earth-deities,

But The Bible and Quran strongly both condemned the people who used to worship so called god Baal and Zarathrusta /Sukracharya condemned those who used to worship Indra, the deva.

“Then the sons of Israel again did evil in the sight of the LORD, served the Baals and the Ashtaroth, the gods of Aram, the gods of Sidon, the gods of Moab, the gods of the sons of Ammon, and the gods of the Philistines; thus they forsook the LORD and did not serve Him.” - Judges 10:6

“Will you continue to invoke Ba’l (as deity) and forsake the Creator Who creates everything in the best and most appropriate form and has the ultimate rank of creativity  — (Al Qurarn 37-125)

Even some time, there are true statement written with poetical format in one culture lead another culture to manipulate religious flavors for their own public field. Some verses from the book of Sikh religion, the Granth Sahed declare as follows-

“ Why does the Shaykh bother to go on pilgrimage to Mecca, if he is not content with himself?

*Kabeer, one whose heart is not healthy and whole – how can he attain his Lord?
||185||*

Kabeer, worship the Lord Allah; meditating in remembrance on Him, troubles and pains depart.

The Lord shall be revealed within your own heart, and the burning fire within shall be extinguished by His Name. ||186||

Kabeer, the Brahmin may be the guru of the world, but he is not the Guru of the devotees.

He rots and dies in the perplexities of the four Vedas. ||237||

“Fareed: O faithless dog, this is not a good way of life.

You never come to the mosque for your five daily prayers. ||70||

Rise up, Fareed, and cleanse yourself; chant your morning prayer.

*The head which does not bow to the Lord – chop off and remove that head. ||71||
That head which does not bow to the Lord – what is to be done with that head?*

*Fareed, those who are very proud of their greatness, wealth and youth,
shall return empty-handed from their Lord, like sandhills after the rain. ||105||*

Fareed, the faces of those who forget the Lord’s Name are dreadful.

*They suffer terrible pain here, and hereafter they find no place of rest or refuge.
||106||*

Fareed, if you do not awaken in the early hours before dawn, you are dead while yet alive.

Although you have forgotten God, God has not forgotten you. ||107||

*O Shaykh, dedicate yourself to God; you will have to depart, today or tomorrow.
||97||*

Fareed, the shore of death looks like the river-bank, being eroded away

(excerpt from verses Of Devotee Kabeer Jee and verses Of Shaykh Fareed Jee.
Grantha Sahed)

*“Let mercy be your mosque, faith your prayer-mat, and honest living your Koran.
Make modesty your circumcision, and good conduct your fast. In this way, you
shall be a true Muslim.*

*Let good conduct be your Kaabaa, Truth your spiritual guide, and the karma of
good deeds your prayer and chant.*

Let your rosary be that which is pleasing to His Will. O Nanak, God shall preserve your honor. ||1||

“There are five prayers and five times of day for prayer; the five have five names. Let the first be truthfulness, the second honest living, and the third charity in the Name of God.

Let the fourth be good will to all, and the fifth the praise of the Lord.

Repeat the prayer of good deeds, and then, you may call yourself a Muslim.

O Nanak, the false obtain falsehood, and only falsehood. ||3||

It is difficult to be called a Muslim; if one is truly a Muslim, then he may be called one.

First, let him savor the religion of the Prophet as sweet; then, let his pride of his possessions be scraped away.

Becoming a true Muslim, a disciple of the faith of Mohammed, let him put aside the delusion of death and life.

As he submits to God’s Will, and surrenders to the Creator, he is rid of selfishness and conceit.

And when, O Nanak, he is merciful to all beings, only then shall he be called a Muslim. ||1|| (Granthra Sahed, Section 06 – Raag Maajh – Part 047- 048)

The Sikh religion is deeply rooted on the teaching of Shiekh Farid during the Muslim Sultanate in Delhi around 12 century CE who tried to show there was no validity of idol worship and the reformation of Kabeer and Nanak in the following generations was hanged up between Islam and Hinduism and formed a new religion. He was a descendant of Omar Ibn Khattab, 2nd Khalif of Muslim Empire and wrote some Islamic poetry in old Panjabi language for preaching Islam in local community and his tomb still is remembered as a mazar-shrine in Pak Pathan in Panjab. There are many mystical poetries and folklores around his life scattered in Indian sub-continent equivalent to Dewan-e Shams -eTabrizi or Masnavi Rumi in Persian literatures . Within a few centuries this Punjabi Islamic poetry turned as different religious verses for Sikhism and same way Gujrati Islamic poetry written by some scholars turned as religious verses for Agakhani Ismailism. It is the derivational psychological brainwashing process of adding new godhead names to the long list from folklore prehistory to modern times and how corrupted political motivations create isolated sect of population with separate wishful believe system subservient to imperial law by deceitful nationalist identifiable political power struggles. But the inner meaning of the messages from those poetical verses lead them no enlightenment to individual or collective awareness.

Many religious text books are full of poetry and stories of folklore mixed up with spiritual flavor but only Al Quran clearly tell it had nothing to do with poetry and Quran condemns poetry for its individualistic emotional extravaganza without truth and reality.

“And We did not teach him poetry nor did We instruct him to play with poem or compose poetry nor does it befit him as a Messenger of Allah. What he discourses is indeed a divine message and nothing but a Quran that is intelligible, imparting illumination and enlightenment

(Al Quran 36-69)

“And the poets are followed as the exemplar or the model by those whose ruling passion conquers reason and they refer their course of action and way of life to the region of poetry or emotions and waste their days in vanity. Do you not see that they roam confusedly through the trackless realms of every valley of emotion, imagination and discourse!

(Al Quran 26-225)

Returning to the Acheamenid (Haxâmanishiya) Empire, we find a place mentioned in the Behistun inscriptions by Darius the great which had a population called Saka Huma Varga that is Soma drinking people. From the descriptions of Greek Historian we came to know the geography of that place was not suitable for agriculture and domesticated animals were very rear to have enough food for surviving. So they had to drink liquid soup type food which was made from wild seeds and barks of various plants. It was mostly made of ephedra, willows, poppies and cannabis and was exported to the cities like Bactria, Taxila which were connected with the Silk trade road from China to Europe. But this intoxicant drinking was incorporated in the religious texts of both Veda and Avesta with a promotion of spiritual dimension of high order by the intoxicated priests and poets and even today it is happening in same way.

There is some historical controversy how Darius came to the throne of the empire and what Darius described in the inscriptions also put question mark. Cyrus the great made a wall in the Caucasian highland on the request of the people but the Gog-Magog changed their routs to penetrate in the empire from farther east near the river Amu Darya area. Cyrus was planning to conquer Egypt but he got news that Massagette or Magogs were plundering in north-east boarder and he marched with a large forced in his eastern border to confront them. After the failed peace negotiation, in a unavoidable war at first a prince of Magog was killed in the battle. With a great fury the magog Queen gathered 3 hundred thousand male and 2 hundred thousand female forces from the north to revenge and killed Cyrus. Cambesys , son of Cyrus was appointed as the emperor in case of Cyrus got killed in the final battle. Cyrus had a bad dream where he found his empire was fallen into the hand of Darius, son of Vishtaspa. On Cyrus's request about the motive of Darius Vishtaspa

guaranteed him as very obedient and humbly royal to the emperor. Magog Queen's chief motive was to kill Cyrus any how to take revenge over her son's death and she succeeded in her ploy. Dead body of Cyrus was brought to the capital Parsagarda and his tomb still remained there after restored it by Alexander the great which was ruined during Greek invasion of Acheamenid Empire. During the time of Darius son the Greek city Athens was burned by the Persian, so during the time of Alexander, Parsagarde and Persepolis was burned for total destruction by the Greeks in revenge and retaliations and many historical important documents of the empire were lost. One of the disciples of Socrates, Xenophon wrote an encyclopedia named Cyropedeia about Cyrus the great as a model of standard king in the world as it should be.

Tomb of Cyrus the Great in Pasargadae

"O man, whoever you are and wherever you come from, for I know that you will come—I am Cyrus, son of Cambyzes, who founded the Empire of the Persians and was king of the Asia. Do not grudge me this spot of earth which covers my body"

As an Emperor, Cyrus's son Cambyses conquered Egypt but on his way to return to the capital he was found dead mysteriously and surprisingly Darius was head of the personal security guards of the Emperor Cambyses. .Cyrus's another son also found dead in the capital and with the help of seven Persian aristocrats Darius was ascended to the throne of the empire and within very short times those seven Persian got death penalty under Darius for corruption case. The whole situations had some discrepancies and many historians put a cross eye to Darius about un-usual death of two sons of Cyrus and even the descriptions of Darius himself in the Behistun rock edicts are not satisfactory and convincing at all.

*"11. (1.35-43.) Darius the King says: Afterwards, there was one man, a Magian, named Gaumata; he rose up from Paishiyauvada. A mountain named Arakadri – from there 14 days of the month Viyakhna were past when he rose up. He lied to the people thus: **"I am Smerdis, the son of Cyrus, brother of Cambyses."** After that, all the people became rebellious from Cambyses, (and) went over to him, both Persia and Media and the other provinces. He seized the kingdom; of the month Garmapada 9 days were past, then he seized the kingdom. After that, Cambyses died by his own hand."*

But Darius the great was very successful emperor and expanded the empire to the east up to Punjab, west up to Greece and Libya, north up to vast land of Magog or Massagate and south up to Ethiopian coastal area and took many ambitious projects to rule his empire comprising almost half of ancient world populations and dug a canal between red sea and river Nile to connect to Meridian sea-

---	---

Near the eastern province of Darius Empire, in inner north India another son of the priest Bhrigu, Chyawan by name was living as traditional way of priestly life and was famous for Ayurvedic treatment and most of the Ayurvedic treatise was originated in the Bhrigu's family. The descendant of this family was known as Vagharva Guthra for thousand years unparallel and unconnected with Hinduism. They lived in a remote place of Dhosi hills area in Haryana province of India and only in 1879 with the customary traditional purification process they converted to Hinduism and accepted in Hindu societies as a Vagharva Brahman guthra. They have business set up of traditional Ayurvedic remedies including Chyawanprash of health benefit as prescribed by Rishi

Bhrigu. On the other hand at almost same time, in a remote area between Pamir hill tracts and Hindukush Mountain there lived a tribe with traditional Persian old Avestan believe system and language. It was known as Kafiristan (land of ignorance) by the surrounding Muslims and in 1890 they converted to Muslim and from then the country is called Nuristan (land of enlightenment) .

After the fragmentation of Khsuan Empire into many small kingdoms, some scholars and priests with traditional believe system of the old tried to look back and find their position in the historical background. A new religion started to form from the nationalist ideology of the elite classes and the geographical location was known to Persian as land of Indus and from the Persian sources their believe system was known to the world as Hinduism and within few generations local priests themselves accepted it as their own identify though nowhere in their religious book this name is mentioned. So, this new religion named as Hinduism by itself is not from any divine origin. It was developed and flourished under the patronages of Gupta Dynasty in 5th century CE. But looking for their own identity they tried to understand their cosmological position on astronomical basis but failed to get a realistic foundation from their own and also from Babylonian and Greek sources. As they did not have any library full of clay tablets written about past glorious cultures as it is found in Babylonian cultures like a library of Assyrian king Ashur Banipal, they had to rely on unreliable oral traditions of generations after generations degradation memories with highly imaginative utopian dreams about their golden glorious past without any truth verification of the information they used. So, they had wrong foundation from the beginning about their religious cosmological starting point. They had some vague ideas of 4 yuga cycles corresponding to golden age, silver age, bronze age and iron age as their Sanskrit names with religious flavors : Satya Yuga, Treta Yuga, Dwapar yuga and kali yuga which was originated in Babylonian culture and described in a dream of the king of Babylon, Nebuchadnezzar.

Golden Age = Satya Yuga

Silver Age = Treta Yuga

Bronze Age = Dwapara Yuga

Iron Age = Kali Yuga

Scholars of Indian astronomers and writers of Puranas were debating whether Kali yuga had passed away or still running, but the most famous astronomer of India Aryabhatta declared Kaliyug virtually pop out in his mind from nowhere and there is no early Sanskrit text

or another text about it. All on a sudden, he told that his Sanskrit book Aryahartiya was composed on 3600 kaliyuga which corresponding to 499 CE when he was 23 years old and by calculating the difference he declared kaliyuga started on 3102 BEC, Not only that, he added 3102 BEC was the year when Mahabharata war ended and Lord Krishna accented to heaven and that's why kali yuga started as a symbol of age of darkness. There are some plagiarist theories that he might got a vague idea from various early sources such as Jews Hebcal calendar which corresponds at 5776 Jews lunar years in 2015. But we already found a upper and lower time-line for Mahabharata war, that is from 6 to 3 century BCE, so all the mythology of it that Indian and western oriental scholars supported for hundreds of years proved to be wrong and gone in vain.

From the ancient culture and time, astronomers tried to find a perfect year or great year or platonic year or supreme year which was ascending and descending movement of the sun of roughly 12000 year cycle which corresponded 24000 years of complete circle in geocentric system. But in modern heliocentric system it comprises 13000 years of solar movement in the galactic plane around the galactic core with 26000 years complete spiral circle. These 12000 years were divided 4 equal or unequal parts for 4 yuga cycle. Accordingly ratio of it was assumed as simple arithmetic as 4:3:2:1, so the length is 4800 years + 3600 years + 2400 years + 1200 years, for a total of 12,000 years cycle by early astronomers. So early Indian scholars thought kali yuga was comprised of 1200 years.

But next generation's Indian astronomers and scholars were expert to inflate everything in their cultures from the genealogy to chronology to the number of soldiers-horses-elephants of their most powerful godhead king-dynasties that once ruled the whole earth and they added a Deva-year or divine year (with assumption that one deva day is equal to one human year) to the yuga cycle which comprised 360 human year. So, in many Sanskrit texts the 12,000 year duration of the Yuga Cycle was artificially inflated to an abnormally high value of 4,320,000 (12000x360) years by introducing a multiplication factor of "360". The duration of the Satya yuga is therefore 4,800 x 360, or 1,728,000 years. The duration of the Tretā-yuga is 3,600 x 360, or 1,296,000 years. The duration of the Dvāpara-yuga is 2,400 x 360, or 864,000 years. And the last, the Kali-yuga, is 1,200 x 360, or 432,000 years.

MOTIONS OF THE SOLAR SYSTEM IN THE GALAXY

One spiral circle of solar system's movement in galactic plane comprises 26000 years.

But the period of kali yoga is highly unrealistic and improbable as per geographical and geological time scale of human existence on earth because there are three more yuga with abnormally large period of time connected with the whole cycle backwardly. They are more inflation on their mythology and added Brahma day which is 4320,000000 (12000x360x1000) normal years and Brahma year in the cycle.

“One day of Brahma (kalp) lasts a thousand cycles of the four ages (mahā yug) and his night also extends for the same span of time. The wise

who know this understand the reality about day and night.”(Bhagabat Gita 8-17))

From this verse of Bhagabat Gita, most of the early Indian Sanskrit cosmologists and their modern western counterparts both popularized a model of Brahma year comprised more than 300 trillion human years ($12000 \times 360 \times 1000 \times 360 \times 2$) which is bigger time scales than thousand times big crunches and big bangs combined inflations of modern cosmology and even greater than the imaginary inflationary Big Bang model of Allan Guth. So the cosmologists popularized a oscillating model of universe. This type of calculation was similar to Sumerian culture that was famous for inflation to show how long their kings ruled the earth.

“After the kingship descended from heaven, the kingship was in Eridu.

In Eridu, Alulim became king; he ruled for 28,800 years.

Alalgar ruled for 36,000 years.

Two kings; they ruled for 64800 years....

Five cities; eight kings ruled for 385,200 years.

Then the Flood swept over.” (Sumerian king list inscriptions)

But if we calculate the year as a day by dividing 360 factors, we find a realistic value of the period that a Sumerian king could rule. There is a great possibility that Sumerian kings list was inflated by “360’ factor from the mistranslation and computational error of 60 based numerical system into Akkadian/Babylonian 10 based numerical system as Brahma year was inflated in Indian cosmology by 360 multiplication factor twice, that 360×360 . A simple astronomical phenomenon was inflated by a religious flavor’s collaboration to an imaginary astounding spiritual scenario by one of the biggest mathematical blunders of the world from ancient up to present time and still plundering ghostly hunting manner in human intelligent mind like the modern mathematical blunders of black hole singularity, oscillating universe or multi-universe.

All the clay tablets and rock inscriptions in the cradle of the civilization of the world were written mostly for political purposes. Not a single tablet or rock inscription found in anywhere in the world was written for solely religious functions, even not a single king or emperor was interested whole heartedly to write any religious verdict of a prophet with a mandate of God’s messages because a monotheistic Supreme God was a threat to their political carrier. It reduced their political power to a certain label who used to utilize all kinds of social laws to subdue the people’s common welfare interest and willingness from the early times up to present days, so they sometime patron a favorable religious system which fulfill their dream. They want to stay themselves above

the religious verdicts as a godhead king representative of Supreme Being. So we find some kind of religious flavors underneath the all political systems. But a clay tablet can survive thousand years without any corruption, interruption and manipulation by any man made or natural calamity. It is a strange and great irony of the world history that we have no clay tablet or inscription written down by any prophet anywhere in the ancient world so that we could have uncorrupted version of their statements that was revealed to them from God.

From the clay tablets and rock inscriptions of Egypt, Hittite, Mitanni, Assyria, Babylonia, Persia, we have political messages of various types of peace treaties, negotiations and mutual understandings between the kings and emperors and underneath of these there were some kinds of religious messages of their respective believe systems but we never find them separately out of political structures. Some priest, monks, religious minded poets and scholars tried to write down their religious messages independently as best as they could individually or collectively but they always had to compromise with their respective political elites under where their professionalism survived by the royal treasury and could not go beyond their political ambitions and struggles for power . That's why there was corruption, misinterpretation, manipulation, textual variation and mixed up with several of mythological folklore fables. But publicly it was declared by royal decree or by priests or monks as a word of God for their own personal or collective benefits, Bible or Veda-Gita-Tripitaka, makes no different from the list. Even the names of those religious text books themselves are not authorized by divine order, or even the names of those religions themselves. All these are production of human intelligence and inductive process and many inductive statements by themselves proved to be human origin, not divine, like as this pessimistic voice of Rig-Veda

“None can know from where creation has arisen, and whether he has or has not produced it. He who surveys it in the highest heavens, He alone knows-or perhaps does not know.” (Rig Veda 10. 129)

Furthermore, all these religious texts were transformed from a dead language of a dead culture into a living language of their respective present culture which invalidates the original meaning of the message as revealed to their own messengers of God. But followers of them fight with one another about their high authorities and blame each other for contradictions and discrepancies and textual variations. The holy Quran strongly condemn them and warn about their pathological lairs composition.

“Woe to those who write the Scripture with their own hands, and then say, “This is from God,” that they may exchange it for a little miserable price. Woe to them for what their hands have written, and woe to them for what they earn.  (Quran 2-79)

“The Jews say, “The Christians are not based on anything;” and the Christians say, “The Jews are not based on anything.” Yet they both read the Scripture. Similarly, the ignorant said the same thing. God will judge between them on the Day of Resurrection regarding their differences.  (Al Quran 2-113)

“Will they then not ponder, and try to understand this Qur’an? If it had come from some other source than God, they would have found a great deal of contradiction in it.  (Al Quran 4-82)

“And if you be in doubt whether the Book We have sent down step by step, portion by portion to Our Servant is from Us or not, then produce, at least, one chapter like this. You may call all your associates to assist you and call anyone for witness to support you other than Allah. If you are truthful in your doubt, prove it  (Al Quran 2-23)

“Those infidels who have rejected the Message of the Prophet, say, “This (Al-Furqan) is a forgery which this man (Mohammed) himself has devised, and some others have helped him at it.” What a cruel injustice¹¹ and an impudent lie! They say, “These things are the fables of the ancients which he has got written down for himself, and then these are recited to him in the morning and evening  (Al Quran 25, 4-6)

“Declare to them: “Even if all human beings and Jinns combined all their resources to produce the like of this Qur’an, they would never be able to compose the like thereof, even if they backed up each other as best as they could”  (Al Quran17-88)

"Indeed it is a mighty book, falsehood cannot approach it (the Qur'an) neither from the front nor from behind. ; it is a disclosure of comprehensive knowledge, wisdom, and guidance authoritatively revealed by Him that proceeds portion by portion from One All-Wise , the Most Praiseworthy (God)

. (Al Quran-41-42)

"Had We sent down this Quran on a mountain, you would certainly have seen it falling down and splitting asunder, out of profound reverence for God. Thus We set forth parables to mankind so that they may

hopefully think logically and reflect before they react about it.

(Al Quran 59-21)

"This is a book of divine writ which We have bestowed upon thee from on high in order that thou might bring mankind, by their Sustainer's willingness, out of the depths of darkness into enlightenment: onto the way that leads near to the Almighty God who is Exalted in power, worthy of all praise!-

(Quran 14-1)

[And unto the enlightened and righteous soul it will be said] "O thou human being that hast attained to untroubled rest and inner peace, Return unto your Lord, well pleased yourself and well pleasing unto Him with supreme satisfaction. Enter you then among My honored devotees. And take up your abode in My Paradise, everlasting."

(Al Quran 89: 27-30)

Second chapter

Bible, Quran and kingdom of God

In the conjunction of two great cultures and civilizations, Semitic and Aryan, we found a Emperor under whom both were united in a first world Empire that nobody ever imagined before and that was the Emperor, Cyrus the great, as a model of perfect kingship that wise men of old, Socrates, Plato, Aristotle, Xenophon ever dreamed of. He was a messiah, anointed one, mentioned in the Bible by God himself to a gentile king that the chosen people of God, the Jews had to pay homage and honor.

But in the Holy Quran we find mentioned of the great king Dhul-Qarnayn by name that travelled to the north, east and west, to the known civilized people of his time and brought under his empire. For thousand years, Muslim scholars and for hundred years western scholars tried to pin point the historical king that could be Dhul- Qarnayn. Many have a vague idea that it might be Cyrus the great as described in the Bible but they did not have any definite prove and evident of it, now we look for the evident.

During the time of the Prophet Mohammed in Medina, surrounding Jews people tried to discredit and falsify him by asking many questions regarding their previous prophets and history to prove that he could not be a prophet of the same chain of order as he claimed to be because he could not have proper knowledge of Jews history which was only known to the highest rabbles and priests of their own. So, they asked the prophet about Dhul-Qurnayn that was one of top secret and hidden knowledge of them about their past and were sure of it could not possible for Mohamed to know anything about it. On these circumstances, some verses revealed to him in the Quran about Dhul- Qurnayn that satisfied the Jews rabbles and priests and they did not protest anything about it. Meaning of Dhul -Qurnayn in Arabic language is a person symbolized with a title of two horns, or who has two horns. But for Muslims scholars in next generations, it was a great difficulty and confusion to find who actually Dhul-Qurnayn was. The answer was hidden in Jews sources, in their religious scriptures and no Arabic translation was available to Muslim scholars for many centuries because it did not happened on those period. If we look at English translation of the book of Daniel from the Old Testament, we find the following-

*"Then I lifted up mine eyes, and saw, and, behold, there stood before the river **a ram which had two horns:** and the two horns were high; but one was higher than the other, and the higher came up last.*

⁴ *I saw **the ram pushing westward, and northward, and southward; so that no beasts might stand before him, neither was there any that could deliver out of his hand;** but he did according to his will, and became great.*

⁵ *And as I was considering, behold, a **he goat came from the west on the face of the whole earth,** and touched not the ground: and **the goat had a notable horn between his eyes.***

⁶ *And he came to the ram that had two horns, which I had seen standing before the river, and ran unto him in the fury of his power.*

⁷ *And I saw him come close unto the ram, **and he was moved with choler against him, and smote the ram, and brake his two horns: and there was no power in the ram to stand before him,** but he cast him down to the ground, and stamped upon him: and there was none that could deliver the ram out of his hand.---*

*The goat became very great, but **at the height of its power the large horn was broken off, and in its place four prominent horns grew up toward the four winds of heaven.....***

¹⁵ *While I, Daniel, was watching the vision and trying to understand it, there before me stood one who looked like a man. ¹⁶ And I heard a man's voice from the Ulai calling, **"Gabriel, tell this man the meaning of the vision."***

¹⁷ *As he came near the place where I was standing, I was terrified and fell prostrate. "Son of man,"^l he said to me, "understand that the vision concerns the time of the end."*

¹⁸ *While he was speaking to me, I was in a deep sleep, with my face to the ground. Then he touched me and raised me to my feet.*

¹⁹ *And he said, Behold, I will make thee know what shall be in the last end of the indignation: for at the time appointed the end shall be.*

²⁰ ***The ram which thou sawest having two horns are the kings of Media and Persia.***

²¹ *And the rough goat is the **king of Grecia:** and the great horn that is between his eyes is **the first king.** (Daniel 8)*

In Daniel's apocalyptic dream, a ram with two horns was symbolized as the king of Persia and Media and a goat with a notable horn between his two eyes was symbolized the kings of Greek and great horn of the goat is the first king as explained by Gabriel, the archangel of God. From the historical perspectives, Persia and Media were united under the emperor Cyrus the

great for the first time in recorded history, so the ram with two horns was symbolized as a title of Cyrus the great and the great horn of goat was symbolized as a title of Alexander the great, who was the first king of Greek empire. Persia-Median united Empire or Acheamenid Empire was destroyed by Alexander the great. So, the verse 20 of Daniel 8, where a ram with two horns was mentioned was the emperor Cyrus the great. If we look at the Arabic version of the same verse we find-

أَمَّا الْكَبَشُ الَّذِي رَأَيْتَهُ ذَا الْقَرْنَيْنِ فَهُوَ مُلْكُ مَادِي وَفَارِسَ

English transliteration is as –

Ammal khabash allaji rayaitah **dhul qurnayen** fahu muluk madi wa farasi.

“The ram which thou sawest having **two karnayim** are the melachim of Media and Paras (orthodox Jews bible)

(Hebrew: Ba`al Haqqerānayim מִיִּנְרָקָה לַעֲבָ)

In apocalyptic term dhul Qurnayen is a ram which had two horns. In Hebrew, it is called baal Haqqaranarim. So. A ram with two horns was symbolized as Dhul-qurnayn who was the king of Media and Persia and historically it was Cyrus the Great.

The dream of Daniel was going on as follows-

²² ***The four horns that replaced the one that was broken off represent four kingdoms that will emerge from his nation but will not have the same power.***

²³ *“In the latter part of their reign, when rebels have become completely wicked, a fierce-looking king, a master of intrigue, will arise. ²⁴ He will become very strong, but not by his own power. He will cause astounding devastation and will succeed in whatever he does. He will destroy those who are mighty, the holy people. ²⁵ He will cause deceit to prosper, and he will consider himself superior. When they feel secure, he will destroy many and take his stand against the Prince of princes. Yet he will be destroyed, but not by human power.*

²⁶ *“The vision of the evenings and mornings that has been given you is true, but seal up the vision, for it concerns the distant future.” (Daniel 7)*

Daniel was foretold by Gabriel, that Greek empire would be divided into four kingdoms very soon as it formed and another empire would emerge from the fragments of those kingdoms by a fierce looking king with astounding

success and that also would be destroyed but not by human power , with divine interception. That was definitely Roman Empire as per world history.

After handover the kingdom to the king Puru in India, descendant of king Yayati, on his way back to Macedonia, Alexander the great suddenly felt sick and died in Babylon in 323 BCE. He had a child son from princess Roxana of Bactria and all Greek Generals promised and took oath that Alexander's son would be future emperor. But shortly they broke the oath and started to fight to each other for controlling the empire, Roxana and her child son got killed and the empire broke into four kingdoms. One of the so called great emperor had the worst fate was tied up on his neck for his only child son.

There are some reports that one his way back from Egyptian invasion, Alexander was confronted by a Jews Priest outskirts of Jerusalem who read Daniel's book to him and warned him not to plunder the holy land of Jerusalem and advised to be faithful king according to the law of God, otherwise he would have worst fate without any inheritor as Daniel foretold because he was the goat with one horn and he would face sudden death at young stage because Daniel described at the height of its power the horn would be broken and unplugged.

*"Now then, I tell you the truth: Three more kings will arise in Persia, and then a fourth, who will be far richer than all the others. When he has gained power by his wealth, he will stir up everyone against the kingdom of Greece.³ Then a mighty king will arise, who will rule with great power and do as he pleases.⁴ After he has arisen, his empire will be broken up and parceled out toward the four winds of heaven. **It will not go to his descendants, nor will it have the power he exercised, because his empire will be uprooted and given to others.**" (Daniel 11)*

Alexander the great met his fatal mysterious unexplainable sudden death at young age only 33 years old in Babylon in the palace of Nebuchadnezzar and surprising enough it was same palace where Daniel used to work a royal servant as a captive slave to the king and had a dream of goat with one horn coming from the west centuries before and Archangel Gabriel interpreted the dream to Daniel. On the other hand, Dhul-Qurnayn, Cyrus the great, a ram with two horns, Daniel saw him standing by a river and Cyrus died in his final battle with Magog near the river Amu Darya at present time Tajikistan. It was the divine way that the fate of Alexander the great or the goat with one horn was tied up to his neck without any inheritor and even some wise men knew it but had no power or way to avoid the fatal consequences. This was report from Babylonian source-

"Alexander died between the evening of June 10 and the evening of June 11, 323 BC. This happened in the palace of Nebuchadnezzar II in Babylon. In February 324 BC, Alexander ordered his armies to prepare for the march to Babylon -According to Arrian, after crossing the Tigris Alexander was met by Chaldeans, who advised him

not to enter the city because their deity Bel had warned them that to do so at that time would be fatal for Alexander. The Chaldeans also warned Alexander against marching westwards as he would then look to the setting sun, a symbol of decline. It was suggested that he enter Babylon via the Royal Gate, in the western wall, where he would face to the east. Alexander followed this advice, but the route turned to be unfavorable because of swampy terrain. According to Jona Lendering, "it seems that in May 323" the Babylonian astrologers tried to avert the misfortune by substituting Alexander with an ordinary person on the Babylonian throne, who would take the brunt of the omen . The Greeks, however, did not understand that ritual."

Perhaps in his death bed in Nebuchadnezzar's palace in Babylon Alexander lamented on his own worst fate and powerless to his destined future written by God and tried to remember the echoed-voice of the Jews priest near Jerusalem who read the book of Daniel to him that he was one horn goat coming from the west, " *but at the height of its power the large horn was broken off*" and *he was leopard but on his back sitting,* " *four headed beast with four wings of a fowl*" and *,* " *his empire will be broken up and parceled out toward the four winds of heaven and it would not go to his descendant*". Even many priest of Babylon were very aware of the gravity of the situations but could not avoid the destined outcome. The Empire was divided in four parts between his four generals-

1. Cassander -- Greece
2. Lysimachus -- Asia Minor
3. Seleucus -- Syria, and Persia
4. Ptolemy -- Egypt.

Greek occupation and persecution of Jerusalem by Ptolemy and Seleucus turned it into a Hellenized version of Jews cultures. Antiochus IV seized power. He launched a campaign to crush Judaism, and in 167 B.C. he sacked the Temple. One of the first things that Antiochus did was to take control of the Temple through influencing the office of the High Priest. He removes the High Priest from his position and replaces him with a Jew that he has in his back pocket. From this point on the High Priesthood becomes, to a large extent, a corrupt institution.

"Not long after this, the king sent an Athenian senator to compel the Jews to forsake the laws of their fathers and cease to live by the laws of God, and also to pollute the temple in Jerusalem and call it the temple of Olympian Zeus. ("Reign of terror")

"Women who allowed their sons to be circumcised were killed with their sons tied around their necks. The scholars of Israel were hounded, hunted down and killed.

Jews who refused to eat pork or sacrifice hogs were tortured to death ... Even the smallest hamlet in Judah was not safe from the oppression of the Hellenists. The altars to Zeus and other pagan deities were erected in every village, and Jews of every area were forced to participate in the sacrificial services. (p. 63, *Echoes of Glory*)

Antiochus forbids keeping kosher and studying Torah. Torah scrolls are publicly burned, and swine are sacrificed over sacred Jewish books to defile them. Indeed, Antiochus seems obsessed by swine, knowing that this animal is particularly repugnant to the Jews; he even forces the High Priest to institute swine sacrifices in the Holy Temple in Jerusalem, and also to permit worship there of a whole array of Greek gods. (Maccabees 1:41-64.)

"His armed forces will rise up to desecrate the temple fortress and will abolish the daily sacrifice. Then they will set up the abomination that causes desolation.³² With flattery he will corrupt those who have violated the covenant, but the people who know their God will firmly resist him.

³³ *"Those who are wise will instruct many, though for a time they will fall by the sword or be burned or captured or plundered.³⁴ When they fall, they will receive a little help, and many who are not sincere will join them.³⁵ Some of the wise will stumble, so that they may be refined, purified and made spotless until the time of the end, for it will still come at the appointed time. (Daniel 11, 31-32)*

The corruption of the Temple and the forced Hellenization and persecution finally was assimilated in the mainstream Hellenized Judaism and the Temple of Jerusalem was fully surrounded by Hellenized Judean priests. . The sin of vast Greek Empire and the sin of its four kingdoms specially Seleucid kingdom and its king Antiochus IV who converted the temple of Jerusalem into a temple of Olympian Zeus and slaughtered swine in the altar of God and forced the citizens to eat its meat, was added burden sin to the shoulder of Alexander, the goat-horn.

Any state sponsored priesthood from the prehistory to modern to future times in the world is the spokesman of the intention of the power exercised, legally or illegally power struggled politics of state, it can never represent the real voice of God, even always suppress the real voice of God unless it has its own distinguished sovereign source of identity and integrity free of political motivated influences.

Anyway, we unearth some of the underneath background energy flows and invisible power that controls of the visible Hellenistic cultures that the

western world feels greatly proud of. Al Quran demands the western scholars to ponder on it deeply and find who has full control of all the matters visible or invisible. If they fail to comprehend the reality than indeed it is the worst miserable accumulated knowledge they compiled full of illusion of glorious traditions generations after generations of thousand years. For definitely, we know that King Pharaoh of Egypt during the time of Prophet Moses tried to repent when he was drown to death in river Nile but it was not accepted to God. We don't have any information if Alexander facing his intimate failure for this life and hereafter tried to repent or not. Same question also for Constantine at his death bed and most of the great kinds of the world. There is much historical documentation that Constantine was pagan when he held Nicaea council and at death bed he was baptized and converted to Trinitarian Christianity. But death bed repent is not acceptable to God as we see in the case of Pharaoh king Ramses II during the time of prophet Moses. Even the Trinitarian Christianity is not acceptable to God and there is no way Constantine could avert the greatest sin that he committed and escaped from the hell fire. So the preserved death body of Ramses II is the sign of God for future generations as well as Alexander and Constantine is also sign of God and example for the future generations as a fuel fire in hereafter and how the great kingship turns into nothing to save them from the punishment of this life as well as the hereafter but a mirage in the desert of cultural arrogant heritages and no priests can certify anything otherwise.

"We brought the tribe of Israel across the sea and Pharaoh and his troops pursued them out of tyranny and enmity. Then, when he was on the point of drowning, he said, 'I believe that there is no god but Him in whom the tribe of Israel believe. I am one of the Muslims.'

"Now", said Allah that you are besieged by horror and caught in the jaws of death, you are willing to submit when as yet you have withheld obedience and refused to conform to My will and you were a byword for wickedness arid infirmity of purpose."

"On this day We will deliver thee with thy physical form that thou be a sign to whoever is after thee. And, truly, many among humanity are ones who are heedless of Our signs.

(Al Quran 10. 90-92)

"Say (O prophet): "O Allah! Possessor of the kingdoms, You give the kingdom to whom You will, and You take the kingdom from whom You

will, and You endue with honor whom You will, and You humiliate whom You will. In Your Hand is the good. Verily, You are Able to do all things . You merge night into day and day into night; You bring the living out of the dead and the dead out of the living; You provide grace limitlessly for whoever You will.  (Al Quran 3-26/27)

 **“So that the followers of the Book may know that they do not control aught of the grace of Allah, and that grace is in Allah's hand, He gives it to whom He pleases; and Allah is the Lord of mighty grace.**  (Al Quran 59-29)

**“Praise be to the name of God for ever and ever;
wisdom and power are his.
²¹ He changes times and seasons;
he deposes kings and raises up others.
He gives wisdom to the wise
and knowledge to the discerning.
²² He reveals deep and hidden things;
he knows what lies in darkness,
and light dwells with him. (Daniel 2)**

Alexander the great was symbolized as goat with one horn and can be interpreted as a single emperor without any inheriting of his empire. Cyrus the great was symbolized as a ram with two horns, one was big and another was small, can be interpreted as emperor with inheriting one emperor with short period which was his son Cambyses. So, Cyrus can be excluded from Daniel's another dream of four beasts that symbolized a bear with three ribs holding in his teeth and as well as from the dream of Babylonian king of a large statue composed of gold, silver, bronze and iron.

There is another dream of Daniel as well as a dream of the Babylonian king Nebuchadnezzar which was very closely intertwined with each other's dream.

**⁴² Daniel spake and said, I saw in my vision by night, and, behold, the four winds of the heaven strove upon the great sea.
³ And four great beasts came up from the sea, diverse one from another.**

- ⁴ *The first was like a lion, and had eagle's wings: I beheld till the wings thereof were plucked, and it was lifted up from the earth, and made stand upon the feet as a man, and a man's heart was given to it.*
- ⁵ *And behold another beast, a second, like to a bear, and it raised up itself on one side, and it had three ribs in the mouth of it between the teeth of it: and they said thus unto it, Arise, devour much flesh.*
- ⁶ *After this I beheld, and lo another, like a leopard, which had upon the back of it four wings of a fowl; the beast had also four heads; and dominion was given to it.*
- ⁷ *After this I saw in the night visions, and behold a fourth beast, dreadful and terrible, and strong exceedingly; and it had great iron teeth: it devoured and brake in pieces, and stamped the residue with the feet of it: and it was diverse from all the beasts that were before it; and it had ten horns.*
- ⁸ *I considered the horns, and, behold, there came up among them another little horn, before whom there were three of the first horns plucked up by the roots: and, behold, in this horn were eyes like the eyes of man, and a mouth speaking many things boastfully.*
- ⁹ *I beheld till the thrones were cast down, and the Ancient of days did sit, whose garment was white as snow, and the hair of his head like the pure wool: his throne was like the fiery flame and his wheels as burning fire.*
- ¹⁰ ***A fiery stream issued and came forth from before him: thousand thousands ministered unto him, and ten thousand times ten thousand stood before him: the judgment was set, and the books were opened.***
- ¹¹ *I beheld then because of the voice of the great words which the horn spake: I beheld even till the beast was slain, and his body destroyed, and given to the burning flame.*
- ¹² *As concerning the rest of the beasts, they had their dominion taken away: yet their lives were prolonged for a season and time.*
- ¹³ *I saw in the night visions, and, behold, one like the Son of man came with the clouds of heaven, and came to the Ancient of days, and they brought him near before him.*
- ¹⁴ ***And there was given him dominion, and glory, and a kingdom, that all people, nations, and languages, should serve him: his dominion is an everlasting dominion, which shall not pass away, and his kingdom that which shall not be destroyed.***

The Interpretation of the Dream

¹⁵ “I, Daniel, was troubled in spirit, and the visions that passed through my mind disturbed me. ¹⁶ I approached one of those standing there and asked him the meaning of all this.

“So he told me and gave me the interpretation of these things: ¹⁷ ‘The four great beasts are four kings that will rise from the earth. ¹⁸ But the holy people of the Most High will receive the kingdom and will possess it forever—yes, for ever and ever.’

¹⁹ “Then I wanted to know the meaning of the fourth beast, which was different from all the others and most terrifying, with its iron teeth and bronze claws—the beast that crushed and devoured its victims and trampled underfoot whatever was left. ²⁰ I also wanted to know about the ten horns on its head and about the other horn that came up, before which three of them fell—the horn that looked more imposing than the others and that had eyes and a mouth that spoke boastfully. ²¹ As I watched, this horn was waging war against the holy people and defeating them, ²² until the Ancient of Days came and pronounced judgment in favor of the holy people of the Most High, and the time came when they possessed the kingdom.

²³ “He gave me this explanation: ‘The fourth beast is a fourth kingdom that will appear on earth. It will be different from all the other kingdoms and will devour the whole earth, trampling it down and crushing it. ²⁴ The ten horns are ten kings who will come from this kingdom. After them another king will arise, different from the earlier ones; he will subdue three kings. ²⁵ He will speak against the Most High and oppress his holy people and try to change the set times and the laws. The holy people will be delivered into his hands for a time, times and half a time.

²⁶ “‘But the court will sit, and his power will be taken away and completely destroyed forever. ²⁷ Then the sovereignty, power and greatness of all the kingdoms under heaven will be handed over to the holy people of the Most High. His kingdom will be an everlasting kingdom, and all rulers will worship and obey him.’

The Babylonian king Nebuchadnezzar himself also had very terrible dream which nobody could explain, very identical to the dream of Daniel but with different symbolism and all the astrologers failed to interpret and Daniel was called for explanation as like as the prophet Yusuf was called by the Egyptian king for the explanation of his dream of seven fat and weak oxen millennium years earlier-

“Thou, O king, sawest, and behold a large statue—an enormous, dazzling statue, awesome in appearance, whose brightness was excellent, stood before thee; and the form thereof was terrible.

- ³² *This image's head was of fine gold, his breast and his arms of silver, his belly and his thighs of bronze,*
- ³³ *His legs of iron, his feet part of iron and part of clay.*
- ³⁴ *Thou sawest till that a stone was cut out without hands, which smote the image upon his feet that were of iron and clay, and break them to pieces.*
- ³⁵ *Then was the iron, the clay, the bronze, the silver, and the gold, broken to pieces together, and became like the chaff of the summer threshing floors; and the wind carried them away, that no place was found for them: and the stone that smote the image became a great mountain, and filled the whole earth.*
- ³⁶ *This is the dream; and we will tell the interpretation thereof before the king.*
- ³⁷ *Thou, O king, art a king of kings: for the God of heaven hath given thee a kingdom, power, and strength, and glory.*
- ³⁸ *And wheresoever the children of men dwell, the beasts of the field and the fowls of the heaven hath he given into thine hand, and hath made thee ruler over them all.*
Thou art this head of gold.
- ³⁹ *And after thee shall arise another kingdom inferior to thee, of silver, and another third kingdom of bronze, which shall bear rule over all the earth.*
- ⁴⁰ *And the fourth kingdom shall be strong as iron: forasmuch as iron breaketh in pieces and subdueth all things: and as iron that breaketh all these, shall it break in pieces and bruise.*
- ⁴¹ *And whereas thou sawest the feet and toes, part of potters' clay, and part of iron, the kingdom shall be divided; but there shall be in it of the strength of the iron, forasmuch as thou sawest the iron mixed with miry clay.*
- ⁴² *And as the toes of the feet were part of iron, and part of clay, so the kingdom shall be partly strong, and partly broken.*
- ⁴³ *And whereas thou sawest iron mixed with miry clay, they shall mingle themselves with the seed of men: but they shall not cleave one to another, even as iron is not mixed with clay.*
- ⁴⁴ ***And in the days of these kings shall the God of heaven set up a kingdom, which shall never be destroyed: and the kingdom shall not be left to other people, but it shall break in pieces and consume all these kingdoms, and it shall stand for ever.***
- ⁴⁵ *Forasmuch as thou sawest that the stone was cut out of the mountain without hands, and that it brake in pieces the iron, the bronze, the clay, the silver, and the gold; the great God hath made known to the king what shall come to pass hereafter: and **the dream is certain, and the interpretation thereof sure.** (Daniel 2)*

For thousands years scholars and dream experts and astrologers are puzzling very much with interpretation of the dreams. Most experts interpret Daniel's dream of four beasts and king's dream on their own traditional perspective to support their socio-religious background and some scholars ridicule them as folklore fables of ancient times without any meanings mistakenly inserted in Bible and a few experts explain as Babylonian, Persian, Greek and Roman Empire succeeded one after another in a continuous series-

Lion with eagle wings	Babylonian Empire (Nebuchadnezzar)
Bear with three ribs holding in teeth of the mouth	Acheamenid Empire holding 3 continents, Asia, Europe, Africa. It included Indus valley, civilized parts of ancient India.
Leopard with four wings of fowl and a beast of four heads in its back	Greek Empire and its four divided kingdoms between his generals It included Greeceo- Bactrian kingdom.
Exceedingly strong dreadful beast with iron teeth and under ten horns there was a small horn with mouth and eye of a man	Roman Empire and its first ten persecuting kings, and the small horn with mouth and eye of man represent Constantine the great.

The Bible itself confirms these four symbolisms as Babylon, Persian, Greek and Roman Empire-

⁴ *The first [the Babylonian empire under Nebuchadnezzar] was like a lion and had eagle's wings. I looked till the wings of it were plucked, and it was lifted up from the earth and made to stand upon two feet as a man, and a man's heart was given to it.*

⁵ *And behold another beast, a second one [the Medo-Persian empire], was like a bear, and it raised up itself on one side [or one dominion] and three ribs were in its mouth between its teeth; and it was told, Arise, devour much flesh.*

⁶ *After this I looked, and behold, another [the Grecian empire of Alexander the Great], like a leopard which had four wings of a bird on its back. The beast had also four heads [Alexander's generals, his successors], and dominion was given to it.*

⁷ *After this I saw in the night visions, and behold, a fourth beast [the Roman empire]—terrible, powerful and dreadful, and exceedingly strong. And it had great iron teeth; it devoured and crushed and trampled what was left with its feet. And it was different from all the beasts that came before it, and it had ten horns [symbolizing ten kings]. (Amplified Bible, Classic edition AMPC)*

The dream of the king Nebuchadnezzar was a terrible statue of gold, silver, bronze and iron but the interpretation was identical with Daniel with different symbolizations as interpreted by Daniel himself-

Head of gold	Babylonian empire of Nebuchadnezzar
Breast and arms of Silver	Persian Empire (Acheamenid)
Belly and thighs of Bronze	Greek Empire and its four kingdoms
Leg and feet of clay and iron	Roman Empire and its western part that broke down as clay and eastern part, Byzantine Empire with strong iron feet

If we calculate time scale of these four empires without counting their overlapping position of each other as historical had happened, but only continuous inter connecting series than they are as follows-

Babylonian kingdom	609 BCE to 539 BEC
Persian Empire	539 BEC to 331 BCE
Greek Empire + 4 kingdoms	331 BEC to 168 BCE
Roman Empire	168 BCE to 476 CE western part,
Western empire + Eastern Byzantine empire	Byzantine became weakened and reduced in size on times but survive up to 1453 CE

Two apocalyptic dreams of Daniel and the apocalyptic dream of Babylonian king foretold about a fifth kingdom or empire would set up by God himself and hand over to a son of man coming with cloud of heaven. He would break the big terrible statue of gold, silver, brash and iron symbolized the four empires and idols worships of those location by throwing a stone without touching it and the stone was thrown outside from those empires . It is virtually "Kingdom of God" as described in bible. Many western scholars tried to interpret those dreams in favor of Christianity of European standard but failed measurably because the life story of Jesus Christ described in the new testaments did not match with surrounding circumstances of world history. Even most of secular scholars of high intelligential faculty fail to get a true world picture from those of dreams as a matter of scientific studies of political-geographical basis of the cradle of civilization in the Fertile Crescent. We will advance with real interpretation and explanation of those dreams and their great consequences for the world from the time of Babylon up the present time.

Al Quran put forward the following questions to the Archeologists, historians, anthropologists , eastern-western scholars to find a true answer for the destiny of all the ancients civilizations including kingdoms and

empires of Egypt, Sumerian, Babylonian, Hittite, Mitanni, Assyrian, Persian, Greek, Byzantine-

"Have they not travelled in the earth that they could see how they who passed before them met their fate? They were far greater (in number) than these people and mightier in power and (much more advanced) in respect of the remains and traces (as well) that (they) have left behind in the earth (as archeological sites). But whatever they used to earn brought them no benefit

(Al Quran 40-82)

"We had made them more powerful in the land than yourselves [the Meccans], sent down for them abundant water from the sky and gave them rivers that rolled at their feet. Yet because they sinned We destroyed them all and raised up other generations after them.

(Al Quran 6-5)

"All the Messengers that We sent before you, O Muhammad, were human beings, to whom We sent Our Revelations after choosing them from the people of their town. Have these unbelievers not traveled through the land and seen what was the end of those who passed away before them?

(Al quran 12-

109

But if they find only glorious of their achievements to be praised of superior cultures but nothing to learn from them than Quran warn them-

"Have they not journeyed through the land and employed the faculty of reason in forming conclusions and looked with their intellectual eyes to realize as much as their hearts may comprehend and their ears may hear! Indeed, it is not the eyes of the body that go blind but it is the eyes of the hearts in the breasts and those of the mind.

(Al Quran 22-46)

"They rejected the truth and counselled deaf to the Quran when it was presented to them to guide them into all truth. But soon shall they realize the truth of all that has been discoursed in this Quran which they hold up to ridicule.

(Al Quran 5-6)

If those dreams support Judaism and Christianity than it should be centralized in Jerusalem because most of the prophets including Jesus Christ were centralized there or Babylon (Hebrew and Arabic Babel: Bab+El, means Gateway of God), core center of those four empires but God said,

"I will punish the king of Babylon and his nation, the land of the Babylonians, for their guilt," declares the LORD, "and will make it desolate forever. (Jeremiah 25-12)

Mathew 23:37 "O Jerusalem, Jerusalem, thou that killest the prophets, and stonest them which are sent unto thee..."

Lamentations 1:8 "Jerusalem hath grievously sinned greatly and so has become unclean. all that honoured her despise her, because they have seen her nakedness: yea, she sigheth, and turneth backward.

Lamentations 2:13-14 " O daughter of Jerusalem? what shall I equal to thee, that I may comfort thee, O virgin daughter of Zion? for thy breach is great like the sea: who can heal thee? Thy prophets have seen vain and foolish things for thee: and they have not discovered thine iniquity, to turn away thy captivity; but have seen for thee false burdens and causes of banishment.

² And Jesus answered and said to him, "Do you see these great buildings (temple of jerusalem) ? Not one stone shall be left upon another, that shall not be thrown down." (Mark 13)

Jesus said: "If Jerusalem shall weep for her sins and do penance, walking in my ways, said God, "I will not remember her iniquities any more, and I will not do to her any of the evil which I have said. But Jerusalem weeps for her ruin and not for her dishonouring of me, wherewith she has blasphemed my name among the nations. Therefore is my fury kindled much more. As I live eternally, if Job, Abraham, Samuel, David, and Daniel my servants, with Moses, should pray for this people, my wrath upon Jerusalem will not be appeased." (GB 204)

On the other hand, disciples of Jesus in Jerusalem were called Nazarenes (pure monotheistic essence groups) not Christians, only some deviated group of people in Antioch called themselves Christians-

"A great multitude of the Jews and some of the Pharisees believed in Jesus, because the miracle was great. Those that remained in their unbelief departed and

went to Jerusalem and announced to the chief of the priests the resurrection of Lazarus, and **how that many were become Nazarenes** (Gospel of Barnabas 193)

“Then Barnabas went to Tarsus to look for Saul, ²⁶ and when he found him, he brought him to Antioch. So for a whole year Barnabas and Saul met with the church and taught great numbers of people. **The disciples were called Christians first at Antioch** (Act 11-26)

Historically Jerusalem was never a city of peace but it is one of the worst and cursed cities in the whole world. During its long history, Jerusalem has been destroyed totally at least twice, besieged 23 times, attacked 52 times, and captured and recaptured 44 times. This capturing and recapturing process when will end nobody knows. So it can not be the core city of the Kingdom of God. Catholic city of Christendom Vatican is full of statues and idols, so it is by default, also ruled out as a city of Kingdom of God.

So, Jesus Christ prophesied that temple of God would be demolished in Jerusalem for ever because it lost its high spiritual status and committed great sin. Even Jews still did not able to build the temple though they created Israel state there because nobody of them know exact location where Prophet Solomon built the sanctuary of God at first and they will add more sin to their shoulder it they build the temple in another location. On the other hand, Jesus Christ told-

***“The stone the builders rejected
has become the cornerstone”***

“Therefore say I unto you,” The kingdom of God shall be taken away from you (jews/ Christians) , and given to a nation (Arab/ muslims) bringing forth the fruits thereof. Anyone who falls on this stone will be broken to pieces; anyone on whom it falls will be crushed (Matthew 21, 43-44)

And God said-

“Behold, I make all things new ...I am the Alpha and the Omega, the Beginning and the End. I will give of the fountain of the water of life freely to him who thirsts. ⁷ He who overcomes shall inherit all things and I will be his God ...But the cowardly, unbelieving, abominable, murderers, immoral, sorcerers, idolaters, and all liars shall have their part in the lake which burns with fire and brimstone, which is the second death. (Revelation 21)

"New Jerusalem (Darussalam), coming down out of heaven from God, prepared as a bride adorned for her husband. ³...And I heard a loud voice from heaven saying, "Behold, the tabernacle of God is with men, and He will dwell with them, and they shall be His people. God Himself will be with them and be their God. (Revelation 21)

*"And the name of the city from that time on will be **"THE LORD IS THERE."** (Ezekiel 48)"*

That is house of God (Bait al Allah)

(اسْمُ الْمَدِينَةِ اللَّهُ هُنَاكَ) "Ismu Madina Allah Hunaka" (Arabic Bible)

*"And I will shake all nations, and the Himda (Hamed, Ahmed) of all the nations will come; (Hebrew : ve yavu himdath kol haggoyim) and I will fill this house with glory, says the Lord of hosts. Mine is the silver, mine is the gold, says the Lord of hosts, the glory of my last house shall be greater than that of the first one, says the Lord of hosts; and in this place I will give shalom (peace -Salam), says the Lord of Hosts (**Haggai 2:7-9**)*

So, God will demolish the temple of Jerusalem for it's great sin of killing many prophet and disobeying his commands as he destroyed Babylon, kingdom of God will be taken away from them and will given to another people and he will flourish a new Jerusalem with a greater temple than the demolished one and make a new covenant with another people and he will write his commands in their hearts to be memorized so that they will not forget anymore his command and the new city of Jerusalem will be called, "God is here' or "God live there", in Arabic terms, "Baitullah'or "house of Allah', and Arabic bible use also same term and God will bless it with peace. Jews name Jerusalem and Arabic name Darussalam both mean,' abode of peace". It will be in valley of Bacca where people of Kader (descendants of Prophet Ishmael) lived and that place is thousand times better than other place. And people will remember and recite his voices and not a single dot will be thrown away .And God has chosen a servant who will bring justice to the nations and he will be a light to the gentles and he is the prince of peace. The people who worship idols will be ashamed of their deeds. Many nations are competing with each other with a patriarch father , Abraham, somebody (Jews and Christian) tell he is their prophet and somebody (Hinduism) tell he is their supreme god and disputing with each other-

"O people of the Scripture (Jews and Christians)! Why do you dispute about Ibrahim (Abraham), while the Taurat (Torah) and the Injeel (Gospel) were not revealed till after him? Have you then no sense?"

"Verily, you are those who have disputed about that of which you have knowledge. Why do you then dispute concerning that which you have no knowledge? It is Allah Who knows, and you know not."

"Abraham was neither a Jew nor a Christian; he was a Muslim, upright believer free from all falsehood, wholly devoted to God. And he certainly was not amongst polytheists who associate others with Allah in His divinity . (Al Quran 3, 65-67)"

"And We praised his name to fame that he be honoured by those to come of future and later generations," Peace be unto Ibrahim from Allah and His angels and from succeeding generations  (Al Quran 37, 108-109)"

"And I will make you a great nation, And I will bless you, And make your name great; And so you shall be a blessing; And I will bless those who bless you, And the one who curses you I will curse. And in you all the families of the earth will be blessed (Genesis 12:3)"

*"When the Son of Man comes in His glory, and all the holy angels with Him, then He will sit on the throne of His glory. "All the nations will be gathered before Him, and He will separate them one from another, as a shepherd divides his sheep from the goats. "And He will set the sheep on His right hand, but the goats on the left. "Then the King will say to those on His right hand, **'Come, you blessed of My Father, inherit the kingdom prepared for you from the foundation of the world:** (Matthew 25:31-34)*

*"Do not think that I came to abolish the Law or the Prophets; I did not come to abolish but to fulfill. "For truly I say to you, until heaven and earth pass away, **not the smallest letter or stroke shall pass from the Law** until all is accomplished..."*
Matthew 5:17

***"Anyone who breaks one of the least of these commandments and teaches others to do the same will be called least in the kingdom of heaven,** but whoever practices and teaches these commands will be called great in the kingdom of heaven."*

For I tell you that unless your righteousness surpasses that of the Pharisees and the teachers of the law, you will certainly not enter the kingdom of heaven." (5:19-20)

But many commandments and the law of the prophet were broken and abolished, so God declared-

*"Behold, the days are coming, declares the Lord, when I will make a new covenant ...not like the covenant that I made with their father and they broke... **I will put my law within them, and I will write it on their hearts. And I will be their God, and they shall be my people.** And no longer shall each one teach his neighbor and each his brother, saying, 'Know the Lord,' for they shall all know me..." (Jeremiah 31:31-34)*

***Jesus said,"For the time draweth near when that shall be done of which our God spoke by Hosea the prophet, saying: "I will call chosen the people not chosen." And as he saith in Ezekiel the prophet: "God shall make a new covenant with his people, not according to the covenant which he gave to your fathers, which they observed not and he shall take from them a heart of stone, and give them a new heart": and all this shall be because ye walk not now in his law. And ye have the key and open not: rather do ye block the road for those who would walk in it.'** (Gospel of Barnabas 67)*

"Here is my servant, whom I uphold,("Behold, 'My Servant' (pronounced as Abd-ee), 'whom I uphold' (pronounced as Atmak hebrew: Atmak is אֶתְמַךְ. Ahmad is אֶחְמַד)

***my chosen one in (Mustafa) whom I delight;
I will put my Spirit on him,
and he will bring justice to the nations...***

⁶ *"I, the LORD, have called you in righteousness;
I will take hold of your hand.*

***I will keep you and will make you
to be a covenant for the people
and a light for the Gentiles,***

⁷ *to open eyes that are blind,
to free captives from prison
and to release from the dungeon those who sit in darkness.*

⁸ "I am the LORD; that is my name!

**I will not yield my glory to another
or my praise to idols.**

⁹ See, the former things have taken place,
and new things I declare;
before they spring into being
I announce them to you."

¹⁰ Sing to the LORD a new song,
his praise from the ends of the earth,
you who go down to the sea, and all that is in it,
you islands, and all who live in them.

¹¹ **Let the wilderness and its towns raise their voices;
let the settlements where Kedar lives rejoice.**

¹⁴ "For a long time I have kept silent,
I have been quiet and held myself back...
along unfamiliar paths I will guide them;
I will turn the darkness into light before them
and make the rough places smooth.
These are the things I will do;
I will not forsake them.

¹⁷ **But those who trust in idols,
who say to images, 'You are our gods,'
will be turned back in utter shame.** (Isaiah-42)

"How lovely is your dwelling place,
LORD Almighty?

² My soul yearns, even faints,
for the courts of the **LORD**;
my heart and my flesh cry out
for the living God...
a place near your altar,
LORD Almighty, my King and my God.

⁴ **Blessed are those who dwell in your house;
they are ever praising you.** [c]

⁵ **Blessed are those whose strength is in you,
whose hearts are set on pilgrimage.**

⁶ **As they pass through the Valley of Baka,
they make it a place of springs;
the autumn rains also cover it with pools.....**

Better is one day in your courts

than a thousand elsewhere;

*I would rather be a doorkeeper in the house of my God
than dwell in the tents of the wicked. .(Psalm 84)*

*"Behold, the first Sanctuary appointed for mankind was that at Becca, a
blessed place, a guidance to the peoples (Al quran 3-96)*

*"For to us a child is born, to us a son is given and the authority is upon his
shoulder and the wonderful messenger of great counsel; the mighty God, the
everlasting patron called his name, "prince of peace"- (Isaiah 9/6)*

*"Verily Allah and His angels extend mercy and blessings to the
Prophet. O you whose hearts have been touched with believe: invoke Allah's mercy
and blessings on him and salute him: "Peace be upon him".*  *(Al Quran 33-56)*

*"We did not send you O Muhammad for a reason other than to
symbolize, and serve as an embodiment of mercy to mankind*  *(Al Quran 21
107)*

*"Jesus sent out the twelve apostles with these instructions: "Don't go to the
Gentiles or the Samaritans (Matthew 10:5)*

*But He answered and said, "I was sent only to the lost sheep of the house of
Israel." (Matthew 15:24)*

*And He said to them, "Then render to Caesar the things that are Caesar's, and
to God the things that are God's." (Luke 20:25)*

*"But when He, the Spirit of truth, comes, He will guide you into all the truth;
for He will not speak on His own initiative, but whatever He hears, He will speak; and
He will disclose to you what is to come (John 16-13)*

¹⁶ *And I will ask the Father, and he shall give you another Paraclete, that he may
abide with you for ever. (John 14:16) Douay-Rheims 1899 American Edition (DRA)*

*"And when Jesus, son of Mary, said: "O children of Israel, I am
God's messenger to you, authenticating what is present with me of the Torah and*

bringing good news of a messenger to come after me whose name will be Ahmed."
But when he showed them the clear proofs, they said: "This is clearly magic.

"(Al Quran 61-6)

David Benjamin Keldani (1928), have argued the theory that the original Greek word used was *periklytos*, meaning famed, illustrious, or praiseworthy, rendered in Arabic as *Ahmad* (another name of Muhammad), and that this was substituted by Christians with *parakletos*. Furthermore, Ahmed is clearly identifiable in Haggai 2: 7-9, Isaiah 24: 23 & Malachi 3: 1 Bible OT.

So, The kingdom of God is taken out from destructed Jerusalem and given to another people of new Jerusalem (Darussalam) in the valley of Bacca where the descendants of kedar (2nd son of Ismail, grandson of prophet Abraham) lives and idols will not be worshiped anymore and sanctuary of God is purified from all sorts of symbolized images and illuminated forever. It will be a place where God will bestow blessing and peace by a prince of peace and its people will remember God's command from A to Z, not a single dot will be thrown out because God himself will write it on their hearts of successive generations continuously and takes responsibility of reserving it personally. So, any place of temple where curved stone of sculptures erected, where idols were worship that temple is outside of the kingdom of God. The church of Rome or St. Peter Basilica of Vatican is full of idols and many statues of Egyptian , Babylonian gods including the statues of Mithras, Constantine , Mother of Mary , Jesus Christ , many popes and 140 decorated large sculptures standing firmly and high authorities of it openly kicked away the commandments of Moses, so those churches are outside of kingdom of God as prescribed in the Bible . Catholic Vatican Church is the modern incarnation and more sophisticated version of that temple of Nimrud and is only comparable with temple full of idols during the time of Sumerian king Nimrud where Prophet Abraham destroyed all the idols save big one to be asked for a answer who destroyed them, a couple of millennium years ago.

"We directed Ibrahim to reasoning and to employ the faculty of reason in forming conclusions and We were fully aware of his thoughts and of his innermost being. He asked his father and his people: "what are these statues and images you regard with reverence and veneration"! They said: "we found our fathers revering them and adoring them with appropriate acts and rites". "But you and your fathers", said Ibrahim, "were erroneous indeed in your system of faith and worship "Have you brought us the truth," they asked, "or are you one of those who make this the object of a joke"! "But your Allah", said Ibrahim, is the Creator of the heavens

and the earth Who generated them and brought them into existence and to this effect I sincerely bear witness". "And, by Allah", said Ibrahim, "I will plot down your idols to dethrone them after you have gone and turned your backs". And so he reduced them -the idols- into a useless form except their biggest, so that they might turn to it for information. And when they returned, they exclaimed: "He who has done this to our gods is indeed wrongful of actions

Some of them said: "we heard a young man by the name of Ibrahim cursing them and calling them names". "Bring him here before the people", they said, "so that they may witness with their own eyes the consequence, for he -Ibrahim- has much to answer for".

And when he was brought over, they asked him: "Was it you Ibrahim who did this to our gods"! But it was their chief who did it", Said Ibrahim; ask them if they are able to talk!" And there, they blamed themselves saying: "You are indeed the wrongful of actions"

But, overturned by imprudence in their minds and by subversion of reason, they said to him: "You knew very well that these idols do not talk!" "Do you worship besides Allah," ask Ibrahim, "objects neither profit you nor can do you harm," Fie on you and on those objects you worship besides Allah; can you not think in a sensible and logical manner and employ the faculty of reason in forming conclusions!"

"Nevertheless", they said, "burn him and uphold your gods if indeed you intend to maintain our system of faith and worship and sustain it against criticism We said: "O fire! be cool and maintain your coolness and afford Ibrahim safety and security" and We graced him with peace of mind.  (Al Quran 21: 53-70)

There are much strong Biblical arguments against the idols and statues erected in any temple -

*"Those who make an image, all of them are useless,
And their precious things shall not profit;
They are their own witnesses;
They neither see nor know, that they may be ashamed.*

¹⁰ *Who would form a god or mold an image*

That profits him nothing?

¹¹ *Surely all his companions would be ashamed;*

And the rest of it he makes into a god,
His carved image.
He falls down before it and worships it,
Prays to it and says,
“Deliver me, for you are my god!”

¹⁸ They do not know nor understand;
For He has shut their eyes, so that they cannot see,
And their hearts, so that they cannot understand. (Isaiah 44)

“You shall not make idols for yourselves or erect an image or pillar, and you shall not set up a figured stone in your land to bow down to it, for I am the LORD your God.....

¹⁴ “But if you will not listen to me and will not do all these commandments,

²¹ “Then if you walk contrary to me and will not listen to me, I will continue striking you, sevenfold for your sins.

²³ “And if by this discipline you are not turned to me but walk contrary to me,
²⁴ then I also will walk contrary to you, and I myself will strike you sevenfold for your sins.
Bible – Leviticus-26

“² You shall utterly destroy all the places where the nations which you shall dispossess served their gods, on the high mountains and on the hills and under every green tree. ³ And you shall destroy their altars, break their sacred pillars, and burn their wooden images with fire; you shall cut down the carved images of their gods and destroy their names from that place. (Deuteronomy 12)

³² **“Whatever I command you, be careful to observe it; you shall not add to it nor take away from it.(Deuteronomy 12)**

Some polytheists of high educated mind feel proud to have many gods and idols and whenever some old god's name and idols found in any archeological excavations anywhere in the world they added those gods in their gods list and say, those gods are of their forefathers of early civilizations. So they have a great genealogy of gods from a couple of millenniums. But those clusters of thousands of gods from Egypt, Babylon, Hittite, Mitanni, Assyria, Persia, Greek, Roman will not lead them any spiritual satisfaction, rather than harden their mind with twisted logical fallacy.

“O mankind! Here is a parable set forth for your understanding, so listen to it carefully. Those deities whom you call besides Allah, cannot create a single fly, even if they all combined their forces, rather, if a fly snatches away anything from them they cannot even get it back; how feebleminded are the supplicants and how powerless are those whom they supplicate!”  (Al Quran 22-73)

Those who are lightly enlightened from thousand gods to reduced three godheads as Christianity and Hinduism, for them Al Quran post forward the following statements-

“Certainly infidels are those who say: "God is the third of three in trinity; and in no way there is any other god but the one Allah,, the Absolute, and the Creator of the universe. Unless they refrain from saying that lines of foolish thought, grievous suffering is bound to befall such of them as are bent upon denying the Truth.”  (Al Quran 5-73)

“O people of the Book, do not exceed the limits of devotion in your religion or say anything about God which is not the Truth. Jesus, son of Mary, is only a Messenger of God, His Word, and a spirit from Him whom He conveyed to Mary. So have faith in God and His Messengers. Do not say that there are three gods. It is better for you to stop believing in the Trinity. There is only One God. Far is it removed from His Transcendent Majesty that He should have a son. To God belongs all that is in the heavens and the earth. God alone is a Sufficient Guardian for all.”  (Al Quran 4-171)

“Those who call themselves Christians, We took their covenant, but they have abandoned a good part of the Message that was sent to them. So We planted amongst them enmity and hatred till the Day of Resurrection (when they discarded Allah's Book, disobeyed Allah's Messengers and His Orders and transgressed beyond bounds in Allah's disobedience), and Allah will inform them of what they used to do.”  (Al Quran 5-14)

*"We have sent down Torah with emphasis on the spirit of truth guiding into all truth and to bring intellectual illumination and enlightenment. We made it the standard of judgment and the canon law by which the Prophets, who conformed to Islam, would administer righteousness and justice between the Jews. And so would the rabbis and the canonists who were entrusted with it as the guide Book where Providence is the guide and were witnesses to its divinity. Therefore, do not fear the people but fear me. Nor should you exchange the truth of my revelations and of -the mission of My Messenger- for the vanity of the fleeting and ephemeral world. **And remember that he, who does not judge matters according to the rules revealed by Allah, will have denied Allah. Such persons are indeed infidels.***

(Al Quran 4-44)

"Then in their footsteps, We followed them up with more of Our messengers. We sent after them Jesus the son of Mary, and bestowed on him the gospel, and We ordained in the hearts of those who followed him, compassion and mercy. But monasticism which they invented for themselves, We did not prescribe for them. We asked only the seeking for the grace of God, but that, they did not develop as they should have. Still We bestowed on those among them who believed, their reward, but many of them are rebellious transgressors.

(Al Quran 57-27)

"Then sent 'Isa, the son of Maryam, to succeed the Jewish Prophets to corroborate faith in AL-Tawrah set before him and We graced him with AL-Injil guiding to all truth and imparting intellectual illumination and enlightenment, confirming the statutes set forth in AL-Tawrah and serving as the spirit of truth that guides to all truth and as an admonition to those who entertain the profound reverence dutiful to Allah.

(Al Quran 5 -46)

"Indeed, the Messiah, the son of Maryam, was no more than a Messenger; many Messengers like him have passed away before him. His mother was a woman vested with saintliness of life and character; she and her son consumed food. See how We expound to them Our revelations, yet you see how they are deluted away from the truth"

(Al Quran 5-75).

"Then Jesus, having lifted his hand in token of silence, said: `Verily ye have erred greatly, O Israelites, in calling me, a man, your God. And I fear that God may for this give heavy plague upon the holy city, handing it over in servitude to strangers. O a thousand times accursed Satan, that hath moved you to this!'

*" And having said this, Jesus smote his face with both his hands, whereupon arose such a noise of weeping that none could hear what Jesus was saying. Whereupon once more he lifted up his hand in token of silence, and the people being quieted from their weeping, he spake once more: **`I confess before heaven, and I call to witness everything that dwelleth upon the earth, that I am a stranger to all that ye have said; seeing that I am man, born of mortal woman, subject to the judgement of God, suffering the miseries of eating and sleeping, of cold and heat, like other men. Wherefore when God shall come to judge, my words like a sword shall pierce each one [of them] that believe me to be more than man.'** (GB 93)*

"In fact, those whom you worship besides God are but names of objects you and your forefathers wrongfully have designated as gods; a system of faith and worship God has never authorized. Indeed, decision, command and judgement are asserted only to God along, He ordained that you worship no one but Him. This is the right system of faith and worship but most people do not perceive this fact."  (Al Quran 12-40)

But some people turned away from truth and non functional arithmetical way use their logic to combined their thousand gods together and make a new god of their own incomprehensible term-

"A THOUSAND heads hath Purusa, a thousand eyes, a thousand feet.
On every side pervading earth he fills a space ten fingers wide.
2 This Purusa is all that yet hath been and all that is to be;
The Lord of Immortality which waxes greater still by food.
3 So mighty is his greatness; yea, greater than this is Purusa.
All creatures are one-fourth of him, three-fourths eternal life in heaven (Rigveda 10-090)

*5. I will sacrifice unto Mithra, the lord of wide pastures, who has a thousand ears, ten thousand eyes. I will sacrifice unto the club of Mithra, the lord of wide pastures, **well struck down upon the skulls of the Daevas***
.('Khorshed Yasht)

Both The Bible and the Quran demands the evident of authentic certified letter of power of Attorney from God for idol worship-

***"They have no knowledge, who carry the wood of their carved image,
And pray to a god that cannot save.
Tell and bring forth your case; Yes, let them take counsel together.
Who has declared this from ancient time?
Who has told it from that time? Have not I, the Lord?
And there is no other God besides Me, a just God and a Savior;
There is none besides Me.
Look to Me, and be saved, all you ends of the earth!
For I am God, and there is no other."*** Isaiah 45:20-22

The Bible has some serious allegations and great accusations of crimes and sins against the little horn with eye and mouth of a man which came after three horns were plugged out of the terrible beast with ten horns of the fourth beast which perfectly fits with historical setting of the Emperor Constantine's life. In Jews orthodox bible the fourth beast is entitled as anti-messiah.

"And he (Anti-Moshiach) shall speak great words against Elyon, and shall wear out the kadoshim Elyon, and think to change set times (of sacred feasts and holy days) and law, and they shall be given into his hand until a time and times and half a time.

But judgment was given, and there was taken away its [Anti-Moshiach's] power to destroy and to annihilate unto the end. (Daniel 7, 25-26)

- 1 He spoke boastfully against the most high
- 2 He tried to change the divine law
- 3 He tried to change the set of times
- 4 He persecuted the saints of the most high.

"He will speak against the Most High and oppress his holy people and try to change the set times and the laws. The holy people will be delivered into his hands for a time, times and half a time."

From Catholic history it is well known about the ten pagan Roman kings symbolized as ten horns of the fourth beast who used to persecute Christian people but all the western scholars and their disciples of Oriental scholars together are totally silent about the little horn with eye and mouth of a man who boastfully talk against the most high.

1. Nero (64 A.D.)
2. Domitian (c.90-96)
3. Trajan (98-117)

4. Hadrian (117-138)
5. Marcus Aurelius (161-181)
6. Septimus Severus (202-211)
7. Maximus the Thracian (235-251)
8. Decius (249-251)
9. Valerian (257-260)

10. Diocletian / Galerius (303-311)

Emperor Constantine had three competitors symbolized as unplugged three horns (Maximian, Maxentius and Licinius) for the throne of Roman Empire and he subdued them one by one successfully and ascended to the throne (306-337 CE). But by that time teaching of Jesus Christ was already half way to paganism by the hands of some deviated groups with the help of the ten pagan kings who forced them to follow many Roman pagan cults. On the other hand, Roman paganism also was half way to Christianity by the preaching of followers of those deviated groups who had a compromising mentality between paganism and monotheism. So, he had a good and suitable position to make a hybrid religion under his command which would be a common state religion for everybody in his empire. So he had to set up a religious commonwealth composition of both side by changing some of the laws and timetable of religious festivals which would be acceptable to his vast pagan population and forced minor Christian people to abide by empire's royal law with mutual compromises. A new religion was artificially formed with hybrid of paganism, Mithraism, Saturnalia, Scandinavian Santa Claus and Christian dress code. So he broke divine commandment of Moses by changing from Saturday to Sunday which is day of sun god, promoted the status of Jesus Christ from a prophet to one third of three godheads and 25th December was accepted as religious festival of Christmas which was the birthday day of sun god. But there was a puritan movement of that started during the lifetime of Jesus Christ with his original disciples and they were called, 'Nazarenes, essence groups', they were the followers of Jesus Christ's real monotheistic teachings. It was very much alive and booming under Arius of Alexandria who opposed all these changing and very powerful and popular in North Africa and eastern shore of Mediterranean Sea. Western shore of Mediterranean Sea was already perverted by the teachings of Paul of Tarsus enough to be fully under Constantine's control and command. Constantine called a council in Nicaea in 325 CE just to deal with any opposition and humiliate Arius and his supporters and sealed up the fate of western Catholic Christianity forever by the help of hundreds of proxy Priests-Monks-Bishops-Archbishops who sold their soul with a miserable price. All those charges above mentioned against the small horn with eye and mouth of man is applicable solely to Constantine the great.

Arius strongly opposed the idea of 'son of God' nature of Jesus Christ divinity of a third in trinity of one Godhood. He had very simple logic, meaning of son by default itself is time variable and cannot be internal. " *if the Father begot the Son, he that was begotten had a beginning of existence: and from this it is evident, that there was a time when the Son was not. It therefore necessarily follows, that he [the Son] had his substance from nothing* "

Arius emphasized the supremacy and uniqueness of God the Father, meaning that the Father alone is infinite and almighty, and that therefore the Father's divinity must be greater than the Son's. Arius taught that the Son had a beginning, contrary to Origen, who taught that the Son was less than the Father only in power, but not in time. Arius maintained that the Son possessed neither the eternity nor the true divinity of the Father, but was rather made "God" only by the Father's permission and power, and that the Logos was rather the very first and the most perfect of God's productions.

Same line of thought emphasized in the gospel of Barnabas and also in the Holy Quran that Jesus and mother Mary used to drink and eat food but God Almighty drink not eat not, so they cannot have any divinity of Godhood.

But Emperor Constantine put a royal decree that anybody believe or act against what he prescribed as catholic religion should be persecuted and should not have any place in his empire. All the books of Arius of Alexandria were burned and all the puritan movements were suppressed by strong royal hand. Council of Nicaea passed a decree named Nicene Creed presided over by Constantine, authorized by Constantine and after it was revised in Constantinople. But it contradicts the New Testament which is the religious text books of Christianity. It is one of the biggest dilemma of identity crisis of Christianity to reconcile between their religious text book and practice which western scholars ultimately fail to resolve. No intellectual being in whole world can reconcile Nicaea creed with religious text unless in near future if there is another council of the priests, monks, bishops, archbishops of the Christendom together to nullify the Nicaea Creed and free the western intellectuals from its illogical, unintelligible non bearable burden so that they can recognize the real truth and message of their religious text.

First Council of Nicea (325)

We believe in one God, the Father Almighty, Maker of all things visible and invisible.

First Council of Constantinople (381)

We believe in one God, the Father Almighty, Maker of heaven and earth, and of all things visible and invisible.

And in one Lord Jesus Christ, the Son of God, begotten of the Father [the only-begotten; that is, of the essence of the Father, God of God,] Light of Light, very God of very God, begotten, not made, being of one substance with the Father;

By whom all things were made [both in heaven and on earth];

Who for us men, and for our salvation, came down and was incarnate and was made man;

He suffered, and the third day he rose again, ascended into heaven;

From thence he shall come to judge the quick and the dead.

And in the Holy Ghost.

[But those who say: 'There was a time when he was not;' and 'He was not before he was made;' and 'He was made out of nothing,' or 'He is of another substance' or 'essence,' or 'The Son of God is created,' or 'changeable,' or 'alterable'— they are condemned by the holy catholic and apostolic Church.]

And in one Lord Jesus Christ, the *only-begotten* Son of God, begotten of the Father *before all worlds* (*æons*), Light of Light, very God of very God, begotten, not made, being of one substance with the Father;

by whom all things were made;

who for us men, and for our salvation, came down *from heaven*, and was incarnate *by the Holy Ghost of the Virgin Mary*, and was made man;

he was *crucified* for us under Pontius Pilate, and suffered, and was *buried*, and the third day he rose again, *according to the Scriptures*, and *ascended into heaven*, and *sitteth on the right hand of the Father*;

from thence he shall come *again, with glory*, to judge the quick and the dead. ;

whose kingdom shall have no end.

And in the Holy Ghost, *the Lord and Giver of life, who proceedeth from the Father, who with the Father and the Son together is worshiped and glorified, who spake by the prophets*.

In one holy catholic and apostolic Church; we acknowledge one baptism for the remission of sins; we look for the resurrection of the dead, and the life of the world to come. Amen.

It was the official birth place of Trinitarian Christianity which is not found anywhere in their religious text book and it is pitfall and black hole of all the logical fallacy of inconsistency that nobody can climb out from it with intelligent integrity and western scholars who are lightly enlightened are still struggling with it in vain to reconcile with their scientific achievement. Christianity is standing on the blind spot of Nicaea creed, not on the Gospel (literally it means good news for arriving the messenger of covenant of the prophets and Kingdom of God) and totally independent from the real messages of Jesus Christ. Constantine the great authorized and institutionalized the Nicaea Creed as state functional instrument and forced his citizens to abide by as a divine doctrine and hard punishment for those who against it for his empire and till now this creed is the towering rock stone of western cultures so far. It was the worst crime that a king ever committed in the whole world in historical records against the most high, against the people of the most high. It was not an individual crime that limited to a person, it was not a social crime that limited to a society, it was not a national crime that limited to a nation but it was a world crime that affected the whole world over the millennium period of time and still millions of people are affected by it. It was greater crime than the religious crime of the Egyptian king Pharaoh Ramses II during the time of Moses who was drown in the Nile River and a Pandora's box of the ancient world of all evils combined together and its networks and spokesman all over the world are still talking vigorously against the most high and deceiving the people of all generations from low to the highest intellectuals., from peasants to the kings of the millenniums.

"God is not human, that he should lie,

not a human being, that he should change his mind" (Numbers 23-19)

"Indeed their perversion of facts and their intentional assertion of falsehood induced them to falsify the words, wittingly, endeavouring to attain their blasphemous and irreverent object, namely: "Allah has begotten a son" and make it seem divine which is not. They are indeed pathological liars who lie in their teeth and commit errors at the grossness of which common sense

revolts

(Al Quran 37, 151-152)

"Indeed, according to Allah, the matter of (the birth of) Jesus is similar to the example of (the creation of) Adam; He created Adam from dust and said, "Be!" Thus, he became!

*"Should any one contend with you about 'Isa with opposing arguments, the fact shall destroy the fiction. Now that you know the facts, say to them **"Come, let us summon our sons and your sons, our women and your women and ourselves and yourselves and pray Allah and beseech Him to curse those who intentionally assert falsehood"***.  (Al Quran 3:59-61)

It was the biggest and greatest crime and sin worldwide committed by Constantine the great who was symbolized as the fourth beast's little horn with eye and mouth of a man speaking boastfully against the most high in Daniel's apocalyptic dream.

*This one shall be different from the former ones,
and shall put down three kings.*

²⁵ *He shall speak words against the Most High,
shall wear out the holy ones of the Most High,
and shall attempt to change the sacred seasons and the law;
and they shall be given into his power
for a time, two times, and half a time.*

²⁶ *Then the court shall sit in judgement,
and his dominion shall be taken away,
to be consumed and totally destroyed.*

²⁷ *The kingship and dominion
and the greatness of the kingdoms under the whole heaven
shall be given to the people of the holy ones of the Most High;
their kingdom shall be an everlasting kingdom,
and all dominions shall serve and obey them.'*

So, ironically and sarcastically , a catholic Priest on his Sunday prayer is standing and bowing in front of a statue or idol or wooden curve image and chanting the commandments of God .**" the Sabbath day, to keep it holy. Six days you shall labor and do all your work, but the seventh day is the Sabbath of the Lord your God"**, and,**" You shall not make for yourself a carved image, or any likeness of anything that is in heaven above, or that is in the earth beneath, or that is in the water under the earth; you shall not bow down to them nor serve them"**.

"The decision is announced by messengers, the holy ones declare the verdict, so that the living may know that the Most High is sovereign over all kingdoms on

earth and gives them to anyone he wishes and sets over them the lowliest of people. (Daniel 4-17)

“Whatever is in the heavens and whatever is in the earth is Allah's; and whether you manifest what is in your minds or hide it, Allah will call you to account according to it; then He will forgive whom He pleases and chastise whom He pleases, and Allah has power over all things.

(Al Quran 2-284)

But a very strange and most astounding time table for ending the persecution to holy people of supreme monotheistic God was mentioned in the book of Daniel and various English translations of the Bible in last couple of centuries wrote it many different way.

“They shall be given into his power for a time, two times, and half a time.

“They shall be given into his hand until a time and times and the half or dividing of a time.

“And for a period of time, two periods of time, and half a period of time, they will be delivered into his power

“In the name of the God who lives forever, I solemnly promise that it will be a time, two times, and half a time. Everything will be over, when the suffering of God's holy people comes to an end.” (Daniel 12-7. Contemporary English Version.CEV)

“Get going now, Daniel, because these words must remain secret and sealed up until the end time. ¹⁰ Many will purify, cleanse, and refine themselves, but the wicked will act wickedly. None of the wicked will understand, but those skilled in wisdom will understand.” (Daniel 12-8)

“And with Him are kept the secret keys serving to open up, disclose and explain the unknown, the mysterious and the obscure which no one knows but Him. He has omniscience of all that is on the land and in the sea, and not one single leaf, large or small, laterally produced from a stem or a branch, or springing from its root that falls, but comes to His knowledge. Nor a seed embedded in the darkness of the interior of the earth nor anything fresh, or moist, green or dry, withered or solid, but is inscribed and made manifest in a Book.

(Al Quran 6-59)

If we count a apocalyptic period of time as a centuries than we have one century plus two centuries plus a portion or half of century, in total three centuries plus some years more . Almost three centuries after Constantine ascended to the throne of Roman Empire in 307 CE and patronized the Council of Nicaea of 325 CE, in the year 628 CE, Byzantine Emperor Heraclius had just a great victory in battle over Sassanid Emperor and defeated the Persians and planned to visit Holy land of Jerusalem to pay homage to Mother of God. On his way to Jerusalem from Constantinople, in Damascus he received a letter from a Prophet of Arabia regarding the biggest and greatest sin that the emperors were committing generations after generations and forced their subjects to commit that sin altogether. Historically, Roman Empire then already was broken into two part, western empire as clay weak part, Eastern Byzantine Empire as iron strong part and a sudden blow came to the both from unexpected corner to the Byzantine and Sassanid Empire both as the stone was thrown and smote the gold, silver, bronze, iron made statue in the clay and iron leg. This letter was a clear declaration of the cancelation of Nicaea Creed forever from the Kingdom of God and the son of a man (Bar nasha, Ben Adam) to whom God uphold as a judge for the nations and a light for gentiles. And within a couple of years liberation process of the land from the Nile River to the river of Euphrates and Tigris to Indus to Oxus from the yoke of fourth beast and terrible idol of idolatry started with unimaginably unexplainable success and the Kingdom of God was established.

The first beast Babylonian Emperor destroyed the temple of Jerusalem and the second beast of Daniel's dream and Persian Emperors rebuilt the temple of Jerusalem and kept the Jews people's way of life as it was before without any royal interruption. The third beast and the Greek Empire and its four kingdom especially Seleucid kingdom under Antiochus corrupted Judaism into Hellenized Judaism and there formed state patronized a branded group of Hellenized Priesthood. The fourth beast under Constantine corrupted Hellenized Judaism into Roman Catholicism and created a branded group of state patronized Roman Catholic Priesthood. Thus political systems patronize a group of population including priests, monks, poets and scholars subservient to its royal ruling authorities and create a artificial obedient religious sect by flooding economical favorable facilities to them and within a couple of centuries it expands as one of large world religion for those who takes the religion as joyful sports for leisure time. But God established a kingdom of God outside of those beasts plundered futile territories and threw a stone without touching by hand to the terrible statue of gold, silver, bronze, iron made idol of idolatry and nullified paganism, polytheism, the Hellenized Judaism , the Roman Catholicism and all sorts of manmade godhead king intended king funded priests prescribed proxy religions for their own benefits anywhere in the world

altogether and prescribed the certified real religion of God for the kingdom of God as a model for ever .

"And whoever desires a religion other than Islam, it shall not be accepted from him, and in the hereafter he shall be one of the losers."  (Al Quran 3-85)

"From Muhammad (saw), the Servant of God and His Messenger. To the Chief of Rome, Heraclius. Whoever treads the path of divine guidance, on him be peace. After this, O King, I invite you to Islam. Become a Muslim. God will protect you from all afflictions, and reward you twice over. But if you deny and refuse to accept this Message, then the sin not only of your own denial, but of the denial of your subjects, will be on your head. "Say, 'O People of the Book! come to a common and equal platform between us and you that we worship none but Allah, and that we associate no partner with Him, and that some of us take not others for lords beside Allah.' But if they turn away, then say, 'Bear witness that we are muslims submitted to God'.

Al Quran also praised the priests and the monks of puritan movements of essence group for their pure monotheistic believe as also it was foretold by Daniel-*"Many will purify, cleanse, and refine themselves, but the wicked will act wickedly. None of the wicked will understand, but those skilled in wisdom will understand"*. Those priests and monks who understood the very visible and obvious circumstances, they recognized the truth, Jews rabies knew from Daniel's dreams and what God Promised to the prophet Abraham, and Christian priests who were free from the burden yoke of Nicaea Creed, they perfectly knew arriving time of the kingdom of God and son of a man who will come with the cloud of the heaven to receive the kingdom of God and its holy people. They perfectly recognized the holy truth embedded in their scriptures and they welcome the messages whole heartedly and willingly came under the banner of Darussalam that is kingdom of God.

Even there are some Islamic historical reports that Daniel Prayed to God Almighty to preserve his dead body to be buried by the people of the kingdom of God and his dead body was identified and found in a house during the 2nd Caliph Omar and was buried in Islamic manner. And it was obviously high expectation that Daniel would have dreamed of and should pray to God to be a member of the kingdom of God under the son of man coming with cloud of heaven at least as a dead person if not possible as a living person.

Abu Bakr Ibn Abu Dunya wrote in the book Ahkam-alQubur (The Rules of Graves), based on a long chain of citation, that the Prophet said: "Daniel prayed to his Lord, Great and Majestic for the nation of Muhammad to bury him." And he (i.e. Muhammad, PBUH) said: "Whoever discovers Daniel give him tidings of Paradise." The man who discovered him (his corpse) was called Harqus. Umar sent to Abu Musa saying: "Bury him; and send to Harqus, for the Prophet has given him promise of Paradise."

There is very strong possibility and indication in the book of Daniel that might be God granted his expected dream to be a member of the kingdom of God as the life-time extended process of the people of the cave described in the Quran.

"As for you, go your way till the end. You will rest, and then at the end of the days you will rise to receive your allotted inheritance." (Daniel 12-13)

"Have you meditated O Muhammad upon the event of the inmates of the Cave and upon Allah's intervention exhibiting His control over the laws of nature and serving as evidence of His Almightyness and Omnipotence, It stood as a wonderous sign as all Our signs do stand imposing upon peoples' thoughts! As they fled for refuge to the Cave (outside Ephesus), they prayed, "Our Lord! Bestow on us Grace from Yourself and endow us with insight into the right (and wrong) of all situations. "Wherefore We struck their ears with deafness, so that they slept without disturbance in the cave for a great number of years (couple of centuries"

(Al Quran 18, 9-11)

There is great possibility that it happened during the time of Hellenistic Seleucid king Antiochus iv epiphanies of the third beast of leopard with four wings of a fowl and four heads of Daniel's dream.

"You will find the people with the greatest animosity towards those who believe are the Jews and those who are polytheists; and you will find the closest in affection to those who believe are those who said: "We are Nazarenes;" that is because among them are Priests and Monks, and they are not arrogant.

"When they listen to the Quran and to a discourse of practical divinity sent down to the Messenger they are excited to tears which you see overflowing from their eyes at the truth they recognize and they interpret their thoughts in words characterized by an invocatory prayer, thus: "O Allah, our Creator", they say, "we have recognized the truth and our hearts have been impressed with the image of

religious and spiritual virtues; Our Creator, incorporate us with those who bear witness to the truth and to the glory of Your system of faith and worship".
(Al Quran 5: 82-83)

Same identical letter was received by Sassanid Emperor, Chosroes II the Khosrau of **Persia** -

"In the name of Allah, the Gracious, the Merciful. This letter is from Muhammad (saw), the Messenger of God, to Chosroes, the Chief of Persia. Whoever submits to a perfect guidance, and believes in Allah, and bears witness that Allah is One, and has no equal or partner, and that Muhammad (saw) is His Servant and Messenger, on him be peace. O King, under the command of God, I invite you to Islam. For I have been sent by God as His Messenger to all mankind, so that I may warn all living men and complete my Message for all unbelievers. Accept Islam and protect yourself from all afflictions. If you reject this invitation, then the sin of the denial of all your people will rest on your head.

And the king of Abyssinia, Coptic priest of Egypt and surrounding all the tribes' leaders received the letter from Prophet Mohammed.

"In the name of Allah, the Gracious, the Merciful, Muhammad (saw), the Messenger of God, writes to the Negus, King of Abyssinia. O King, peace of God be upon you. I praise before you the One and Only God. None else is worthy of worship. He is the King of kings, the source of all excellences, free from all defects, He provides peace to all His servants and protects His creatures. I bear witness that Jesus, son of Mary (as) was a Messenger of God, who came in fulfilment of promises made to Mary by God. Mary had consecrated her life to God. I invite you to join with me in attaching ourselves to the One and Only God and in obeying Him. I invite you also to follow me and believe in the God Who hath sent me. I am His Messenger. I invite you and your armies to join the Faith of the Almighty God. I discharge my duty hereby. I have delivered to you the Message of God, and made clear to you the meaning of this Message. I have done so in all sincerity and I trust you will value the sincerity which has prompted this message. He who obeys the guidance of God becomes heir to the blessings of God.

"In the name of Allah, the Gracious, the Merciful. This letter is from Muhammad (saw), the Messenger of Allah, to Muqauqis, the Chief of the Copts (Egypt). Peace be upon him who follows the path of rectitude. I invite

you to accept the Message of Islam. Believe and you will be saved and your reward will be twofold. If you disbelieved, the sin of the denial of the Copts will also be on your head. Say, "O People of the Book! come to common and equal platform between us and you that we worship none but Allah, and that we associate no partner with Him, and that some of us take not others for lords beside Allah. But if they turn away, then say, 'Bear witness that we are Muslims submitted to God.'"

All those letters of Prophet Mohammed were symbolized a stone cut without hand that was thrown to the dazzling statue of Gold, silver, bronze, iron – *"a rock was cut out, but not by human hands. It struck the statue on its feet of iron and clay and smashed them."*³⁵ *Then the iron, the clay, the bronze, the silver and the gold were all broken to pieces and became like chaff on threshing flour in the summer. The wind swept them away without leaving a trace. But the rock that struck the statue became a huge mountain and filled the whole earth"* and marked of starting an ending of four empires of gold, silver, bronze, iron and idol worship. It was the starting of ending mark of Iron Age or Dark Age or kali yuga or age of jaheliah or age of ignorance- *"In the time of those kings, the God of heaven will set up a kingdom that will never be destroyed, nor will it be left to another people. It will crush all those kingdoms and bring them to an end, but it will itself endure forever."*⁴⁵ *This is the meaning of the vision of the rock cut out of a mountain, but not by human hands—a rock that broke the iron, the bronze, the clay, the silver and the gold to pieces"*.

But still there is boarder line between kingdom of God and the rest of the world, between the age of enlightenment and age of darkness up to present time clearly visible and the boundary between them is always fluctuating, shifting, moving forward and backward, although highly advanced progresses are achieved in the field of science and technology and it has nothing to do with any advance of science and technology and it cannot purify the social –political-ethical structure of human culture. Historically only political and geographical dimension is not enough to understand dark age and the decline and fall of Roman Empire (non-describable beast by high imaginative human faculty power of Daniel), also it needs to understand spiritual dimension and background of Daniel's dream of four beasts and Nebuchadnezzar's dream of terrible statue of gold, silver, bronze, iron and son of man coming with cloud of heaven for judgment of those four empires and kingdom of God and what God promised to patriarch father-prophet Abraham. The same is true also for Sassanid Empire that emerged on the backbones and skeletons of old Persian

Empire. Traditional war and Politics is very fractional spectrum of visible parts of the vast and deeper non visible structure of geo-politico-religious structure of the world. The age of ignorance is still flourishing underneath the scientific technological progress and soul dismantling process is still squeezing the human soul to put in prison of luxurious life style hungrily competitive way so that with the collaboration of the synagogue of Satan, Shylock headed consumer's market-business always has upper hand of violation over human tendency to follow the commands of God.

As a final Prophet of monotheistic supreme God, as a Mercy to mankind, as light for gentiles, as a judge for the nations, as a just perfect king with divine mandate of the kingdom of God, as a messenger of the covenant of the prophets, it was incumbent upon him to invite all the people of the books of surrounding nations as well as those who did not receive any revelation book or who received a portion of book to accept Islam as religion of God for the kingdom of God that was prescribed and embedded in all the previous scriptures and certified by God himself. If he was alive a few more year Indian people would get similar letter from him to enter into Darussalam, kingdom of God and fortunately the message of God was already reached India by a sea rout to Malabar Coast of South India, Kerala during his life time. A local king accepted Islam, visited the prophet and a mosque on his name still standing as Cheraman Juma Masjid.

"And behold! God will say: "O Jesus the son of Mary! Didst thou say unto mankind, worship me and my mother as gods along with Allah'?" He will say: "Glory to Thee! never could I say what I had no right (to say). Had I said such a thing, thou wouldst indeed have known it. Thou knowest what is in my heart, Thou I know not what is in Thine. For Thou knowest in full all that is hidden.

"Never said I to them aught except what Thou didst command me to say, to wit,

'worship God, my Lord and your Lord'

. (Al Quran 5-116)

But following is the hypocritical prayer prescribed by the pope John Paul, highest and supreme authority of Catholic Christendom- on contrary to value of the religious text book of their own and commandment of God-

***"Sustain us, O Virgin Mary, on our journey of faith
and obtain for us the grace of eternal salvation.***

O clement, O loving, O sweet Mother of God and our Mother, Mary!

(JOHN PAUL II [Translation of Italian original issued by Vatican Press Office])

The greatest unparalleled unprecedented paradigm shift of the world history with highest spiritual dimension was occurred from the civilized Fertile Crescent to a barren desert of hostile environments on the focal point of it and free and remote from all yoke of imperial power struggled, rivers flown, troubles politics plundered territories as a kingdom of God in the conjunction of Asia Europe Africa, a heart shape geographical location of Arabian Peninsula whose seed was implanted by prophet Abraham millennium years earlier by the command of God. It is clearly foretold in the Bible but the Priests and Scholars of Jews and Niecia creed oriented Christendom both overlooked it and did not comprehend it although they read their scriptures Old Testament and New Testament days and nights and pray to God for the kingdom of God. Even God tell them when the kingdom of God will be established over the four beasts and the broken statue of gold, silver, bronze, and iron by the son of man who is the light to the gentiles, a judge to the nations, a mercy for mankind, a covenant of the prophets then with a paradigm shift God also would change his divine language and voice forever. He will talk to the so called chosen people of God who turned into cursed people of God with a foreign language of distant tone dictating only command and order which is still vividly only live language of religion in the whole world and anybody in the world who eager to hear real voice of God than he has to hear the recitation of Arabic Quran, only language of God.

"Do this, do that,

a rule for this, a rule for that;

a little here, a little there."

Very well then, with foreign language and strange tongues

God will speak to this people, (Isaiah 28-10)

Unfortunately, they misunderstand and overlooked the central messages of their own religious texts from the very beginning to the end as well the priests, monks and scholars of all the religions all over the whole world from early history to present time and still praying, "kingdom of God come near". All the revealed previous religious books or portion of book in the world and all the prophets of ancient times virtually prepared a way for enlightenment of various tribes and nations to make a strong foundation for the kingdom of God to be established and all the messages that God revealed in the ancient time to all the prophets are consolidated in one book, self-referential double truth with smriti-sruti-lipi (memorization-recitation-inscription) triple compact binding and holding each other strongly without even any asymptotic freedom to have chance to be corrupted by any external or internal force for ever and

it is the divine mandate and law for the kingdom of God. Now there are millions of people in the world standing firmly like strongest rock inscriptions as preserved tablets with the laws of the kingdom of God in their hearts. But those who are deceived by illusion of the integrity of their twisted logical fallacy think foolish are those people who memorize and recite even a foreign language book from comma to dot and losing their valuable times for nothing, but fail to realize their own pitfall of egoistic intelligential black hole and their upside down paradigm shift from simplicity to complexity to perplexity of understanding it as like as Satan is still implementing all sorts of logic who did not understand what's wrong with his claiming that he was created from fire and greater than clay shaped man.

In fact, It was a greatest promise that God made to Prophet Abraham and it was fulfill by destroying all the kingdoms of Egypt-Hittite- Mitanni-Assyrian-Babylonian-Persian and specially the four empires that succeeded one another continuously with symbolization of four beasts and a statue made of gold, silver, bronze, iron, four distinctive natures and handed over to a descendant of Prophet Abraham through his son Ismail and also the dreams of Daniel about the kingdom of God-

*"The LORD told **Abram**, "Look off to the north, south, east, and west from where you're living, ¹⁵ because I'm going to give you and your descendants all of the land that you see—forever! ¹⁶ I'll make your descendants as plentiful as the specks of dust of the earth, so that if one could count the specks of dust of the earth, then your descendants could also be counted. ¹⁷ Get up! Walk throughout the length and breadth of the land, because I'm going to give it to you." (Gen 13)*

*¹⁸ On that day the LORD made a covenant with **Abram**, saying, "To your descendants I give this land, from the river of Egypt to the great river, the river Euphra'tes, ¹⁹ the land of the Ken'ites, the Ken'izzites, the Kad'monites, ²⁰ the Hittites, the Per'izzites, the Reph'aim, ²¹ the Amorites, the Canaanites, the Gir'gashites and the Jeb'usites." (Gen 15-18)*

These are the core central lands that comprised the kingdom of God including the Nile river Valley, Euphrates –Tigris river Valley, Indus river Valley, Oxus river Valley, Egypt-Assyria-Hittite- Babylonia-Persia-Central Asia and Fertile Crescent lands was swiftly liberated from the yoke of four beasts and gold. Silver, bronze, iron and Dark Age of ignorance was ended with the light that God enlightened with establishing his divinely kingdom forever.

Surprising enough that all the Bible in the whole world in all language retained right to left Semitic script the name "**Abram**" which is equivalent of "

Brama” in left to right Sanskrit scripts (early scripts was right to left) in Hinduism, and we proved that the prophet Abraham is personified as divine godhead in Indian mythology as Brahma. Only in Genesis 17 God Almighty changed his name as Abraham.

“17 And when Abram was ninety years old and nine, the LORD appeared to Abram and said unto him, “I am the Almighty God. Walk before Me, and be thou perfect.² And I will make My covenant between Me and thee, and will multiply thee exceedingly.”³ And Abram fell on his face; and God talked with him, saying,⁴ “As for Me, behold, My covenant is with thee, and thou shalt be a father of many nations.⁵ **Neither shall thy name any more be called Abram, but thy name shall be Abraham;** for a father of many nations have I made thee.⁶ And I will make thee exceeding fruitful, and I will make nations of thee, and kings shall come out of thee. (Gen 17)

“मैं सर्वशक्तिमान परमेश्वर हूँ। मेरे लिए ये काम करो। मेरी आज्ञा मानो और सही रास्ते पर चलो....मैं तुम्हारे नाम को बदल दूँगा। तुम्हारा नाम अब्राहम नहीं रहेगा। तुम्हारा नाम इब्राहीम होगा।

তোমার নাম আর আব্রাম হবে না, বরং হবে আব্রাহাম, কেননা আমি তোমাকে বহুজাতির পিতা করলাম

وَلَنْ يَكُونَ اسْمُكَ فِيمَا بَعْدَ اَبْرَامَ، بَلْ اِبْرَاهِيْمَ⁵

Even name of Prophet Abraham's wife was changed by God from Sar'ai to Sarah. In Sanskrit language when Sar'ai conceived a boy, she is called Saraswati (Sar'ai garvawati, Sar'ai is pregnant).

“As for Sarai, your wife, the covenant applies to her as well. No longer will she be known as Sarai; her new name will be Sarah.¹⁶ She will receive My special blessing, and she will conceive a son by you. (Gen 17-15)

“My covenant in your flesh is to be an everlasting covenant.¹⁴ Any uncircumcised male, who has not been circumcised in the flesh, will be cut off from his people; he has broken my covenant” (Gen 17- 13)

When a human mind lost is intellectual integrity it creates a great deep vacuum in his soul so he try to fill up this vacuum from the stimulations from sub-conscious which is full of cluster of fragmented non organized fractional scattered isolated formless ideas and dreams waiting and looking for chance for popping up in conscious stage of mind to create a fathomless foamy mirage

of reality. So he looks for traditions of his past generations to find a glorious existence and a utopian mythical seed to grow up in mind of fertile empty land and very shortly it sprang up like a high banyan tree above the sky with various branches and leafs inter connected loosely each other. It has a degradation process of intellectually from high to low and for mythical process from low to high. If he does not have anything to keep a balance between them then he will lead from high to highest intellectual or from low to lowest mythical dream world. But intellectuality cannot stand along firmly on its foot along because it has its own decay process as the intensity of light decrease as the distance increase from the light source. So we need a light source to be enlightened our mind continuously that stand on its accord without any decay. There are huge amount of mythologies intertwined each other with upside down times and spaces, cluster upon cluster of mythologies make a super cluster and even if you have time machine journey you will never have any comprehensive destination.

Cluster of myths is not limited only religious sectors but also in science and mathematics and Newton failed to understand his own gravitation math, Einstein failed to understand his own relativity math, Niles Bore failed to understand his electron axial motion math, Hubble failed to understand cause of recession value of distant galaxies of his math and most of the theory become upside down theory and they have their own utopian arrogant dreams very far from reality of truth and devil's delusions farewell the possible search for reality everywhere and everybody become doubtful about their own standpoint at the retired scholarship age but as they lost the power of public authority than nobody care about their retired age thought. Even at that stage their statements are considered as insane thought of old memory lost personality. When thousands of individual fractional thought combined together into collective compound composited knowledge than unique unity of knowledge is broken and there form a corrupted polluted jungle of ideas with contradicting each other and nobody can be sure which one is the true line of thought full of unified universal field beyond time-space local distribution. So they have illusion of thought that it is possible to add more room even infinite rooms in Hilbert Hotel of infinite rooms by just shifting one person to another room but fail to understand logical pitfall that they have to start not from the beginning but from infinite distance, so they have to wait infinite amount of time which is impossible. It is falsified standpoint but scientists and mathematicians thought in mirage of imaginative holographic world where they dreamed of strong truth foundation. Thought experiment is possible in mythological simple line of world but not in real world where any simple event has long multi level complex process of collective energy flows.

When we say, we have definite proves and clear evident that Jesus Christ, Brahma, Krishna, Buddha was a human, then our counterparts come with super cluster of mythological evident and blaming we have degradation of intellectuality that we reduced the divinity of their godheads as a fallen angle into temporal personality. We have to ask to brings evident from their divine source clarify their own divinity, like prophet Abraham broke the idol-gods and told the priests to get a answer from the big idol to talk who did it. If no answer is available that it must degrading their intellectuality from low to the lowest. Degradation upon degradation of intellectuality creates a fertile jungle from where illusion upon illusion creates a mythology of historical manhood personality to godhead divinity. Woe to the God forbidden usury consumed state funded, state sponsored, state certified, state intended specialized slave productive professional secular scholarship of the Oriental and occidental of highest orders and traditional oriented forefather's devoted minded soul dismantled educational curriculum! What miserable price they earn by selling their soul and scholarship! What is whispering in their intellectuality from their deep syndrome of enduring conundrum of thought process faculty in their inner soul! How those scholarships of thousand years of million scholars have gone terribly wrong without any enlightenment far beyond the line of comprehension limits and all the way to the upside down logic they have theorized –classified and promoted Alexander the goat-horn as great! Constantine the beast-horn as great! Not only great but Emperor Saint **Constantine the Great!** Equal to the Apostles! And the western Hellenistic academic authorities feel so proud of the great achievement against the God of most high! And they all overlooked coming of the kingdom of God! But on the contrary, the Bible, their religious text book of word of God, identified them worst impostors ever imagined in the whole world as a leopard on its back four wings of a fowl with four head and the little horn of monstrous terrifying beast with eye and mouth of man talked vigorously against the most high! The greatest betrayal of the millennium to the word of God by the proxy scholars of the followers of the word of God! And in final judgment of the God the beast was slain and its body destroyed and thrown into the blazing fire! And the authority and dominion of the kingdom of God was given to the son of man forever! Woe to the guardians and custodians of the book of the holy truth of word of God! Woe the states sponsored world intelligentsia for the millennium!

"These are the ones who have purchased error at the price of Guidance by false beliefs and exchanged Providence's guidance to the path of righteousness for the perplexed path in a maze, and forgiveness and mercy for

torment and torture; how persistent they are in their struggle to cast themselves into Hell fire!"  (Al Quran 2-175)

 ***"We have disposed to the abode in Hell many of the Jinn and mankind whom We had foreknown to be losers; they carry hearts stigmatized with dullness of comprehension and eyes lacking perception and they have no ears for admonition. These are they standing similitude exact of livestock animals following only their instincts, in fact even less conscious of the right way nay, they are further astray, and they are entirely heedless of all truth"***  (Al Quran 7-179)

So, the world history and the archeological sites which were the symbols of the destiny of those communities to enlighten the next generations' educative mind turn a contrary line of great achievements of proud world heritages against the most high! To be fuel of the hell fire is the great achievement of all according to the highest academic circles of our modern times! Those who follow the example of the little horn with eye and mouth of man of the fourth beast that talk boastfully against the most high begot a son and justify the changes of time set up by God, will have same destiny of thrown into the blazing fire in final judgment and they are added themselves as reserved fuel for hell fire.

If any name of any person in the world is mentioned in the religious text book of God as a praiseworthy or at least in a good way than he is successful in life and hereafter and passed all the test-exams set up by God and he is a example for mankind forever and if any name is mentioned in a symbolized bad way than he is ultimately failure in life and hereafter and also a example for mankind to ponder and learn lesson from it as long as the human civilization survives. Any world history, archaeology, anthropology, literature, philosophy contradict to this chain of line of thought is pervert knowledge echoed the voice of Satan who boosted himself of his own greatness superior to man to corrupt intellectuality of mankind.

If we have very highly advanced information technology in near future capable to collect information from the past and if we focus it intensively on certain period we will surprisingly find there is no Veda in Vedic period, no Bible in biblical period, no Tripitaka in Buddhist period, no Gita in post Vedic period, even there is dead language which is not same as present and if we focus on 610 CE to 633 CE in Hejaz of Arabian peninsula we will find Al Quran is writing down, memorizing it, reciting it, even correcting their recitation with

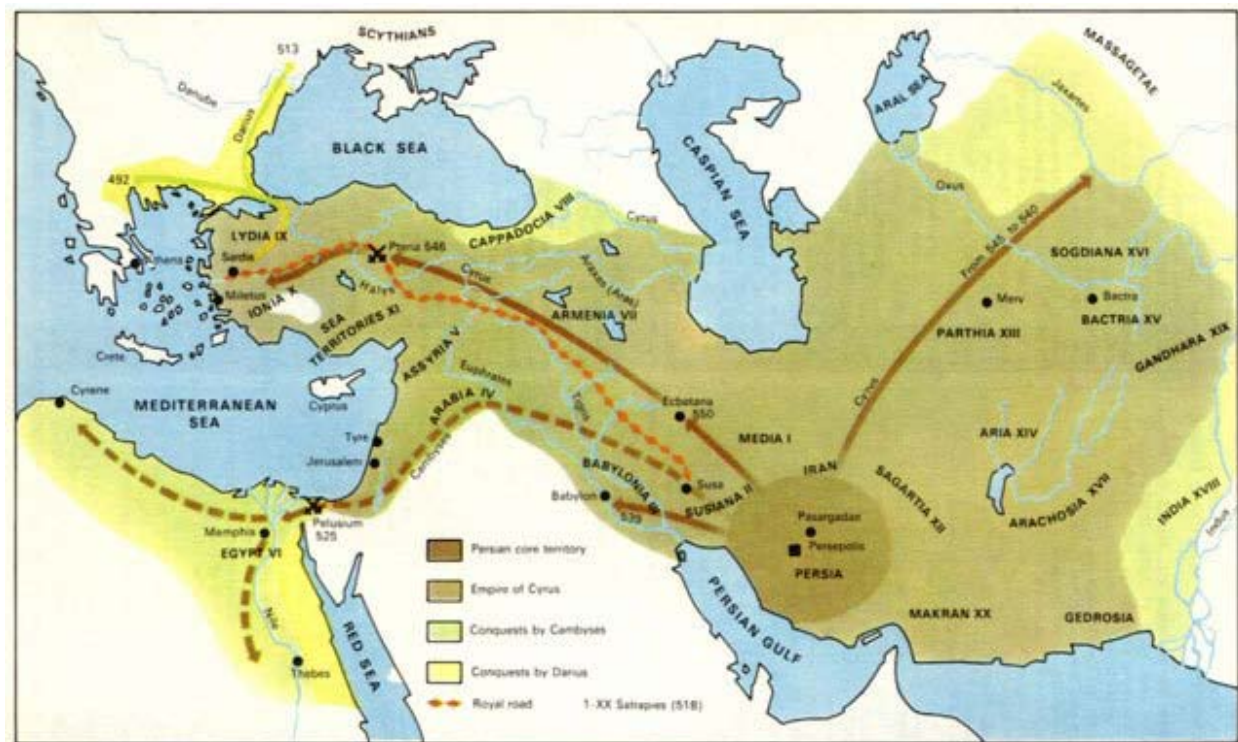

accurate pronunciations as Archangel Gabriel recited to prophet Mohammed, slowly step by step, portion by portion, some is here some is there, verse by verse in 23 years duration period in same vivid classical language exactly identical as it is at present time as it is recorded by the historians with accurate chain of narrations in early Islamic period and recitation of the Quran is same at present as it was recited by Archangel Gabriel to prophet Mohammed. Virtually all the authorities of all religious text books in the world lament and grieve inwardly why they don't have a perfect book full of highest integrity in a living original language like a preserved tablet without any inconsistency and textual controversial variations. They lament for it because it implies that their respective god does not have any intention to preserve his voice on solid foundation and does not certify so called names of the religion and their own respective identity. So they have great identity crisis from their own divine text source and nobody can overcome it intellectually, spiritually with any sorts of scientific philosophical logical arguments. Definitely, they don't have certified authentic identity from their lords to justify their own floating in the air positions without any proper destiny, even there is no way to be sure that their offering of prayers and sacrifices are acceptable to their respective gods.

The letters of Prophet Mohammed that was sent to all the surrounding kings and emperors of his time were not limited to that time period only. The message of the letter is profoundly applicable to all the kings-queens, emperors, tribe leaders, political leaders, presidents, prime ministers of the whole world from past to present to future as long as human civilization survive by God's willingness and this letter is a judgment verdict from the Kingdom of God to all the nations and nation's leader forever. Any leader of any country who acts contrary to its message will bear burden of his own sin and collective sins of his subjects will be cumulated on his shoulder. Administrative policies of the world politics is no more better than those of four beasts and gold, silver, bronze, iron composited statue of ancient still defying the commands of God and they are still holding ground outside the boundary of the kingdom of God and with all combined fighting forces pushing toward the kingdom of God.

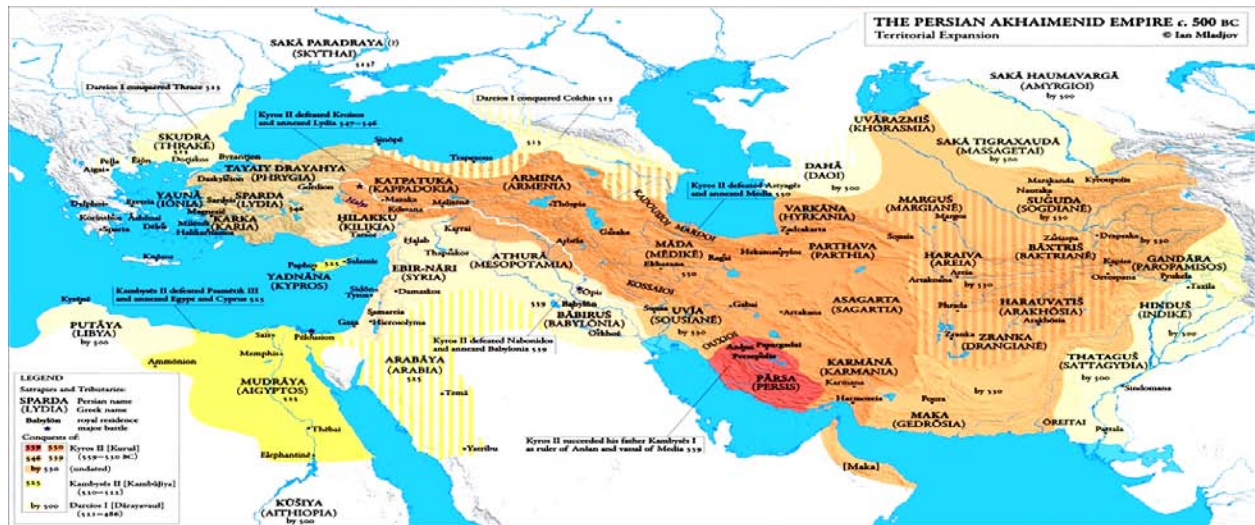

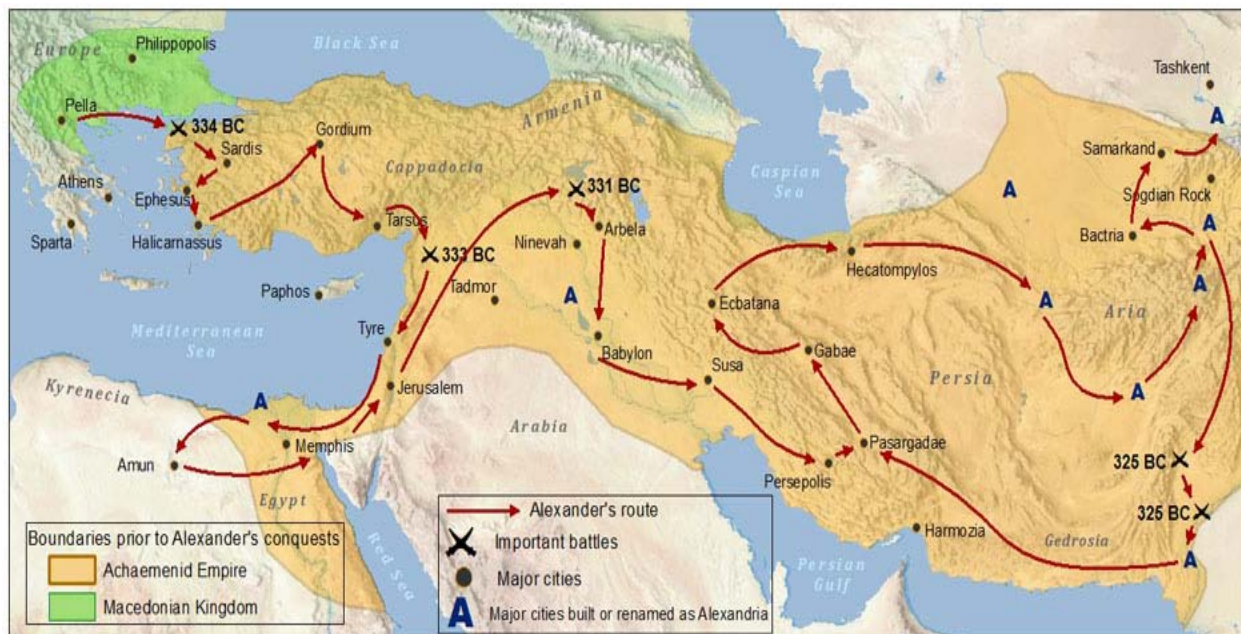

The first beast, Babylonian Empire under Nebuchadnezzar was like a lion and had eagle's wings, also golden head of the statue of his own dreams.

Cyrus the great, symbolized as a ram with two horns means (a ram standing beside the river. It had two horns.... I saw the ram charging westwards).... one inheritor, Cambyses. Cyrus's east expedition was to the Aral Sea to the west up to Black Sea and Sea of Marmara and Greek boarder.

The second beast Under Darius, Acheamenid Empire was symbolized as a bear with three ribs in the mouth emphasizing his controls over three parts of the continent Asia, Europe, Africa. Also symbolized as breast and arms of the statue made of silver

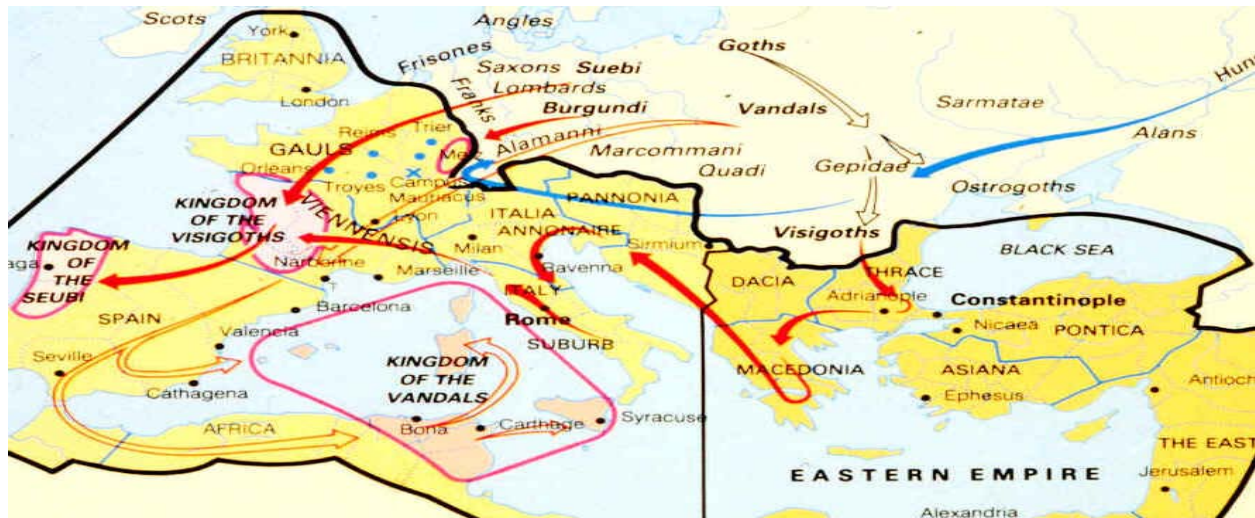

Alexander the great, symbolized as a goat with one horn, means no inheritor, coming from the west to the east expedition and destroyed the Acheamenid Empire. (a goat with a prominent horn between its eyes came from the west, crossing the whole earth without touching the ground)... (at the height of its power the large horn was broken off, and in its place four prominent horns grew up toward the four winds of heaven.)

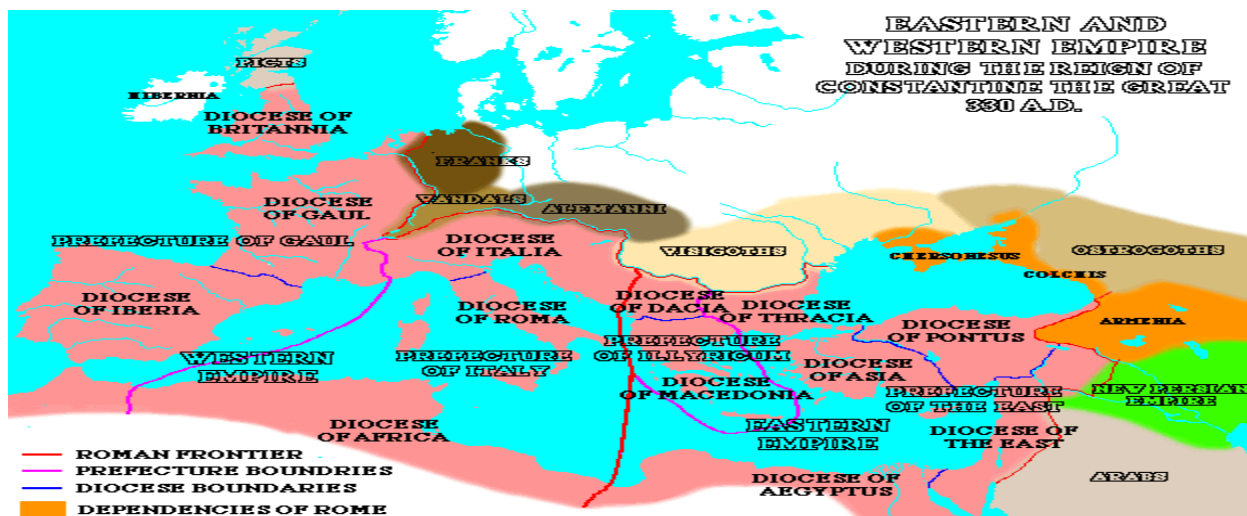

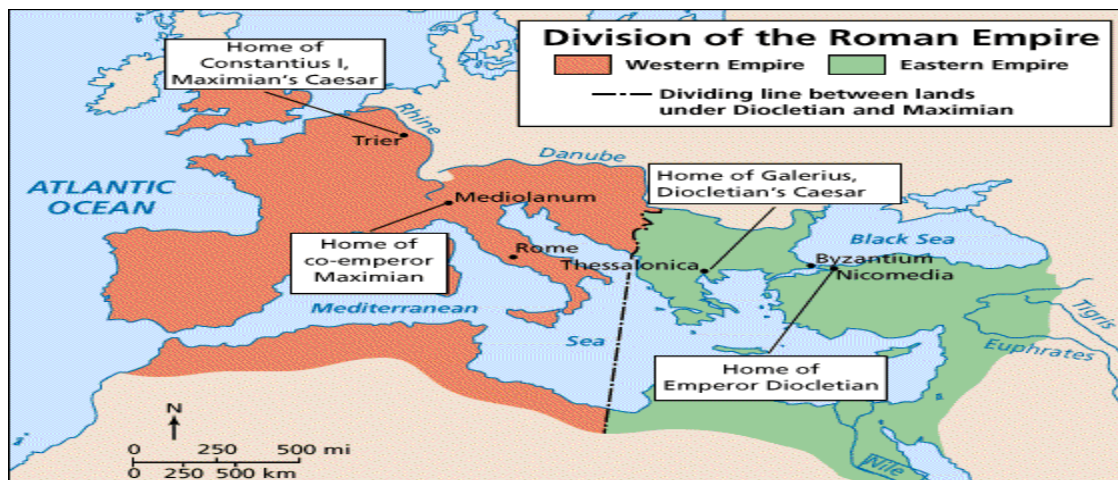

The third breast Greek empire divided into four kingdoms, symbolized as leopard with four wings of bird and a beast with four heads on the back of the leopard and also symbolized as belly and thighs of bronze of the statue.

The fourth beast, terrible and dreadful with ten horns, beneath them a small horn with eye and mouth of a man, symbolized Roman Empire and its ten kings and Constantine the great. Also, symbolized legs of iron and feet made of partly iron and partly clay as a division of Roman Empire into Western Empire and Eastern Empire.

Western part of Roman Empire with partly clay and iron feet was attacked by Huns Goth-Visigoths, Vandals and broke down and eastern part with iron feet was strong enough to survive as Byzantine Empire a few more centuries until it was over thrown and captured the capital Constantinople by Turkey Sultan Mohammed al Fateh in 1453 CE.

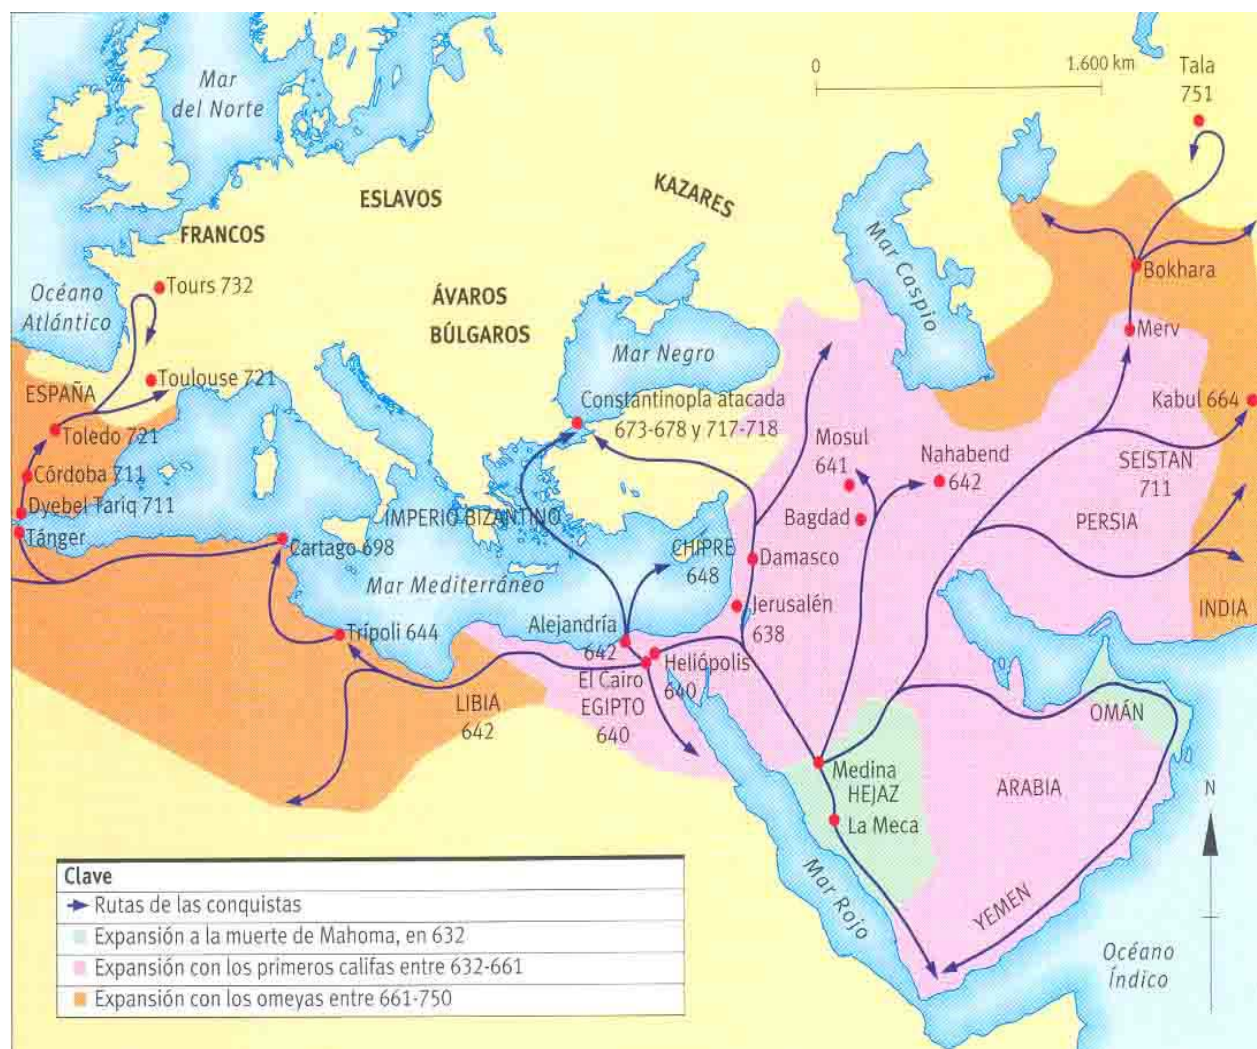

Constantine the great, at first who was a Caesar appointed by Maximian co-emperor, had three competitors for Roman Empire – Maximian, maxantian, son of Maximian, licinius top general and right hand of Caesar Galerius. Licinius was raised as Augustus by Emperor Diocletian

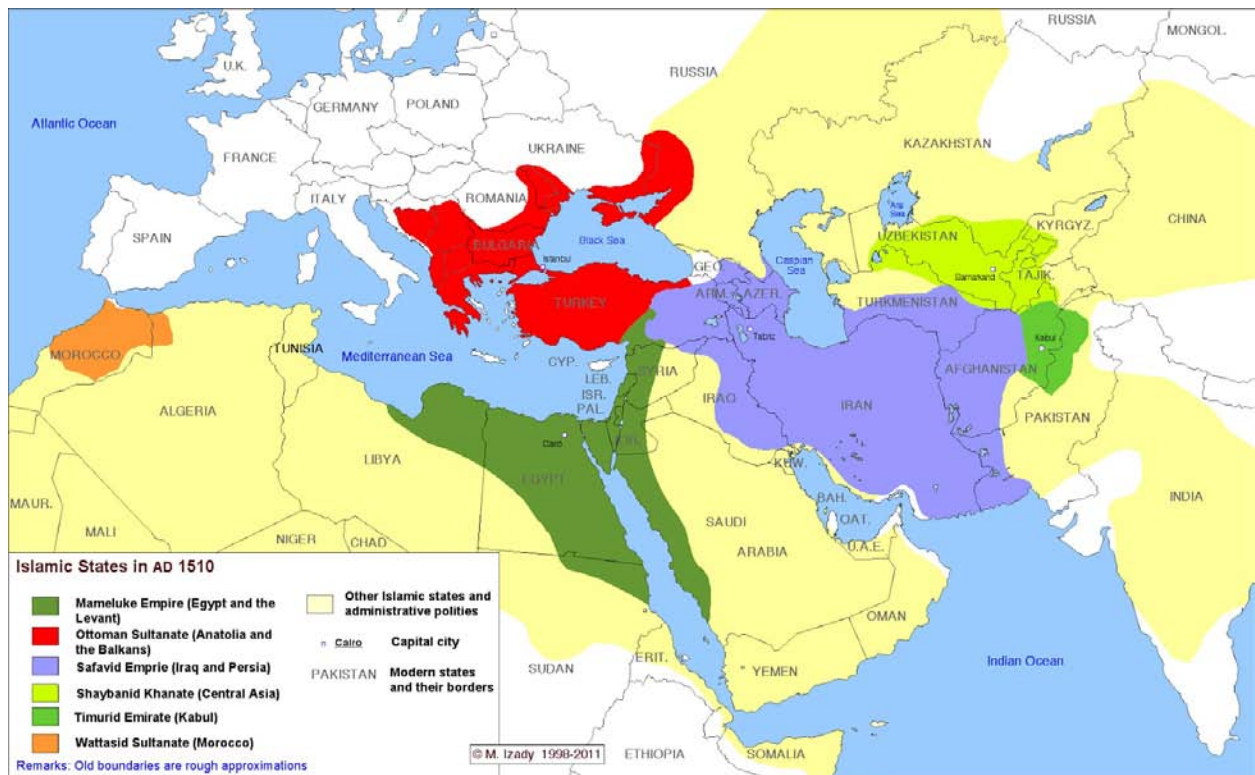

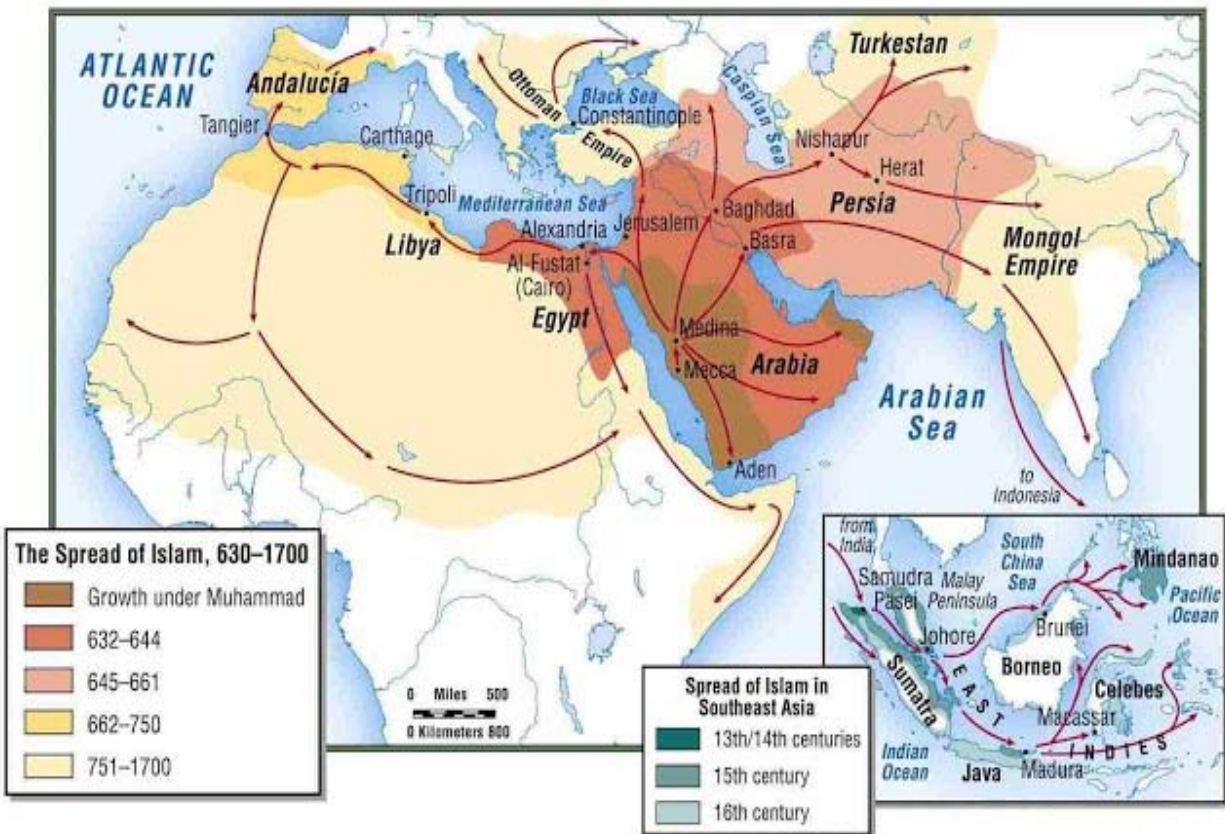

Followings are the prayers of Jesus Christ for coming near the kingdom of God-

"From that time on Jesus began to preach, "Repent, for the kingdom of heaven has come near." (Matthew 4:17)

'Let your Kingdom come, let your will be done also in the earth, just as it is in Heaven. (Aramaic Bible in Plain English)

"Then I heard something like the voice of a vast multitude, like the sound of cascading waters, and like the rumbling of loud thunder, saying: Hallelujah, because our Lord God, the Almighty, has begun to reign! (Revelation 19:6)

Chapter three

Messages from God's Empire

From the very beginning and early existence of mankind as his representative on earth, God instructed man a few commands to follow. As the population started to grow and increase in numbers, there formed tribes and nations and God also started to send prophets to the nations and tribes one after another to handle the complexities of mankind with more commands suitable for their own social systems. During the time Prophet Moses all the commands were consolidated in a single framework that is called Ten Commandments of God.

But there is anthropological and psychological human tendency of degradation by forgetting the commands by using his logic for surviving and struggling for superiority as time goes on as the intensity of light decreases with distance. So there are deviations from the true commandments and same way Judeo-Christianity deviated from the teaching of Moses, Persians deviated from the teachings of Zoroaster, post Vedic people deviated from the teaching of Shukracharya and most of the nations that received revelation from God had same fate mixed up with polytheism and idol worship. None of the prophets wrote down themselves the messages that God Revealed to them to keep as a permanent secured tablet and even their mother tones were dead, so the messages also became a distant fractional memory in the current languages and cultures. So there come another prophet with final and complete messages to remind them to follow the straight path that God prescribed for mankind but most of them arrogantly refused to follow and reconcile their deviations from the teaching of God, they had a mental picture of their glorious forefather's way of life out of blind respects intertwined with imaginary golden era of the past.

“ And when it is said to them, "Follow what God has revealed," they say, "Rather, we follow what we found our forefathers devoted to." Even if Satan is calling them to the suffering of the Blazing fire? (quran 31-21). Even if their ancestors understood nothing, and were not guided? (Quran 2-170)

“And when it is said to them: Believe as the people believe, they say: Shall we believe as the foolish believe? Now surely they themselves are the foolish, but they do not realize it.

"When they meet the believers, they say, 'We believe,' but when they are alone with their evil ones, they say, 'We're really with you; we were only mocking.'

"Allah will throw back their mockery on them and allow them to sink deeper into evil and wander perplexed in their wickedness.  (Al Quran 2,13-16)

They add more and more imaginary utopian dreams of forefathers deeds to justify their own positions and a great numbers of falsehood is added in their justification process knowingly and they think imaginary golden past of forefathers is better than the true reality of falsehood of their forefather's way of life.

 ***"O People of the Scripture, why do you mix up the truth with falsehood and conceal the truth while you know***  (Al Quran 3-71)

 ***"And cover not the Truth with falsehood, nor conceal The Truth when ye know (what it is)."***  (Al Qur'an 2-42):

 ***"And remember God took a covenant from the People of the Book, to make it known and clear to mankind, and not to hide it; but they threw it away behind their backs, and purchased with it some miserable gain! And vile was the bargain they made!"***  (Quran 3:187)

 ***"When God made a covenant with the Prophets, saying, "When I give you the Book and wisdom and a Messenger comes to you who will testify to the guidance which you have received from Me, you must believe in him and help him, then He asked them, "Do you affirm and accept my covenant?" They replied, "Yes, we affirm it." The Lord said, "Then bear witness to this and I shall bear witness with you"***  (Al Quran 3:81).

 ***"but because of their breach of their covenant(Jews and Christians)t, We cursed them, and made their hearts grow hard; they change the words from their (right) places and forget a good part of the message that was sent them, nor wilt thou cease to find them- barring a few - ever bent on deceits.***

 (Quran 5:13)

“consider those who have received a portion of the Book. When they refer to the Book in order to judge amongst themselves, a group of them turn away with disregard.”  (Quran 3-23)

When they have highly imaginary utopian dreams of intellectual inductive logic for own greatness, some whispering sounds pop up deep in their mind and consciousness command them not to obey God, but follow traditional way of life freely without justifying the background foundation of them, independent of God's command, and they think it comes from their own soul which must be the inner voice if soul, but God tell the whispering of well-wisher inside the sub-consciousness is nobody rather than Satan. Still psychologists and parapsychologists have a great difficulties of understanding that a thought or idea or willingness is formed in deeper faculties of consciousness internally of its own or there is any external stimulations mixed up with them and what is the possibility of natural or supra natural external stimulations. Even the DNA in the cell which is a factory to produce various type of protein needs also external signal or stimulation for its particular function. Everything in nature from micro level of electron-proton to macro level planet-star-galaxy all have some sort of input so they have some output.

And saitan said, " Since You have dismissed me and sent me astray, I will lie in ambush in Your every highway of righteousness and seduce as many of mankind as I can to decoy there from and make vices lurk in the secret corners of their souls. Then I will come at them, from in front of them and behind them, from their right and from their left  “ (Al Quran 7: 16-17)

So Satan has access to every human faculty to manipulate his consciousness by whispering something else, accept to the word of God, the holy Quran. It is a safe and secure area for mankind. Satan has no power to come near to the voice of word of God-

“Indeed it is a mighty book, falsehood cannot approach it (the Qur'an) neither from the front nor from behind” 

“Most certainly I will entice them to go astray and I will lead them by the vain desires to the evil line of conduct and stir up sinful sensuous appetite.” “Surely I will command them to receive the pagan superstition and slit and

cut the ears of cattle and I will command them to change the course and order of things wherein they were set at the creation.” **And he who puts himself under the**

patronage of saitan besides God indeed will suffer a manifest loss.

(Al

Quran 4-119)

“Therefore, forsaking all else set your face firmly on this upright religion. It suits the innate pattern and the very instincts with which Allah has created the human kind. Let there be no altering of the sublime design of which way God fashioned and moulded his creation. This is the only straight and true religion!

But most people do not understand

(Al Quran 30/30)

From the first man on earth up to present time, only one straight way of life is prescribed by God Almighty and deviations from it create many manmade deviated religions backed up by Satan with spiritual dressed up of Satanism with many dimensional names according to their own individual or collective choices .

“Those who split up the religion and became divided into sects; each one exulting in what they have

(Al Quran 30-32)

“Ironically, they broke up into sects only after the knowledge had come to them, due to jealousy and resentment among themselves. If it were not for a predetermined decision from your Lord to respite them for a definite interim, they would have been judged immediately. Indeed, the later generations who

inherited the scripture are verily in hopeless doubt concerning it.

(Al

Quran 42-14)

“They have taken their Priests and Monks to be lord besides God, and the Messiah, son of Mary, while they were only commanded to serve One God; none has the right to be worshiped except He. Exalted be He above those whom they associate with Him in His Divinity

(Al Quran 9-31)

“There is among them a section who distort the Book with their tongues: you would think it is a part of the Book, but it is no part of the Book;

and they say, "That is from God," but it is not from God: It is they who tell a lie against God, and they know it!  (Quran 3:78)

 **"And who is more wrongful than him who relates falsehood to Allah and attributes to Him every falsity that could be devised, or claims that he has been inspired by Allah when in fact nothing whatsoever has been inspired to him! And who is more wicked than him who says: I am able to produce a book the like of that sent down by Allah!"**  (Al Quran 6-93)

 **"Who can be more unjust than the one who fabricates a lie against Allah or rejects His revelations? Such people will have their destined portion from the Book; until when Our angels of death arrive to take away their souls, they will ask: "Where are those gods whom you used to invoke besides Allah?" They will reply: "They have forsaken us, " and they will bear witness against themselves that they were indeed unbelievers**  (Al Quran 7-37)

 **"And Satan will say , when the Judgment is set up : "Surely God promised you something that was bound to come true; I too promised but I broke and failed you. And I had no power over you, except that I appealed to you, and you answered me. So do not blame me, but blame yourselves. I cannot respond to your cry for help, nor can you respond to my cry for help. I reject your associating me as a partner with God (in belief or worship) in the past." Surely, for the wrongdoers (who have wronged and ruined themselves by denying God or associating partners with Him) there is a painful punishment.**  (Al Quran-14-22)

 **"God will say, "Enter the fire along with the generations of humans and jinn that lived before you". As it enters (the hellfire), each generation will curse the generation ahead of it. Finally, when they are all together in the fire, each succeeding generation will say about the one preceding it, "Our Lord, these are the ones who led us astray. Give them double punishment by the (hell) fire**

 (Al Quran 7-38)

“ They want to extinguish the Light of God with their mouths; but God will complete His Light perfectly, even though the disbelievers dislike it.

“ It is He who sent His Messenger with the guidance and the true religion, to make it prevail over all religions, even though the idolaters dislike it.

(Al Quran- 61,8-9)

***“For He has decreed that the truth shall prevail,
And the falsehood shall vanish,.”***

(Al Quran 8:8)

“Surely falsehood is ever bound to perish “

(Al Quran 17-81)

“This day have those who disbelieve lost all hope of alienating you from Allah's purpose and divine principles...Today have I perfected for you your religion and completed my favor and grace upon you. And I have chosen for you

Islam as the only acceptable system of faith and worship and way of life

(Al Quran 5-3)

“He who adopts a system of faith and worship other than Islam simply bends on a system of faith and worships which does not have the firm standing upon the vantage ground of truth. Such a system of faith shall not be accepted from him and he shall be one among the great losers in Hereafter.

(Al Quran 3-85)

“In matters of faith, He has ordained for you same religion which He had enjoined upon Noah - and into which We gave thee [O Muhammad] insight through revelation as well as that which We had enjoined upon Abraham, and Moses, and Jesus: Steadfastly uphold the [true] faith, and do not break up your unity therein. [And even though] that [unity of faith] to which thou callest them appears oppressive to those who are wont to ascribe to other beings or forces a share in His divinity, God draws unto Himself everyone who is willing, and guides unto Himself everyone who turns unto Him.

(Al Quran 42-13)

“Those who were recipients of Our Word -Jews and Christians- to whom We gave the Book -AL-Tawrah and AL-Injil (Torah and Bible) do recognize this Book -the Quran- as well as the Messenger to whom it is sent. They assert the existence of this reality as much as they are able to assert the identity of their sons, but those who are cheaply vicious to the perdition of their own souls refuse to recognize the such undeniable Truth.

(Al Quran 6-20)

“Those who follow the Messenger, the unlettered prophet, whom they find written in what they have of the Torah and the Gospel, who enjoins upon them what is right and forbids them what is wrong and makes lawful for them the good things and prohibits for them the evil and relieves them of their burden and the shackles which were upon them. So they who have believed in him, honored him, supported him and followed the light which was sent down with him - it is those who will be the successful.

(Al Quran 7-157)

“Thus did We inspire to you O Muhammad the Quran through the spirit Jibril (Gabriel) who actuated you by Our command. You neither knew what the Book the Quran was nor what Faith was like. But We made it -the Quran- a source of light wherewith We impart knowledge, wisdom and spiritual light to guide into all truth whom We will of Our servants. You (Mohammed) do indeed guide to the path of righteousness.”

(Al Quran 42-52)

“And We have sent down to you O Muhammad the Quran confirming the Scriptures revealed before it -AL-Tawrah and AL-Injil- and serving as the Book of reference for matters disputed, confirming the truth of whatever there still remains of earlier revelations and determining what is true therein for it is the umpire of all preceding Scriptures, and the decision based on its precepts shall have to be, accepted as final. Therefore, base your Judgments Muhammad on its precepts revealed by Allah, and do not follow their desires which deviate from the truth imparted to you. In fact, for each of you people Jews, Christians and Muslims have We authoritatively determined a law and a course to follow, and had Allah willed, He would have made all of you one conjoint body united in feeling and thought. But He meant to test your qualities with what He has ordained for-you. Therefore, contend

you people for good will and for deeds imprinted with wisdom and piety; you are all destined to go back to Allah, and there and then shall He inform you of the detailed particulars of all the points upon which the whole unreasoning turned.  (Al Quran 5-48)

Those who called and artificially identified themselves Hindu, Christian, Jews, Buddhist, where is their definite religious verdict in their holy text books that their God himself called them by those names! Where is their power of Attorney authenticated and certified by their own God! If they are self declared authority about those names and identities without authorized by God than their way of life is not revealed nor approved by God! , their way of life is then their own creation far beyond from revelation!

“And I have chosen for you Islam as the only acceptable system of faith and worship and way of life  (Al Quran 5-3)” – it is the divinely certified power of attorney for Muslims authorized by God as the religion of Islam for the kingdom of God.

In fact, there was a great spiritual miraculous connection between the prophets and the final prophet and there was a covenant between the prophets to prepare a way for helping the final prophet to establish the Kingdom of God and the covenant of the prophets was actualized in Jerusalem in a highly astounding spiritual way beyond the time-space continuum where past present future come together and all physical laws breakdown and crumble into dust.

“Behold I will send my messenger, and he shall prepare the way before me: suddenly he will come to his temple. He is the Adonai (i.e. the Lord) whom you desire, and the Messenger of the Covenant with whom you are pleased. Lo he is coming, says the Lord of hosts.” But who can endure the day of his coming, and who can stand when he appears?and they will bring offerings in righteousness to the LORD. Then the offering of Judah and Jerusalem will be pleasing to the LORD as in the days of old and as in former years. (Malachi 3, 1-4)

“Glory be to Allah and extolled are His glorious attributes attendant upon His manifestation of conducting His servant by night from the Sacrosanct Mosques - Macca- to the Farthest Mosque,- Jerusalem whose precincts We had blessed. A journey that was planned without the factor of time- space to show him our spiritual world and some of Our signs evincing both Our Almightyness

and Omnipresence. Surely, He is the One Who is All-Hearing, All-Seeing, All-Observing.  (Qur'an, 17: 1).

 **"O man! what has seduced thee from thy Lord Most Beneficent? Him Who created thee. Fashioned thee in due proportion and gave thee a just bias; In whatever Form He wills does He put thee together.**

Nay! but ye do Reject Right and Judgment!

**But verily over you (are appointed angels) to protect you
Kind and honorable writing down (your deeds);**

They know (and understand) all that ye do.  (Al Quran- 82, 6-19)

 **"O mankind! reverence your Guardian-Lord Who created you from a single person created of like nature his mate and from them twain scattered (like seeds) countless men and women; reverence Allah through Whom ye demand your mutual (rights) and (reverence) the wombs (that bore you): for Allah ever watches over you.**  (Al Quran 4-1)

 **"O mankind! if ye have a doubt about the Resurrection (consider) that We created you out of dust then out of sperm then out of a leech-like clot then out a morsel of flesh partly formed and partly unformed in order that We may manifest (Our Power) to you; and We cause whom We will to rest in the wombs for an appointed term then do We bring you out as babes then (foster you) that ye may reach your age of full strength; and some of you are called to die and some are sent back to the feeblest old age so that they know nothing after having known (much). And (further) thou seest the earth barren and lifeless but when We pour down rain on it it is stirred (to life) it swells and it puts forth every kind of beautiful growth (in pairs).**

This is so because Allah is the Reality: it is He Who gives life to the dead and it is He Who has power over all things. And verily the Hour will come: there can be no doubt about it or about (the fact) that Allah will raise up all who are in the graves. Yet there is among men such a one as disputes about Allah without knowledge without guidance and without a Book of Enlightenment.  (Al Quran 22-6)

 **"As for the dooms- day, it shall come, when the Trumpet will be blown with a single blast and the earth and the mountains shall be lifted up and crushed with a single stroke! when the sky will be rent asunder, the grip holding it**

together having loosened on that Day, And the angels will be on its sides, ranks after ranks and eight will, that Day, bear the Throne of thy Lord above them. That Day shall ye be brought to Judgment: not an act of yours that ye hide will be hidden.

(Al Quran 69, 13-18)

“And they have not honored Allah with the honor that is due to Him; and the whole earth shall be in His grip on the day of resurrection and the heavens rolled up in His right hand; glory be to Him, and may He be exalted above what they associate (with Him) .

(Al Quran 39-67)

“And the earth shall beam with the light of its Lord, and the Book shall be laid down, and the prophets and the witnesses shall be brought up, and judgment shall be given between them with justice, and they shall not be dealt with unjustly.

(Al Quran 39-69)

“The Day when their own tongues and their own hands and feet will bear testimony against their own soul what they used to do. There and then shall Allah requite them with what is commensurate with their deeds and what is owed to Him of acts and rites, wherefore they shall realize that Allah is

indeed Supremely Evident Truth and the source of Manifest Reality.

(Al Quran 24-25)

“But their knowledge of the Hereafter has reached a dead-lock giving occasion to uncertainty and advanced no farther (as they have desired only the worldly life and wasted their faculties of learning in pursuit of worldly knowledge, despite being informed about it through Revelation). On the contrary, their doubt stands as the beacon of the unwise, in fact, their notion of the Hereafter has fallen on the blind spot.

(Al Quran 27-66)

“Does man think We are unable to assemble his bones? But indeed We are, even after they have been scattered or reduced to dust. But also each finger tip with its mark of individual identity We will be able to reconstruct...

There and then shall man be informed of all the good he had done and the evil he committed and of all he had neglected or omitted...

Each one shall be his own witness, and his deeds shall be a witness of his worth. He knows exactly all that he had done and he also knows if he had perverted best things to worst abuse or to their meanest use  **(Al Quran 75, 4-14)**

 **"Thus We have expounded and oriented Our revelations in the Quran to circumstances and requirements and We quoted every kinds of similitude forming a particular case of a principle, yet most people simply refuse to acknowledge the truth and will not express esteem nor gratitude.**  **(Al Quran 17-89)**

 **"Such parables do We discourse to people -that they might hopefully ponder-. Such examples and illustrations are only grasped with the minds of those who know the facts and apprehend them with their senses.**

 **(Al Quran 29-43)**

 **"God! There is no god except Allah, the Living, the Everlasting. Neither slumber overtakes Him, nor sleep. To Him belongs everything in the heavens and everything on earth. Who is he that can intercede with Him except with His permission? He knows what is before them, and what is behind them; and they cannot grasp any of His knowledge, except as He wills. His Throne extends over the heavens and the earth, and their preservation does not burden Him. He is the Most High, the Supreme .**  **[The Holy Qur'an, 2:255]**

 **"He is Allah, than whom there is no other god, the Knower of the Invisible and the Visible. He is the Beneficent, Merciful. He is Allah, than Whom there is no other Allah, the Sovereign Lord, the Holy One, Peace, the Keeper of Faith, the Guardian, the Majestic, the Compeller, the Superb. Glorified be Allah from all that they ascribe as partner (unto Him). He is Allah, the Creator, the Shaper out of naught, the Fashioner. His are the most beautiful names. All that is in the heavens**

and the earth glorified Him, and He is the Mighty, the Wise.  (Al Quran 59-23)

 Say, " If the ocean became ink for writing the words of my Lord, surely the ocean would be exhausted before the words of my Lord came to an end even if We were to add another ocean to it."  (Al Quran 18-109)

 "Allah is the Fountain-Head of physical and spiritual light illuminating the heavens and the earth visible and invisible. His light is beyond all comparison, (to be perceived by the human mind), it may be likened to the radiance emitting from a niche where a lamp stands enclosed in a glass tube or encased in glass featuring extraordinary brilliance as if it were an extra ordinary bright star lit by spiritual invisible combustion from a blessed tree, an olive tree (an ancient emblem of peace) standing in the open, never lost to view. It is not confined to the east nor to the west. Its oil almost emits light although not touched by a flame. Majestic light superimposed upon splendorous light attendant upon a manifestation of Allah Who attracts to His spiritual light whom He will, and Allah discourses to people parables by which moral and spiritual relations are typically set forth, and God has full knowledge of everything.  (Al Quran 24-35)

 "We were not playing a pointless idle sport when We created the heavens and earth and everything in between; In effect We have not created both of them but in conformity with truth and in agreement with reality with soundness of judgment in the choice of means and ends; but, in darkness most of them walk on and they know not, nor do they even understand.  (Al Quran 44, 38-39)

 "Who treated their religion mockingly for a idle sport and pastime and amused themselves with its principles and were deceived by the sensuous enjoyment they regarded as the chief object in life. "There, Allah says to them ": Now is the Day We forget you and you shall be left to twist and turn in the scorching flames of Hell in vindication of the right you had willfully forgotten; you neglected the noble discourse addressed by Our Messengers, and you failed to

advance what would have served as a future security on this Momentous Day and you disregarded Allah and His revelations and signs betokening Omnipotence and Authority.  (Al Quran 7-51)

 ***“Assuredly lost indeed are those who deny Resurrection and treat it as a falsehood that at the end they must meet the God, their Creator,- until all on a sudden the predetermined Eventful Hour surprises them , and they say: "Ah! woe unto us that we took no thought of it"; for they bear their burden of sin over loaded on their backs, and evil indeed are the burdens that they are loading themselves with!***  (Al Quran 6-31)

But most of secular intellectuals grow up in myth of self esteem independent logical process faculty of its own standard, live in myth of illusion, illusion upon illusion, myth upon myth without any thirst of enlightenment; they lost their soul to the vast emptiness of logical pitfall and some scientific myth, some mathematics myth, some philosophical myth is added to the jungle of myth made a cluster of myth. If somebody put a question mark on it, they say, " we have scientific support to our myth, we have mathematical strong theoretical foundation of our myth and philosophy-literature is also backbone of our myth, so it cannot be wrong otherwise". But only true enlightened scholar knows where science goes wrong, where math goes wrong, where philosophy goes wrong. Al Quran warned the people of the books not to cross the limit in the field of logical fallacious arguments in religion and same is to true for hypothetical field of science full of thought experiments and most of the time they cross the limit of scope of logic for truth tracking procedures and most of the pathological liar scholars are stuck themselves with self referential liar's paradox and lost the highway to the destiny of truth. On the contrary, for the truth seekers, there are self referential truths which differentiate truth from the false in any statements from the any branch of knowledge. So derivation anything from the false statement produces more falsehood and derivation anything from true statement produces more truth ever before. Only one book in the whole world Al Quran is full of self reference of truth more than hundred times and it challenge any book in the whole world to meet the criteria for truth tracking procedures from past to present to future. Any statement or book fails to meet the truth verification criterion than it should be overthrown to the dustbin from the stinking piles of books in the libraries.

Most of the time, any action of a powerful king was validated by the royal astrologers as a cosmological consequence, consolidated by the royal philosophers and scholars as logical phenomenon and praised by royal poets

and priests as divine outcome and even today also same way the king, prime minister or president is surrounded by a group of royal scholar, scientist, philosopher, psychologist-priest to validate everything the royal authority wishes and dreams. The autocratic king changes all socio-religious structures in his favorable position by force and calls the state sponsored state intended education curriculum manufactured scholars, priests, philosophers , astrologers, legal advisers to legalize everything he did by spending and rewarding a lot of royal treasure money for them.

After the destruction of old religious believes system unfavorable to elite class, a new believes system is established very subservient to the political ruling authorities and all the scholastic discussion starts from that established system. So the scholars of comparative philosophy of religion say, "it is not our job to find which religion is true or false, our job is to compare between all the established religious believe system and find a common platform of understanding. And we do not discuss anything how any falsehood is inserted in the process of establishing it". Same is true for all the scientific theory, the scholars of most of the fields say," we don't know and discuss Newton theory of gravity or Einstein time-space curvature theory of gravity is true or false, we discuss how to reconcile between then, we don't discuss relativity theory or quantum theory true or false, we discuss how to reconcile this two and put forward reconciled quantum gravity theory. Our job is not to find how falsehood is inserted in the theory. Even if any falsehood is found, even if both are indicating to be false, we overlook and bypass it under the floor carpet of established foundation of science."

All the scientists, priests, scholars, philosophers, legal advisers say," we are all happy peaceful friends to each other well funded from same state treasury, so we are not foolish enough to quarrel with each other's falsehood and loose royal luxurious life style".

But the people of the kingdom of God has the responsibility to say what is good and truth and what is evil and false in every sector of knowledge and practice-

"You are indeed the best community that has ever been brought forth for the benefit of mankind. You enjoin what is good, and forbid what is evil, and you believe in God. If the People of the Book had also believed, it would have surely been better for them. Among them, there are some true believers, but most of them are defiantly disobedient and rebellious against God's Command).

(Al Quran 3-110)

Human intellectuals have lost it way from its some elements of unknowable theoretical jungles to specific enlightenment and theoretical science ended up in mythology, mathematics ended up with mythology, philosophy ended up with mythology and now they look each other , borrow dead ideology from each other's field which is already thrown out and rejected from its own field with bewilderment desperately to find a way out of mythological clusters to reality and ask each other for helps of what secrete key instruments they have to climb up from its pitfalls. The most famous and popular scientific theories of last couple of centuries backed up by strong experimental evidential proofs were at last found to be false and same will be true for near to far future scientific theories and it always lacks behind the universal truth and history of science becomes the graveyard of old scientific theories and future graveyard for newly proposed ongoing theories and store house is full of near part and present theories. Most of the theories are proved to be short time evidential truth and long time theoretical false and short time evidential truth cannot be extended prolonged indefinite time scale and so cannot be universal truth for any time and any space from past to present to future. It is like scientific-philosophic the Hole Argument that cuts the logic both way to make a deep hole in arguments and throws everything to the great ocean of dimensionless indeterminable pitfall where no true decisive definite conclusion is achievable, not even possible like Godel's incompleteness theorems in meta-mathematics. Undefinability of truth and undecidability of result marks the end of theoretical scientific improvable statement with many suppressed alternative explanations and experimental science always depends on huge financial support from self-interest seeking corrupted political minded brains of the states or the poor people's blood sucking shylock headed corporate business authorities, otherwise it has no bright future nor its existence is possible as a carrier of causal truth. Cluster of causal and fractional temporal evidential truth of short life span which is mostly specific designed experimental mechanism preplanned to produce wishful result, cannot be combined into a unified unique universal truth to explain minute details of the real function of the universes and it is the ultimate limit of human knowledge which cannot grow with certainty definitely forever. Within a few steps forward those combined scientific statement or mathematical equation hangs up between truths and false and sticks by self-referential falsehood and farther derivation is impossible. It becomes Mandelbrot fractal geometrical space-time pattern of structural extravaganza that infinite forward or backward steps make no difference in the scenario to extract the reality of nature. Logical inconsistencies and contradictions are paramount in most of the scientific and religious theoretical structures and most of academic scholars don't bother about it and happy with hanging and swing themselves in the theoretical paradoxical voodoo science-trunk of high

paradigm of their respective fields and proudly bend on its slavery road from foolishness to fraud with ostentatious multi dimensional fallacies as long as their life supporting financial flows are overwhelmingly continued by the irresponsible unethical public money extracting machinery of state treasuries or Shylock headed worldwide business corporations. It is the meta-mathematical philosophical scientific structural upper most limit and curvature and end of time-space fabrics of cosmos that human brain-mind- intellectual can comprehend. It is the strongest barrier and gap between inductive human knowledge and divine deductive knowledge and there is no way to overcome it unless mercifully God wills to increase human knowledge on wholeheartedly begging for it or God let the closed door open for somebody of his choice to enter into it. Knowledge is not self existent high tree with strong foundation of its own that anybody who wishes to climb up can climb up independently as much as he wishes without getting any blessing and willingness from God.

"To Him belongs whatever is in the heavens and whatever is on earth and whatever space-time contains. Known to Him is all that is present before men and what is hidden (in time past and time future), and the smallest fragment of His knowledge can they comprehend except what He will to be known by mankind His dominion encompasses the heavens and the earth, and He feels no fatigue in guarding and preserving them."  (Al Quran 2-255)

"No human being knows what it will earn; material or immaterial on the morrow and no soul knows where it is destined to come upon the encounter with death. Surely, Allah knows all this and is aware of everything."

(Al Quran 31-34)

But forgetting the perplexity and complexity of the natural world which is very far from fitting on any linear scientific theory, some are burdened with foolish thoughts and ideologies among those priests-monks, trans-scientists-physicists, trans- mathematical metaphysical authorities who wishfully think with single line of thought what they dictate is divine instruction and the natural world, physical and spiritual both are bound to follow their orders forever, even God cannot nullify their scientific verdict, even God needs their theoretical valuable suggestions to create a better world. It is one of the greatest betrayals in search of scientific truth of the natural world by the deluded scientists in their respective field and they swing rapidly around their one leg that is fallen in the beyond of horizontal limit of devil's advocated black hole and no time and scope to look the real surroundings. So they have fanciful

numerical mathematical mythological illusion of black hole connecting with wormhole making the possibility of devil's advocated warp space drive bypassing the space-time of judgment of God and travel from the hell to the heaven to the oscillating universe, multiverse, parallel universe, quantum immorality, quantum half life half death super supposition in infinite series as not even wrong illustrated business commodities packed with highly valuable colorful wrappings of complex mathematical fabrics for consumers intellectual fascinating marketing. But Science depends on real math; math depends on real number, not only on counting number. Meta-mathematicians are doubtful if real number exists or not or even possible to find it or may be it exists in infinite distance. There are great difficulties in the foundation of math and those difficulties cannot be resolved by any improvement of experimental science in near to far future. If real value of number is not achievable and if it exists in infinite distance, the reality of the structural physical world is far beyond comprehensible by human intelligence, by science and math, it then begs ultimately, "O God, let be enlightened the soul," to the mercy of the willingness of creator to describe it in a human comprehensible way.

"As for those who are bent on denying the truth, their deeds shall avail them nothing but the frustration or non-fulfillment of expectation, a situation standing similitude exact of a mirage in the desert falsely viewed by the parched and thirsty traveler as water, and when he reaches the spot in question his hopes are doomed to disappointment. He finds what is known to be at variance with fact, an optical illusion. But he finds power of Allah is omnipresent and Allah will pay him his account: and Allah is swift in taking account.

"Or a world of darkness similar to that found in the depth of an ocean where billowy waves are superimposed upon billowy waves topped by dark clouds creating a coat of darkness superimposed upon coats of darkness where he sits or moves misted with darkness that if he stretches his hand he can hardly see it And he whom Allah blinds his mind's eyes and darkens his eyes shall he devoid of spiritual light and for whomever Allah grants no light, then in no way he have light. (Al Quran 24, 39-40)

"Indeed, if there be gods other than Allah or sharing His divine nature and attributes, the heavens and the earth would have become disordered and ruined. Therefore, praise is to Allah and extolled are His glorious attributes the

sole Sovereign of the Supreme Throne. He is far above what they ascribe to Him.

(Al Quran 21-22)

"God has never taken to Himself any offspring, nor is there any deity along with Him; otherwise each deity would surely have sought absolute independence with his creatures under his authority, and they would surely have tried to overpower one another. All-Glorified is God, in that He is far above what

they attribute to Him "  (Al Quran 23-91)

"If you by any means forget the Lord your God, and follow other gods... you shall surely perish. As the nations which the Lord destroys before you, so you shall perish, because you would not be obedient to the voice of the Lord your God."

(Deuteronomy 8:10)

"Take heed to yourselves, that your heart be not deceived, and ye turn aside and serve other gods than your true Lord and bow down to them.(Deuteronomy 11:16)

"And the true promise shall draw near (punishment), then lo! the eyes of those who disbelieved shall be fixed in horror: O woe to us! surely we

were heedless to this; nay, we were unjust to ourselves.

(Al Quran 21: 97)

" Say, we believe in God and in that which has been revealed to us and in that which was revealed to Abraham, Ishmael, Isaac, Jacob, and the tribes. We believe in that which was given to Moses, Jesus, and we believe in all that was imparted to all the Prophets sent by the Lord. We make no distinction between them as well as all the messages are same and we are Muslims submitted ourselves to the divine will of God".  (Al Quran 3-84)

Say: O mankind! Indeed there has come to you the truth from your Lord, your Creator, and he who chooses to follow the path of righteousness shall only profit his own soul, and he who chooses to stray and loses himself in the

maze of error shall only harm his own soul, and I am not one appointed as a guardian over you to assume your responsibility."  (Al Quran 10-108)

 "O mankind, indeed We created you all from the single pair of male and female, and We divided you into nations and tribes and communities and dispersed you over the earth to get to know each other and not to boast your descent or rank. Verily the most honored and noblest of you in the sight of Allah is the one who is best in piety, righteousness, and reverent to God. And Allah has full knowledge of everything and is well acquainted with all you do openly and secretly."

 (Al Quran 49)

 "O People of the Book! Our Messenger has come to you, clearly unfolding and expounding to you many such things from the Book as you have been concealing and overlooking much. Indeed there came to you intellectual illumination and enlightenment and a perspicuous Book standing manifest of glory, comprehensive true knowledge and spiritual light from your God.  (Al Quran 5-15)

 Say : "O people of the Book! Come to a common platform of understanding between us and you; that we shall worship none save Allah's and that we shall not associate aught with Him, and that none of you shall take others as Lords beside Allah. Then if they turn away, say : bear witness that verily we are Muslims, submitted to the divine will of God."  (Al Quran 3-64)

 "Those are the messengers some of whom We have given excellence over some others. To some of them (Moses), Allah spoke directly; Others (David), He raised to degrees (of honor); To Isa (Jesus), the son of Maryam (Mary), We gave Clear (Signs), and strengthened him with the Holy Spirit (Gabriel). If Allah had created human beings like programmed robots, lacking free will, they wouldn't have differed and wouldn't fight among themselves in matters of belief. But, Allah planned that men and women be endowed with the ability to make choices, and that compulsion in matters of faith would never be ordained. Allah makes His Laws in the World of Command as He Wills, and then He implements them in the World of

Creation (the Universe) and never changes His Laws. If Allah had so willed, they would not have fought each other; But Allah fulfills His plan. (He gives the people freedom of choice and makes them responsible for their decision).  (Al Quran 2-253)

Anybody in the world, priests, monks, high academic personalities, scholars of any religion or secular platform as well as general people, who pray, by human inductive process not authorized by deductive supreme godhead source, to any anthropomorphic personified godhead Jesus Christ, Mother of Jesus Christ, Brahma, Krishna, Buddha, Shiva, Vishnu, Lakshmi, Parvati, Saraswati, Durga or any other godhead name in any imaginary form in anywhere the whole world that is not authenticated by those gods themselves, or any scientifically theoretical mathematical eternal godheads created by their own thought experiments and those who are lightly enlightened by twisting from one godhead to another, they are just climbing up from one pitfall and throwing themselves down again to another pitfall with a illusion of enlightenment, for them a declaration of oath of truthfulness should be taken publicly in front of world audience to avoid the curse from the real true God-

 *"Come, let us summon our sons and your sons, our women and your women and ourselves and yourselves and pray to God Almighty and beseech Him to curse those who intentionally assert falsehood"* 

In fact those names of godhead are million times more powerful and divinely authoritative in their mythological utopian world than their historical traceable manhood personality concept of individuality in hard practical realistic world. Only enlightenment of soul with good thought whole heartedly and blessing of God can turns them from atheism - polytheism to monotheism and from self-satisfaction to the supreme satisfaction of God.

 *"O you who have attained to faith! Be conscious of God with all the consciousness that is due to Him, and do not allow death to overtake you unless you have surrendered yourselves completely unto Him as Muslim."* 
(Al Quran 3-102)

"And when your Lord brought forth from the children of Adam, from their loins, their offspring, and made them bear witness against themselves, "Am I not your Lord?" They said: "Yes, we do bear witness." (That covenant was taken) lest you should say on the Day of Resurrection, "We were indeed heedless and unaware of this"

(Al Quran 7-172)

"Those who sell their covenant with God and their promises for a small price will have no share in the life hereafter. God will not speak to them nor will He look at them on the Day of Judgment nor will He purify them. They will face a painful torment.

(Al Quran 3-77)

"Surely, those who reject the truth, and disbelieve and die while they are unbelievers, the earth full of gold shall not be accepted from one of them, though he should offer to ransom himself with it, these it is who shall have a painful chastisement, and they shall have no helpers.

(Al Quran 3-91)

Enlightenment with good thought is found in Zarathustra prayers-

"O Mazda, when I sought you with the vision of my wisdom and good thinking And looked at you with the vision of my wisdom, I realized That Thou art the beginning and the end of everything Thou art the source of wisdom and thinking. And Thou art the real Creator of truth and piety And the just judge of the actions of all the people. (Gathas, 4 hymn (31), verse 8)

**"O Ahura, Tell me, so I may rightly comprehend.
How can I enlighten my inner self with radiant Serenity?
And with the knowledge I learn through you,
how to find my way to Your abode, with the energy of Self-Dominance, and
attuned with Righteousness and Good Thought?"** (Gathas, 9 hymn (44), verse)

Very similar prayer is also found in Veda known as Gayatri Mantra, but very briefly and fragmentized form-

Transliteration	Devanagari script
“Om Bhur Buvaha Suvaha Thath Savithur Varenyam Bhargo Devasya Dheemahi Dhiyo Yonaha Prachodayath	ॐ भूर्भुवः स्वः । तत्सवितुर्वरेण्यं भर्गो देवस्य धीमहि । धियो यो नः प्रचोदयात् ॥

“We meditate on the glory of that Being who has produced this universe; may He enlighten our minds”

Almost identical prayer also is found in new testament-

“Our Father in heaven, hallowed be your name. Your kingdom come, your will be done, on earth, as it is in heaven Give us this day our daily bread, and forgive us our debts, as we also have forgiven our debtors. And lead us not into temptation, but deliver us from evil”

But asking for daily bread and forgive the debts have reduced its high spiritual value. If we omit it and add the Gayarti mantra together than it come very close Islamic prayer which is the mother of all revelations and heart of all salvations for the inhabitants of the Empire of God-

“We meditate on the glory of that Being who has produced this universe; may He enlighten our minds. Almighty God (Our Father) in heaven, hallowed be your name. Your kingdom come. your will be done on earth, as it is in heaven And lead us not into temptation but deliver us from evil. “

We seek refuge in Allah from the evil whispering syndrome of Accursed Satan in enduring conundrum of deep consciousness.

In the Name of Allah, the Most Gracious, the Most Merciful-

***“All praise is due to Allah, the Lord of the Worlds.
The Beneficent, the Merciful. Master of the Day of Judgment.
Only to Thee do we serve and only to Thee do we beseech for help.
Guide us on the straight path. The path of those upon whom Thou hast bestowed favors. Not (the path) of those upon whom Thy wrath is brought down, nor of those who go astray.” Amen.***

APPENDIX 1

'Verily I say unto you, that on the Day of Judgment many shall say to God: "Lord, we have preached and taught by thy law." Against them even the stones shall cry out, saying: "When ye preached to others, with your own tongue ye condemned yourselves, O workers of iniquity."

'As God liveth,' said Jesus, **'he who knoweth the truth and worketh the contrary shall be punished with such grievous penalty that Satan shall almost have compassion on him.** Tell me, now hath our God given us the law for knowing or for working? Verily I say unto you, that all knowledge hath for end that wisdom which worketh all it knoweth.

"Tell me, if one were sitting at table and with his eyes beheld delicate meats, but with his hands should choose unclean things and eat those, would not he be mad?'

'Yea. assuredly', said the disciples.

Then said Jesus: 'O mad beyond all madmen art thou, O man, that with thine understanding knowest heaven, and with thine hands choosest earth; with thine understanding knowest God, and with thine affection desirest the world; with thine understanding knowest the delights of paradise, and with thy works choosest the miseries of hell. ***Brave soldier, that leaveth the sword and carrieth the scabbard to fight! Now, know ye not that he who walketh by night desireth light, not only to see the light, but rather to see the good road, in order that he may pass safely to the inn? O miserable world, to be a thousand times despised and abhorred! since our God by his holy prophets hath ever willed to grant it to know the way to go to his country and his rest: but thou, wicked one, not only wiliest not to go, but, which is worse, hast despised the light!*** True is the proverb of the camel, that it liketh not clear water to drink, because it desireth not to see its own ugly face. So doth the ungodly who worketh ill; for he hateth the light lest his evil works should be known. But he who receiveth wisdom, and not only worketh not well, but, which is worse, employeth it for evil, is like to him who should use the gifts as instruments to slay the giver.' (GB 77)

And Jesus continued, saying: 'O doctors, O scribes, O Pharisees, O priests, tell me. Ye desire horses like knights, but ye desire not to go forth to war: ye desire fair clothing like women, but ye desire not to spin and nurture children; ye desire the fruits of the field, and ye desire not to cultivate the earth; ye desire the fishes of the sea, but ye desire not to go a fishing; ye desire honour as citizens, but ye desire not the burden of the republic; and ye desire tithes and first fruits as priests, but ye desire not to serve God in truth. What then shall God do with you, seeing ye desire here every good without

any evil? Verily I say to you that God will give you a place where ye will have every evil without any good (GB 69)

'Furthermore I say to you, that the hypocrite hath not faith forasmuch as if he believed that God seeth all and with terrible judgment would punish wickedness, he would purify his heart which, because he hath not faith, he keepeth full of iniquity. Verily I say unto you, that the hypocrite is as a sepulchre, that without is white, but within is full of corruption and worms. So then if ye, ***O priests, do the service of God because God hath created you and asketh it of you, I speak not against you for ye are servants of God; but if ye do all for gain, and so buy and sell in the temple as in a market-place, not regarding that the temple of God is a house of prayer and not of merchandise, which ye convert into a cave of robbers: if ye do all to please men, and have put God out of your mind; then cry I against you that ye are sons of the devil, and not sons of Abraham who left his father's house for love of God, and was willing to slay his own son.*** Woe unto you, priests and doctors, if ye be such, for God will take away from you the priesthood!' (GB 45)

Jesus answered: ` Believe me, Barnabas, that I cannot weep as much as I ought. For if men had not called me God, I should have seen God here as he will be seen in paradise, and should have been safe not to fear the Day of Judgement. But God knoweth that I am innocent, because never have I harboured thought to be held more than a poor slave. Nay, I tell thee that if I had not been called God I should have been carried into paradise when I shall depart from the world, whereas now I shall not go thither until the judgement. Now thou seest if I have cause to weep. Know, O Barnabas, that for this I must have great persecution, and shall be sold by one of my disciples for thirty pieces of money. Whereupon I am sure that he who shall sell me shall be slain in my name, for that God shall take me up from the earth, and shall change the appearance of the traitor so that every one shall believe him to be me; nevertheless, when he dieth an evil death, I shall abide in that dishonour for a long time in the world. But when Mohammed shall come, the sacred messenger of God, that infamy shall be taken away. And this shall God do because I have confessed the truth of the Messiah; who shall give me this reward, that I shall be known to be alive and to be a stranger to that death of infamy. (GB 112)

APPENDIX 2

Satan and its disciples of intelligentsia of the millennium

Jesus replied: 'Verily I say unto you I had compassion on Satan, knowing his fall; and I had compassion on mankind whom he tempteth to sin. Therefore I prayed and fasted to our God, who spoke to me by his angel Gabriel: "What seekest thou, O Jesus, and what is thy request?" I answered: "Lord, thou knowest of what evil Satan is the cause, and that through his temptations many perish; he is thy creature, Lord, whom thou didst create; therefore, Lord, have mercy upon him."

'God answered: "Jesus, behold I will pardon him. Only cause him to say, 'Lord, my God, I have sinned, have mercy upon me,' and I will pardon him and restore him to his first state. "

'I rejoiced greatly. said Jesus, 'when I heard this, believing that I had made this peace. Therefore I called Satan, who came saying: What must I do for thee, O Jesus?"

I answered: "Thou shalt do it for thyself, O Satan, for I love not thy services, but for thy good have I called thee."

'Satan replied: "If thou desires" not my services, neither desire I thine; for I am nobler than thou, therefore thou art worthy to serve me-thou who art clay, while I am spirit."

'Let us leave this,' I said, 'and tell me if it were not well thou shouldst return to thy first beauty and thy first state. Thou must know that the angel Michael must needs on the day of judgment strike thee with the sword of God one hundred thousand times, and each blow will give thee the pain of ten hells.'

'Satan replied: "We shall see in that day who can do most; certainly I shall have on my side many angels and most potent idolaters who will trouble God, and he shall know how great mistake he made to banish me for the sake of a vile [piece of] clay."

Then I said: "O Satan, thou art infirm in mind, and knowest not what thou sayest."

Then Satan, in a derisive manner, wagged his head, saying: come now, let us make up this peace between me and God; and what must be done say thou, O Jesus, since thou art sound in mind "

I answered: "Two words only need be spoken."

Satan replied: "What words?"

I answered "These: I have sinned: have mercy on me."

'Said Satan then: Now willingly will I make this peace if God will say these words to me."

' "Now depart from me," I said, "O cursed one for thou art the wicked author of all injustice and sin, but God is just and without any sin.'

'Satan departed shrieking, and said: "It is not so, O Jesus, but thou tellest a lie to please God.' (GB 51)

JESUS LAST PRAYER

Then lifting up his hands to the Lord, he (Jesus) prayed, saying: 'Lord our God, God of Abraham;, God of Ishmael ;and Isaac;, God of our fathers, have mercy upon them that you have given me, and save them from the world. I say not, take them from the world, because it is necessary that they shall bear witness against them that shall corrupt my gospel;. But I pray you to keep them from evil, that on the day of your judgment they may come with me to bear witness against the world and against the House of Israel that has corrupted your testament.

Lord God, mighty and jealous, that take vengeance upon idolatry against the sons of idolatrous fathers even to the fourth generation, do you curse eternally every one that shall corrupt my gospel that you gave me, when they write that I am your son. For I, clay and dust, am servant of your servants, and never have I thought myself to be your good servant; for I cannot give you aught in return for that which you have given me, for all things are yours.

Lord God, the merciful, that shows mercy to a thousand generations upon them that fear you, have mercy upon them which believe my words that you have given me. For even as you are true God, so your word which I have spoken is true; for it is yours, seeing I have ever spoken as one that reads, who cannot read save that which is written in the book that he reads: even so have I spoken that which you have given me.

'Lord God the Saviour, save them whom you have given me, in order that Satan may not be able to do aught against them, and save not only them, but every one that shall believe in them. Lord, bountiful and rich in mercy, grant to your servant to be in the congregation of your Messenger; on the Day of Judgment: and not me only, but every one whom you have given me, with all them that shall believe on me through their preaching. And this do, Lord, for your own sake, that Satan boast not himself against you, Lord.

'Lord God, who by your providence provides all things necessary for your people Israel, be mindful of all the tribes of the earth, which you have promised to bless by your Messenger, for whom you did create the world. Have mercy on the world and send speedily your Messenger, that Satan your enemy may lose his empire.' And

having said this, Jesus said three times: 'So be it, Lord, great and merciful!' And they answered, weeping: 'So be it," (GB 212)

EPILOGUE

'The messenger of God shall go to collect all the prophets, to whom he shall speak, praying them to go with him to pray God for the faithful. And every one shall excuse himself for fear; nor, as God liveth, would I go there, knowing what I know. Then God, seeing this, shall remind his messenger how he created all things for love of him, and so his fear shall leave him, and he shall go nigh unto the throne with love and reverence, while the angels sing: "Blessed be thy holy name O God, our God."

'And God shall speak unto his messenger, saying: "Thou art welcome, O my faithful servant; therefore ask what thou wilt, for thou shalt obtain all." The messenger of God shall answer. "O Lord, I remember that when thou didst create me, thou saidst that thou hadst willed to make for love of me the world and paradise, and angels and men, that they might glorify thee by me thy servant. **Therefore, Lord God, merciful and just. I pray thee that thou recollect thy promise made unto thy servant. (Promise for Maqaman Mahmuda, highest station of intercession for mankind)**"

'And God shall make answer even as a friend who jesteth with a friend, and shall say: "Hast thou witnesses of this, my friend Mohammed?" And with reverence he shall say: "Yes, Lord." Then God shall answer: "Go, call them, O Gabriel." The angel Gabriel shall come to the messenger of God, and shall say: "Lord, who are thy witnesses?" The messenger of God shall answer: "They are Adam, Abraham, Ishmael, Moses, David, and Jesus son of Mary."

'Then shall the angel depart, and he shall call the aforesaid witnesses, who with fear shall go thither. And when they are present God shall say unto them: "Remember ye that which my messenger affirmeth?" They shall reply: "What thing, O Lord?" God shall say: "That I have made all things for love of him, so that all things might praise me by him." Then every one of them shall answer: **"There are with us three witnesses better than we are, O Lord." And God shall reply: "Who are these three witnesses?" Then Moses shall say: "The book that thou gavest to me is the first"; and David shall say: "The book that thou gavest to me is the second"; and he who speaketh to you shall say: "Lord, the whole world, deceived by Satan, said that I was thy son and thy fellow, but the book that thou gavest me said truly that I am thy servant; and that book confesseth that which thy messenger affirmeth." Then shall the messenger of God speak, and shall say: "Thus saith the book that thou gavest me, O Lord." (GB 55)**

"Who can intercede with Him without His permission?"

Who is the most perfect personality among the whole mankind that has a chance to get permission for intercession in the day of judgement on behalf of man in front of God, the creator of the universe here and hereafter ? Here is the answer, the promise from the God, Almighty in his own word-

“(O Mohammed) In late part of the night rise from sleep and observe constant vigil therein (through late night supererogatory prayers and recital of the Qur’an) as additional worship specifically for you. It could be that your Nourisher-Sustainer raises you to *Maqaman Mahmuda* , the glorious, praised highest station (of nearness to Him and give you leave to intercede with Him, as He wills, on behalf of His servants, in the Hereafter).

“And call upon Allah in your invocatory prayer thus: "O Allah, my Creator, may I ask You to make my entry upon the stage of life an entry by the gate of truth wherefore I stay my course in accordance with the divine standard. And make O Allah, my Creator, my exit at the end of my doings and from the scene of life with truthfulness, virtue and integrity, and invest me, my Creator, with the divine insignia of power and authority which proceeds from Thy Presence "  (Al Quran 17, 79-80).

Only the perfect and ideal character as much possible as human being for highest example is ever produced by God for mankind to follow is the final prophet Mohammed that is authenticated by God himself. As for this divine grandeur opportunity of salvation of mankind is endorsed under the recommendation of a man as a promise from God, following is the incumbent supplication for all the believing persons for their own benefits in the Empire of God to supplicate for Mohammed at the time of calling for prayers so that man can have only chance to get intercession from God on his behalf by the prophet and is prescribed by the prophet himself. **It is the secondary revelation from God to mankind and perfect instruction for salvation that at least one human being should get permission for intercession in front of God for mankind. This supplication is ascending to heaven to the throne of God in every nano second from the earth-**

“O Allah, The Sovereign Lord of the ever-establishing prayer and of the perfect call for prayer, grant our leader Prophet Mohammed “Al-Waseelah” (the loftiest position of intercession) and “Al-Fadeela” (the singular Fee excellence), and the highest rank and elevate him to “ Maqaam-e-Mahmood” (an exclusively praise-worthy primacy reserved only for the Holy Prophet) and bless us with his intercession on the Judgment Day. Undoubtedly, You do not do anything against Your Promise”. **AMIN**

Messages from God's Empire

"Thrones were set up while I was watching, and the Eternal God took his place. His clothing and his hair were white as snow. His throne was a blazing fire with fiery wheels, and flames were dashing out from all around him. Countless thousands were standing there to serve him. The time of judgment began, and the books were opened.

I watched closely to see what would happen to this smaller horn because of the arrogant things it was saying. Then before my very eyes, the fourth beast was killed and its body destroyed by blazing fire.

I saw what looked like a son of man coming with the clouds of heaven, and he was presented to the Eternal God. He was crowned king and given power and glory, so that all people of every nation and race would serve him. He will rule forever, and his kingdom is eternal, never to be destroyed.... (Daniel 7, 9-14)

"Everyone who has been wise will shine as bright as the sky above, and everyone who has led others to please God will shine like the stars.

Daniel, I now command you to keep the message of this book secret until the end of time, even though many people will go everywhere, searching for the knowledge to be found in it.

I looked around and saw two other people—one on this side of the river and one on the other side. The angel who had spoken to me was dressed in linen and was standing upstream from them. So one of the two beside the river asked him, "How long before these amazing things happen?"

The angel then raised both hands toward heaven and said, "In the name of the God who lives forever, I solemnly promise that it will be a time, two times, and half a time. Everything will be over, when the suffering of God's holy people comes to an end."

I heard what the angel said, but I didn't understand. So I asked, "Sir, how will it all end?"

The angel in my vision then replied:

Daniel, go about your business, because the meaning of this message will remain secret until the end of time. Many people will have their hearts and lives made pure and clean, but those who are evil will keep on being evil and never understand. Only the wise will understand." (Daniel 12, 3-10)-**Contemporary English Version (CEV) Bible**
